The REVIEW job department is doing splendid work and lots of it during this month, which is usually considered a dull time for that class of work.

Mr. L. Cornwall is tearing up his barn at the corner of Washington Ave. and Broadway and we understand he intends to erect a couple of houses on the lots.

AN ASSIGNMENT.

Mr. James Wyzant Assigns for the Benefit of His Creditors.

On Wednesday, Mr. James Wyzant made an assignment for the benefit of his creditors. The move was not entirely unexpected as the matter has been pending for some time. Mr. E. W. Pierce has been appointed receiver, and the invoicing will commence at once. The First National bank is the principal creditor, the other claims being small. Mr. Wyzant retires from a long and useful business career with the respect, confidence and sympathy of the entire community. There is not a dishonest hair in his head. He has worked early and late and his life has been as stainless as it is ever given man's to be. We sincerely regret the exigencies of business which compelled this step, at the same time adding that his creditors have shown every possible consideration and would gladly have averted the assignment had it not been deemed best by all parties to take this step.

ABERDEEN.

Everything is in Readiness for Monday's Production.

The perfecting of the cast for the production of Aberdeen has been steadily progressing with professional exactness, until now the point has been reached where it only requires the paint, grease, power, etc., to make the rehearsals a first class performance.

There is no question but what next Monday night's performance will be the cleverest amateur performance that has ever been given in Denison, the strength and beauty of the play, coupled with the intelligent conception of the young people have of their roles, and their ability to render their part in a manner in keeping with that conception. The performance is to be under the auspices of the Woodmen of the World and as over one hundred seats are sold already a good house is assured.

[N. B. The above was written by Mr. Russell, who is getting up the show. For ourselves we are not so cocksure about the results. Come anyway, if we do make breaks, you can have a lot of fun laughing at us. Ed.]

A SPLENDID GIFT.

We are informed that Rev. A. Austin has just given to Simpson College at Indianola two hundred acres of his fine farm land lying three miles from Manilla. Mr. and Mrs. Austin are to receive a small income from the land during life time, but the farm becomes the property of the college at once. This is a truly magnificent gift and one fully in keeping with the splendid record of good deeds Mr. and Mrs. Austin have made. We understand that Mr. Austin is contemplating a further gift to the Preachers' Relief Fund of this M. E. Conference. The worthy couple's recent visit to Denison was made in order to complete the transaction of this generous gift.

THE APRON SALE.

The apron sale given at the city hall on Wednesday by the ladies of Trinity Guild was a success financially and socially. A little over \$85 was realized from the sale, and great credit is due those who had the matter in hand who worked incessantly for the success of the undertaking. The hall was decorated on all sides with aprons, ect, all tastily arranged and showing to good effect. The refreshments, consisting of frappe, sherbet, ice cream and cake and tea and coffee were of the best. The ladies desire to thank all who in so many ways assisted, by work and donation, in the success of the sale.

We acknowledge a pleasant call on Thursday from Mr. S. B. Jones, traveling passenger agent of the Chicago & Northwestern Railroad, who was in Denison visiting Mr. J. H. Gable.

The 51st Iowa band has been engaged to play during the state fair. Mr. Landers should at once drop the two words "51st Iowa" from his advertising paper. He has only three or four of the 51st boys with him, and is not entitled at present to the name his band bears. He is in the business now for what money there is in it.

There was buried on Tuesday, Rev. Krog of Manilla officiating instead of Rev. Lothringer. Mrs. Rosina K. Koch nee Hoffmann, who died on Monday of blood poisoning at the age of 80 years, 1 month and 26 days, leaving the sorrowing husband, four children, parents, six brothers and sisters. Burial was had at Ft. Madison Thursday, whence the remains were taken Tuesday evening.

Prof. Van Ness is conducting a meeting of the Northwestern Teachers Association at Sioux City today. His ability as an instructor is fast reaching State wide.

Will Dover has now secured nearly \$250 toward the building of his house. It is still our opinion that the deed should be held in trust as suggested in a previous issue.

Dr. L. L. Bond accompanied Miss Glennie Paine to Omaha on Wednesday. Miss Paine is suffering from appendicitis and on Sunday an operation will be performed.

And still they come. The old REVIEW subscribers who carelessly allowed their subscription to get past due are rapidly bringing the REVIEW list back to its old proportions.

Mr. Eugene Gulick left the first of the week for a ten days' business trip to New Orleans and other southern cities. This is a good time of the year for a southern trip and we hope Eugene will have a good time.

Trains No. 25 and 26 on the Ill. Central will carry passengers to and from Denison to all neighboring towns on this line. This is a great convenience to Denison and her patrons as it enables one to come and do trading without losing a whole day.

Prof. Van Ness has lately received a barrel of maple syrup from Ohio, and on Wednesday invited in the neighbors and a royal feast was had. During the evening much merriment was created with stereopticon views and singing. All present report a good time.

The owner of the pocketbook found by Mr. Herman Steensen a couple of weeks ago, called on Mr. Steensen today and received the book. John Tank was the owner and he desires to thank Mr. Steensen. The pocketbook was advertised in the "Want" column of the REVIEW.

Lieut. Dull of the 51st Iowa, a resident of Glenwood, and Mr. S. Smith of the same city were in Denison yesterday and today. They were looking over the city with the intention of putting in a fine "Racket" store here. It is a question if they were able to find a location as every store room is occupied or leased for speedy occupation.

In our last issue we neglected to mention the elegant Easter dinner served at the New Wilson last Sunday. The dining room was made beautiful by a profusion of Easter lilies. The dining room girls were dressed in white. The bill of fare was the most elaborate ever served in our city and every guest was presented with a handsome menu card as a souvenir.

The Denison Orchestra Concert will be given on Wednesday evening, May 2nd. It is hardly necessary that we go into detail regarding this concert. The people of Denison are fully aware that a grand treat awaits them. The annual concerts for the past five years have always given the best of satisfaction and the one of May 2d will be no exception to the rule. Musical Director B. J. Sibbert is conducting weekly rehearsals and the orchestra will be assisted by the best vocal talent the city affords. Secure reserved seats in advance and avoid the rush.

ATTENTION KNIGHTS.

There will be a special meeting of Dowdall Lodge No. 90, K. of P. at Castle hall on Wednesday evening of next week. Visiting knights from Charter Oak and West Side are expected. Come out brother knights.

Mr. J. H. Dempster left Denison this afternoon to return to his beautiful farm in Hays township. He says he is tired of standing on street corners and is going back to live on the old farm once again. Mr. Dempster is a good citizen wherever he goes.

Mr. J. M. Potter called on us this afternoon to tell us to send his REVIEW to Denison once again. He thinks the old home and the old friends good enough for him and he will live here in future. For our part we are glad to see his honest kindly face once more.
