DAY'S MARCH AWAY.

Lord Roberts' Forces Eighteen Miles From Johannesburg.

RUNDLE HAS OCCUPIED SENEKAL.

One Position After Another Abandoned by the Boers—Kruger Issues Proclamation Warning People to Leave Johannesburg or Remain at Their Peril.

LONDON, May 29.—Lord Roberts is now within a day's march of Johannesburg and General French and General Ian Hamilton fought the Boers from noon to evening on Monday, with what result is not known here.

H. J. Wigham, in a dispatch to the Daily Mail, dated May 28, says: "The demoralization of the Transvaal is remarkable. Panic and confusion prevail everywhere. Every one is weary of the war and full of fear as to the coming of the British. Operations were being carried on for encircling Pretoria with telegraphic communications. Fourteen points in the line of defenses were connected with headquarters and with the Staats artillerie, but this apparently was the only defensive measure adopted. There were no other visible preparations. The seat of government will be removed to Waterburg, a small station on the Delagoa bay railway line, and then, if necessary, to Lydenburg. Around Johannesburg a few trenches have been dug, but no other steps have been taken for defense. The railway line is blocked with refugees from the west and southwest, who are packed like sardines in trucks."

The burghers in northern Natal are according to General Buller's spies preparing to fall back to Heidelberg hill. Probably they will not contest Laing's neck stubbornly. A correspondent with General Buller writing from Newcastle yesterday morning, wired saying Lord Roberts had inspired the Boers with a desire to get back into Transvaal territory. Lord Roberts' latest movement was probably then unknown in the Boer and British camps in Natal.

The military critics consider that Lord Roberts is now in a position to easily render Laing's neck untenable, as he can cut off communication and take the Boers in the rear.

General Buller is remaining quiet. The Boers fired six shells at the British camp from a six-inch gun on Pogwana mountain.

The morning papers regard the Boer organized resistance near an end. Predictions are being made that the British flag will fly at Johannesburg today and Pretoria Saturday. One view is that Lord Roberts may pass by Johannesburg and move straight on Pretoria.

The Morning Post has the following dispatch from Lourenzo Marquez: "President Kruger has issued a public proclamation warning all people to leave Johannesburg or remain there at the peril of their lives, as it might be necessary to destroy the town and the mines."

Hundreds of cases of winter clothing for the prisoners at Pretoria have been sent by the relief association to United States Consul Hay, as well as £1,000 in cash.

The Lourenzo Marquez correspondent of the Times telegraphing Monday says: "Commandant General Botha consulted the Transvaal government a few days ago and in the strongest terms urged capitulation, recognizing that the struggle is utterly hopeless. Steyn is equally emphatic for peace, but Kruger is still obdurate."

All sorts of sensational reports are circulated. The latest is for hauling down the flag at the Portuguese consulate in Pretoria. The Boers are undoubtedly strengthening their commandos on the border.

A dispatch from Mafeking, dated May 28, says the total casualties since the commencement of the siege were 803. Out of 44 officers 22 were killed.

WAR DANCE AT CHADRON.

Ogalalla Sioux 1,000 Strong Are Camped There to Spend Their Money.

CHADRON, Neb., May 29.—A thousand full-blood Ogalalla Sioux Indians are camped in Chadron, the first time in ten years. It is a reminder of old days to the citizens of this city, who gave them two roast beaves, a barrel of coffee, two barrels of sugar and a dry load of crackers. They are feasting and racing horses for purses put up by the citizens. Last night the reds built huge bonfires and started a war dance. Two thousand spectators have been viewing their customs and capers. Chiefs American Horse and Spotted Elk are with them.

Those camped here came down with about \$10,000 annuity money just paid them to spend and they have spent it.

Firebug at Work.

WEST POINT, Neb., May 29.—A third attempt to set fire to buildings was discovered last evening in time to prevent a disastrous conflagration. At about 9 o'clock fire was discovered in the barn in the rear of the German Methodist church. After it was put out it was found that coal oil had been poured onto some waste matter in the barn and set on fire. The citizens are becoming quite uneasy at the presence in the town of a firebug.

Bakers' Strike Is Settled.

OMAHA, May 29.—The strike of the journeymen bakers has been settled by a compromise brought about by the arbitration committee of the Central Labor union, which has been at work on the matter for about a week. The workmen are to receive \$12 per week for 11 hours' work, the time being increased one hour over the bakers' demands.

Held For Cattle Stealing.

AINSWORTH, Neb., May 29.—Samuel Johnson, from the south part of Brown county, on complaint of Theodore W. Jones, was arrested for cattle stealing and had a preliminary hearing before Judge Potter. He was bound over to the next term of the district court.

Fatal Fall From Wagon.

MADISON, Neb., May 29.—Elwin Olson, aged 19, son of Hotel Proprietor Olson, was thrown from a wagon and instantly killed.

HAWKEYE HAPPENINGS.

Falls Down a Coal Shaft.

CLARINDA, Ia., May 29.—While half way down the George Lowry coal shaft, two miles south of College Springs, Page county, Curtis Pierce was overcome by foul air and fell from the tub 50 feet to the bottom, receiving injuries from which he died. Lowry was lowered after him and the foul air made him unconscious for three hours.

Kill Wolves in Iowa.

CLETON, Ia., May 29.—Yesterday was a good day for wolf-killing in this county. The number slaughtered breaks the record for, perhaps, more than half a century. Wolves, which were about extinct in this center a few years ago, have been becoming more numerous here and a number have been killed during the past 12 months.

Professor Tobin Dead.

FORT DODGE, Ia., May 29.—Professor L. Tobin, who founded colleges at Vinton, Waterloo, Iowa Falls and Fort Dodge, died here Sunday night. He had a wide reputation and acquaintance. Burial will take place at Vinton today.

Next Fest in Chicago.

DEBQUE, Ia., May 29.—Officers of the Central Schutzenbund decided to hold the next biennial fest in Chicago in 1901.

Injunction in Chinese Favor.

SAN FRANCISCO, May 19.—Federal Judge Morrow has granted an injunction to prevent the federal and local health authorities from discriminating against the Chinese in the matter of precautions against the plague. This means that the Chinese cannot be forcibly inoculated with anti-plague serum and that they cannot be prevented from entering or leaving San Francisco by the federal quarantine officers.

Posses in Pursuit of Bandits.

THOMPSON SPRINGS, Utah, May 29.—Several posses yesterday started in pursuit of the bandits who murdered Sheriff Tyler and Sam Jenkins last Saturday at Hill Creek, 50 miles north of here. It is learned that men answering the description of the outlaws passed through here last Thursday, coming from Moab.

Condition of Rev. Moore Serious.

PITTSBURG, May 29.—The condition of Rt. Rev. John Moore, the aged bishop of the Roman Catholic diocese of St. Augustine, Fla., who was stricken with paralysis while delivering a sermon in the pulpit of St. Mary's church, Allegheny, yesterday, is considered serious, but immediate danger of death is not apprehended.

Second and Third Won by Denison College.

THE CONTEST AT LEMARS

Storm Lake Wins First Honors.—College Team Defeated at Base Ball.—Score 19 to 16.

The fifth annual contest of the Northwestern Oratorical Association was held last Friday evening at LeMars. A party of thirty representing our college was made up and left bright and early on the morning train via the C. & N. W. by special car. The morning was delightful and the trip by the way of Missouri Valley and Sioux City was made by the fast train, which arrived at the destination about 11 a. m.

The contest in the years past has been an almost sure remedy for a drouth, or perhaps rather has been a first-class rain making institution, far surpassing the portable rain making machines of '94. Noon seemed to promise the annual shower, but as the date had been placed a week later than usual on purpose to secure better weather "the prince of the power of the air" was a little off his guard, and the promised shower only brought a few sprinkles which interfered with nothing.

The afternoon was enlivened by a ball game between LeMars and Denison. LeMars did not put up a school game, but selected a team out of the town, and the town can boast of some fine players. Parties there told us that some old players from some of the university teams took part in the game. The players were honorable and told us before we left that they were not pretending to put up a school team. For excitement and interest the game was one of the very best. By the third inning the game stood 9 to 3 against Denison. Then Denison brought it up to a tie and so it held to the end of the eighth, one gaining just as much as the other, until the score stood 12 to 12. The beginning of the ninth was our Waterloo. LeMars making seven runs. In our last half we got in four more so that it ended 16 to 19 against us. Considering what we played against, there are no sore spots about the game. Our boys put up fine work and the game was clean on both sides. One fine thing about it was that the umpire knew his business and was all right; practically no kicking at any point.

The evening gave us as delightful weather as the morning and a moderately sized audience greeted the contestants. The opening musical numbers, presented by the music department of the LeMars School, were excellent. The contestants were arranged in two groups: Denison having first and fourth places; LeMars, second and fifth; Buena Vista, third and sixth. Sac City had no representatives in this contest.

Denison opened the contest with Mr. John B. Romans as first speaker, and had nothing to fear until the last man on the program. Denison thought they had nothing to fear, but the fates and the judges thought otherwise. Our boys did nobly and without a break held the audience to the end. As it was Mr. Talcott won 2nd and Mr. Romans third place, so we brought home with us many points as Buena Vista took home with them. In the words of the immortal Paul Jones we've "not yet begun to fight."

The morning brought our party home in good spirits, tired, and all agreeing that we had had an enjoyable trip.

One of the best prizes won on the trip was a compliment bestowed gratuitously by a gentleman in LeMars, who volunteered that in a business of seventeen years he never served a more orderly and gentlemanly company of young people, and the same remark he said was made by other business men in the city.

NOTES.

The contest will be held next year in Sac City.

The only lady on the program was from Le Mars.

Le Mars is blessed with some hoodlum boys that are no honor to the town.

Mrs. Eaton, of Manchester, Hop, J. B. Romans and R. A. Romans accompanied the party.

What is the matter with Le Mars and her school? It was evident from the time that our party reached the town to the time they left, that the people of the city care very little for their school. If their school is to be a success the people must show an interest in it.

Proper Held for Hearing.

SLOAN, Ia., May 28.—Sheriff Jackson brought back from Sioux City Mrs. Lillie Renne and Charles Eho, the couple who eloped from here Friday night. They were held for hearing.

Reduced Fare on All Railroads

The Western Passenger Association, which has jurisdiction of passenger business over all Iowa railroads, has arranged for a one and one-third fare for the round trip, on the certificate plan.

In purchasing tickets coming, Sovereigns and their friends will take from the railroad station agent of whom purchased a certificate showing their purchase, which must be signed and stamped by him. This certificate will be given to the Secretary of the Association on their arrival that he may certify thereon to their attendance, and sign the same, when it will be honored for one-third rates in returning.

If the journey is made over more than one line of road, purchaser will take a certificate from each agent of whom he purchases a ticket.

Failure to procure such certificate invalidates any claim for reduced fare returning. In order to secure such reduced fare at all one hundred or more certificates must be presented to the Secretary.

All certificates must be signed and stamped by J. H. Mahoney at the C. & N. W. depot in Denison, who has been made joint agent for the occasion.

SEATTLE, Wash., May 29.—The steamer Danube is on the rocks near Hospital Point, Victoria. It lies with a list of about 20 feet to port. For a time there was five feet of water in its hold. It had on board when the accident happened over 50 passengers and close on to 600 tons of valuable freight, consisting for the most part of groceries and supplies for Dawson. The passengers were safely landed and the entire cargo unloaded.

Miss Smith is reported to be in a critical condition.

HIT BACK AT GERMANY

Stockmen Ask Congress to Pass Retaliatory Measure.

URGE EXCESS DUTY ON IMPORTS.

Federated Live Stock Interests Favor Advance of Ten Per Cent—Bill Is Introduced Empowering the President to Take Such Action.

WASHINGTON, May 29.—As the result of a conference yesterday between President Springer, of the National Live Stock association, and members of congress, relative to the German meat inspection bill, the following bill was introduced in the house by Representative Bailey of Kansas:

"That whenever the president of the United States shall be informed that the government of the German empire has passed a law imposing prohibitory duties on meat products imported into that country, he shall issue a proclamation, setting a time when all articles manufactured in the German empire, when entered for consumption at the ports of the United States, shall pay a duty of 10 per cent in excess of the duties imposed thereon prior to the passage of this act and all such products and manufactures, when so entered for consumption after said time fixed by the president, shall pay such increased duties."

The bill was referred to the ways and means committee and Springer saw members of that committee with a view to urging early action.

ALLIANCE IS CHARGED.

Wellington Says There Is Secret Understanding With England.

WASHINGTON, May 29.—In the course of a speech in favor of the adoption of a resolution expressing the senate's sympathy for the Boers yesterday Wellington (Md.) referred to a secret understanding existing between the United States and Great Britain. When Lodge (Mass.) demanded proof that such an understanding existed, Wellington said that under the circumstances it was difficult to present tangible proof, but he believed the proof could be found in the secret archives of the state department. Lodge replied that under our form of government no such understanding could exist and as the secretary of state had emphatically denied the existence of any alliance or understanding he believed the country would accept his statement as true.

The reading of the sundry civil appropriation bill was completed but not all of the committee amendments have been disposed of. A lively debate was precipitated over the proposition to continue the life of the industrial commission until Oct. 31, 1901. Charges were made that the commission was being used as a Republican campaign machine and that important testimony had been suppressed. The committee amendment, however, was agreed to.

Alaskan Civil Code Bill Passed.

WASHINGTON, May 29.—Yesterday was a dull day in the house, considering the near approach of the final adjournment. The Alaskan civil government bill was passed and some odds and ends of legislation were cleaned up. Dazell gave notice that the antitrust resolution and bill reported by the judiciary committee would be considered Wednesday, Thursday and Friday of this week under a special order.

It cannot be told how long the fire will last or how long the men will be laid off. The fire may spread to other parts of the mine.

Gardner Knocks Out Two.

CINCINNATI, May 29.—Before the People's Athletic club here last night two pugilists undertook to stand up six rounds before Oscar Gardner. Must Be Seen

We have a tantalizing lot of pretty wash goods—tantalizing because we can't tell all about them in print. Printer's ink may tell the story, but it doesn't put the goods in all their beauty before your eyes. Come and look—it will be time well spent and money saved. Prices always the lowest.
