A FEW QUESTIONS

Will Be Asked by the Census Enumerator.

BE READY TO ANSWER.

Andrew L. Randall, the Enumerator for Denison Township, asks all to Prepare for His Coming in June.

The following is a list of questions which will be propounded by enumerators for the new census:

Name in full. Residence, street, number of house. Relationship of each member to the head of the family.

Color of race. Sex. Age, at last birthday. Day, month and year when born.

Are you single, married, widower, widow or divorced? Number of years married.

How many children. Number of children living. Sex of these children. Place of birth.

Birthplace of father. If foreign born, date of arrival in United States.

How many years residence in the United States. State if naturalized. Is so, how long ago.

Occupation, trade or profession. (This question applies to persons ten years old or over.)

Number of months during the year not employed. Number of months spent in school.

Can you read? Can you write? Give the main facts concerning your education.

Do you own the home in which you live. If you own the house is it free from mortgage?

There are more than 5,000,000 farms, plantations, ranches, stock ranges and market gardens in the United States, all of which, for census purposes, will be designated as "farms."

A "farm" is all the agricultural land under one management, whether in a single body or in separate parcels.

The enumerator will ask for the size and value of each farm, the value of buildings, and the aggregate value of all machinery, implements, vehicles, harnesses, etc., used thereon; the color of race of the occupant, and the amount of land owned and leased, respectively, by said occupant.

He will also ask for the acreage and value of each crop, and the acreage of improved, unimproved and irrigated lands.

The designated "each crop" includes all grains, cotton, corn, rice, sugar cane, sugar beets, sorghum, hay, clover, wild grasses, gathered forage, flax, hemp, hops, peanuts, tobacco, seeds, nuts, tropical fruits, nursery and green house stock, broom corn, Irish potatoes, sweet potatoes and yams, all vegetables, including the products of all family, truck and market gardens, etc., also new or unusual crops when found.

The enumerator will ask for the number and value of the live stock on the farm June 1, 1900, which will be reported under a number of heads, such as horses, colts, mules, asses, cows, steers, heifers, calves, bulls, ewes, rams, lambs, swine, goats, chickens (including guinea fowl), turkeys, geese, ducks, stands of bees, etc.

He will also ask for the milk, cream, butter, cheese, raisins, prunes, syrup, molasses, sugar, eggs, beeswax, honey, wool, wine, cider, vinegar, dried and evaporated fruits, forest products, poultry and meat products, and generally, all articles made at home, from farm materials during 1899.

Mr. Andrew L. Randall is the enumerator for Denison and Denison township and he requests that everyone assist him in his work by preparing to answer the above questions as accurately as possible.

Miss Ley. Austrian Hymn and Variations.....Mr. Logan.

"Thou Art So Like a Flower," (Violin Obligato).....Park

Mrs. Bradley. "Hark, Hark My Soul".....Shelley

Mr. Logan. The Denison Gun Club is arranging for a big shooting tournament to be held here June 19 and 20. Mr. Campbell predicts that there will be nearly fifty outside shooters present. Denison boys must keep on practicing if they wish to win the prizes.

THE BOY ORATORS.

Don D. Talcott and John B. Romans Are the Winners.

ALL DID VERY WELL.

But the Judges Decided as Above.—The Winners to Represent Denison College at LeMars.

The preliminary oratorical contest at the college chapel Wednesday evening resulted in the selection of Don D. Talcott and John B. Romans to represent the college at Le Mars, May 25.

The program opened with several selections by the Denison Orchestra. John Romans, with an oration entitled "John Paul Jones" was the first speaker.

While somewhat nervous and hardly himself, his delivery was excellent. His good presence, magnificent voice, and naturalness, easily won him the position awarded him, and he will most worthily represent Denison in the final contest.

Don Talcott followed with his oration, "A Nation's Crime." While his delivery was not quite up to his usual standard, Mr. Talcott proved himself an impressive speaker. He gains and holds the attention of an audience.

The "Battle of Gettysburg" by Mearl A. Gable was well written but the delivery was marred by faulty articulation. The program was varied by a most pleasing solo "Spring Time" by Miss Terry.

Edgar A. Rannel's subject was "American Knighthood of the Twentieth Century," and while good, the delivery lacked spirit and life. Mr. Rannel's has in him the making of an excellent speaker. The closing number, "The Tide Rolls On," by Miss Bittenbender, was well received, and given a high mark in delivery.

The judges were Emma J. Rollinson, Sears McHenry and H. V. Fallor. H. A. Cook, the referee, announced the decision. It is to be regretted that a larger audience did not greet the speakers. The entire program deserved a better patronage. Messrs Talcott and Romans make a strong team and Denison stands a good chance of not only winning first place—which was done last year—but of getting the decision for the Speakers!

Pretty Near It.

Oh, to-morrows' day They give pictures away At Brown's Art Studio Just wear your best smile And go up there a while And get a fine Photo— 'Twill be none of your faded wash-out kind But just thing to suit your mind, So hurry away to-morrow day And get your picture took.

We learn from the Odebolt Chronicle of the death of Mr. Frederick Peters Meyer, father of Dr. Petersmeyer who is well known here. We sympathize with the sons and daughters in their loss.

Surely democracy is between the devil and the deep blue sea. The sincerity of the Sioux Falls populists is shown by the fact that they nominate a democrat for President and a silver-republican for Vice-President.

Mrs. J. C. Robinson, Sr. left today for Boone where she will spend the summer with her aged father. Last week Mrs. Robinson was the recipient of a pleasant surprise planned by Mrs. Dr. Robinson. A number of old Denison friends and neighbors were invited and a most enjoyable afternoon was spent.

Billy Hamilton announces that for the next month he will devote his entire time to his work as census supervisor, leaving the Chronicle in the hands of Mr. D. R. Carlson. We had been informed that Billy had been devoting his time of late to a subject entirely foreign to either census or newspaper work.

On Monday occurred the death of Mr. F. Strohbehn at his home near Manilla after an illness of several months. Burial took place at the Manilla cemetery on Wednesday. Mr. Strohbehn was one of our most highly respected citizens and leaves a host of friends to mourn his loss. The sorrowing relatives have the sincere sympathy of all in their hour of bereavement.

Several of our young people went to Denison via overland, Friday evening, to be in attendance at the band concert which was reported as being a first class entertainment. After the concert, dancing by a very select crowd was then indulged in. Those from Vail who remained to participate in this enjoyment unanimously vote Denison young folks among the apt and up-to-date entertainers.—Vail Observer.

The Populists at Sioux Falls have nominated Bryan and Towne with a notice to Democracy to "please copy". It must be humiliating to old time democrats to have the nominations of their party dictated by the populists. The nomination at Sioux Falls is the death knell of Bryan's hopes. The democrats of the east will not swallow the populist nomination or if they do they will give it but a half hearted support which means sure defeat. On the other hand if democracy has nerve enough left to put up a ticket of its own it will lose much populist support in the west.
