FORT DODGE OPINION

Papers Have Nothing But Good Words for Our City.

DENISON IS THE BEST.

In the Verdict of the Excursionists as Expressed by Fort Dodge Papers—Our Hospitality Appreciated.

The following notices are taken from the Fort Dodge papers and show that our guests of last Wednesday were appreciative friends. While Denison is glad of the advertisement given it, our people still more greatly appreciate the gentlemanly character of their guests and the spirit of friendship so auspiciously inaugurated between two of the best cities in western Iowa. The Fort Dodge Messenger says as follows:

The train arrived at Denison where the party was met by a large delegation of citizens with about eighty conveyances. The visitors were driven about the town which has many picturesque spots and were shown the principal points of interest after which they were given a luncheon at the leading hotel. When they offered to pay at the office they were informed that all had been paid for. Cigars were passed around among the visitors and everything possible was done to crowd as much pleasure into their short stay and each individual took it upon himself to exert every effort to that end. "They just wouldn't let us pay for a thing" said one of the party this morning. "I tried to buy some cigars but they wouldn't take my money? greatest lot of people I ever saw." During the course of their stay numerous speeches were made, Messrs. Robert Healy of Rockwell City, T. D. Youker and Charles Duncombe of this city, responding to the addresses of the Denison orators. The stay at this point was so cordial and pleasant that the party was loath to depart. It was the unanimous verdict of the visitors that should Denison's business men ever visit Fort Dodge, they would be given a royal welcome.

From the Chronicle we take the following:

"Well, you should have been along," has been the sleepy exclamation of one hundred and twenty-five thoroughly tired, played-out but absolutely self-satisfied Fort Dodgers, all day to the curious of the city, who were not permitted to go on the business men's excursion to Omaha Wednesday. "Did they treat us right? Well they couldn't have treated us better, if we'd been kings we couldn't have got a more royal welcome than the people of Denison gave us. Say, everything in town was ours. If we could only have stayed longer." * * * But it is Denison, the home of Governor Shaw, that nursery of good men and great where hospitality is breathed in the atmosphere and is made one of the cardinal virtues, that knows how to entertain. A long line of carriages was waiting at the depot when the train arrived and the visitors, 125 strong, were driven about the city, which is, by the way, one of the most beautiful of the smaller cities of western Iowa. It is certainly one of the best. Being near the noon hour, all were taken to the two fine hotels, where a magnificent dinner was waiting. After the good cheer the company arose and found to the astonishment of all, that the way to the office where bills were to be paid, was blocked and strong right arms of Denison's citizens prevented an exit that way. Cigars were passed around and to their great astonishment, the merchants found that they were unable to spend a cent in the city. Everything was theirs for the asking. Everything was free. That's the way the people of Denison entertain. They have won forever the good will and kind offices of Fort Dodge, and if there is anything in Fort Dodge that they want, it's theirs.

From the Fort Dodge Post comes the following:

We got to Deloit, "off again on again gone again—Denison." Ah, Denison! will we ever cease to remember the greeting at Denison. About 75 carriages were waiting to convey us all over this magnificent city. This is the home of the chief magistrate of Iowa Governor Shaw, and where in all this realm of cities with magnificent streets beautiful avenues and enterprising people, could he find a more ideal place for a home, than this modern flower in the illustrious garden of Iowa. Attorney Lally resides here and he is the kind of a genial man for such a place.

After we were shown around the town we were taken to the two fine hotels which were waiting to provide that where-with-all that touches a man's heart through the capillaries and lymphatics of his conscience. Every detail had been arranged to make our entertainment perfect and all was tendered free of charge. A few toasts were given during the chewing exercises, thus giving the boys a chance to run in their compliments and show their oratorical velocity.

The carriages carried us back to the depot and we were again put to flight down the line.

Denison, although a town of only about 3,200 people has more wealth, more generosity and hospitality more grandeur of scenery, and more beautiful women and more clear headed men than any other city of its size in the state.

What is the difference between Dewey and Buffalo Bill? Buffalo Bill has a show.

The Milwaukee will run an excursion from Arion to Sioux City on Sunday, June 10th. Round trip \$1.50.

The moving picture show last night was a great success. A large crowd was present and the program was thoroughly enjoyed. The Ladies Aid societies sold tickets in advance, each society receiving a percentage on the number sold.

The Mothers Round Table will meet at the Reading room on Thursday afternoon at 3 p. m., at which time the Denison delegates, Mrs. R. A. Romans and Mrs. G. L. Caswell, will make report as to the proceedings of the Mothers Congress. All are invited.

The McClellan house moving force tried their hand on the Spanish cannon last night and soon got it into position for mounting. They have begun to wonder how the Boers managed to transport their big guns so quickly. This cannon is the one secured for Denison through the kindly offices of Governor Shaw and is the one at which the Bulletin sneered and said would never come. There are but two in Iowa.

HE WEARS DIAMONDS

J. H. Gable Presented with a Handsome Ring.

BY GENEROUS FRIENDS.

The Officers of the A. O. U. W. of South Dakota Make Mr. Gable a Present.

Jake Gable is wearing a magnificent ring presented to him by the "way-up" men of the Workman order of South Dakota in recognition of his kind courtesies to them while on a recent excursion over his line. Jake is the happiest man in town, as happy as the father of a ten pound boy, and his many friends are rejoicing with him. Mr. Gable is the soul of good fellowship, he is just the right man in any crowd and his services have done much to popularize the Elkhorn as an excursion route.

The following taken from the Aberdeen, S. D. Daily News, of May 25, tells all about the ring and how it came to be presented to Mr. Gable.

On the occasion of the Workman excursion party to the Black Hills the second week of the present month, J. H. Gable, Traveling Passenger Agent for the Fremont Elkhorn & Missouri Valley railroad, accompanied the party on the special train and remained with it until the return. He performed many kindly services, and did much in various ways for the comfort and pleasure of the excursionists. Before the party separated on the return trip a number of the gentlemen formed a pool and contributed money to purchase a testimonial for the genial and energetic passenger agent. The money was turned over to A. W. Voedisch of this city, with orders to make Mr. Gable a ring. It was made and put on exhibition this morning, and tomorrow will be sent to him. Mr. Gable is not a Workman but a Mason and the ring consists of thirteen pennyweights of gold formed into a Masonic ring, bearing the keystone and the emblem of the Shrine in enamel with a Maltese cross as the signet. In the center of the cross a three-quarters carat diamond of fine quality is set, and the ring is pronounced one of the finest ever exhibited in this city. It is valued at \$75 and on the inside of the band a proper inscription is engraved, and Mr. Gable, who knows nothing of the gift, will undoubtedly be much surprised and pleased.

DIED.

Mrs. Lizzie B. Dolle died at her home at New Bedford, North Dakota, on Friday, May 25, 1900. Mrs. Dolle was the daughter of Mr. and Mrs. John Denahy of this city and was for many years a resident in Lyons, Clinton county, Iowa, and was thirty-one years of age at the time of her death.

She was the mother of 6 children, the oldest being eleven years of age and the youngest an infant of seven months. The cause of her death was rheumatism of the heart. Funeral services were held at New Bedford on Sunday last.

Mrs. Dolle had many friends and relatives in this county and the deep sympathy of all goes out to the bereaved ones and more especially to the little motherless children. We pray that the God who tempereth the wind to the shorn lamb will watch over these little ones with his most tender care. Mrs. Dolle also leaves two brothers, John F. Denahy of the Millard Hotel, Omaha, and Edward W. Denahy of the Sherman House, Chicago, and three sisters, Clara N., of the convent of the Good Shepherd at St. Louis, Minnie B., wife of Mr. Joseph Hederman of this county, and Stacia, who resides with her parents in Denison. Mrs. Dolle was a good woman, a true, womanly woman and her home surrounded by her loved ones was a most happy one. It seems, indeed, that "Death loves a shining mark."

IT WAS A FOOTRACE

Knights Score Thirty Seven in Six Innings.

A RUN OF 4,440 YARDS

Quit Because Tired Out—Redmen Retire to Their Reservation—Attendance Very Light.

It was a relay race. The Knights were on the run all the time, knocking a whole series of Redmen out of the box and finding the field a sieve. The Redmen were not in it at all yesterday. When Umpire Kelly call the game at 4 o'clock the braves looked bold indeed, but never did Big-Man-Afraid-of-His-Squaw retire more crestfallen from his tepee than did these same doughty warriors after the battle of balls and bats was over.

The Knights made 37 runs in the six innings played and the Indians made eleven, six of which were presented them in the last inning. The Redmen are nice boys and they made a truly savage appearance in their red suits and turkey feathers, but they cannot play ball. We have no intention of roasting the boys except in fun, they played simply for a little amusement and to help the Woodmen's Log Rolling fund. The Knights included in their team some of the best, old time players in Denison of the day "When base ball was in flower" while the Redmen's team was composed largely of younger boys of less base ball experience.

The attendance was very light, the gate receipts being about \$12.00. It was surprising how many sneaked over the fence or went an hour or so early in order to get out of paying. It is bad business and pretty small potatoes. If you can't pay like a gentleman, stay away like a gentleman. There can be no criticism of a man who does not feel that he can afford to spend a quarter on base ball but as we said before the man who crawls through the fence must have a pretty small opinion of himself—and he is right.

The pleasure of the game was sadly marred by the distressing accident which happened to Mrs. A. D. Wilson. She was sitting in a carriage with her husband when a swift foul ball struck her below the knee with terrific force. It seemed at first that the bone was broken but this was not the case although the injury was severe and very painful.

Below we give the score of the game: Knights.....2 6 11 6 8 4—37 Redmen.....0 0 0 3 2 6—11

Mr. and Mrs. Bert McAndrews, of Vail, visited Denison yesterday.

Cyrus Greek, of Genoa, Neb., is a guest of his sister, Mrs. J. T. Carey.

Treasurer Kuhl has moved his family from Manilla to Denison, occupying the P. J. Farrelly residence. They moved just in time for the census enumerator to add them to the population of Denison.

It is reported that Mr. Rudolph Lehfeldt has purchased the Geo. L. Wright property in West Denison for a consideration of \$4,000. It is a slightly location and Mr. Lehfeldt is a man who will doubtless make a fine piece of it.

The Salvation Army seems at last to have gained a foothold in Denison. We hope that our people will be respectful as religion in whatever guise, is not to be sneered at and there are those who can be reached by the methods of the Salvation army who could be reached in no other way.

BUSINESS MEN MEET.

The business men's meeting was called to order by the chairman, Mr. L. Cornwell on Friday evening at the mayor's office. The attendance was quite good. Messrs. Conner and Tabor made reports as to their visit in Sioux City in consultation with the officials of the St. Louis, Iowa & Dakota. They both were impressed with the earnestness and sincerity of President Gere and his associates. Pending the formation of a Business Men's Association, the committee was continued and Mr. Sears McHenry was added to its membership.

Judge Conner reported that the committee on organization had made a thorough canvass and found the sentiment largely in favor of an association. A committee was appointed to draw up a constitution and articles of incorporation, solicit members and to call a meeting as soon as possible. The committee is as follows: J. P. Conner, J. B. Romans, Chas. Tabor, Chas. Bullock and Chas. Kemming. After an informal discussion of matters of interest to the town the meeting adjourned.

VERY LOW rates to Detroit, Mich., via the North-Western Line. Excursion tickets will be sold from all stations, on account of National Anniversary to be held at Detroit May 23 to 29. For dates of sale and limits, apply to agents Chicago & North-Western Ry.

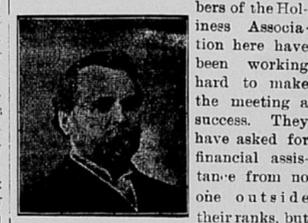

CAMPMEETING SOON

International Holiness Union Camp Meeting Begins Friday.

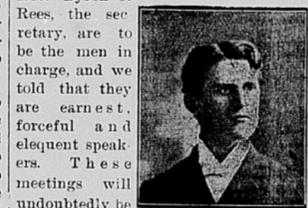

AT WASHINGTON PARK

Portraits of Evangelists—Reduced Rates on All Railroads From All Points in Five Adjoining States.

The International Holiness Union Campmeeting will begin on next Friday at Washington Park and will continue for ten days. Arrangements have been completed and from what can be learned in advance there will be a large number of people here from all over the west. Mr. A. E. Stone and the mem-

bers of the Holiness Association here have been working hard to make the meeting a success. They have asked for financial assistance from no one outside their ranks, but have gone ahead making contracts for tents, board and all other particulars, expecting to pay the expense themselves with whatever may be volunteered by others. This is so different from the usual way that we must say that it makes a pleasant contrast. The meetings will be in charge of two of the most noted divines of the Holiness faith, whose portraits we give. Mr. Seth C. Rees, the president of the Holiness Union, and Rev. Byron J. Rees, the secretary, are to be the men in charge, and we told that they are earnest, forceful and elegant speakers. These meetings will undoubtedly be well attended

by our citizens as well as by the visitors and it is our hope that our people will show the strangers all due respect and remember that they are just as much within the house of God when attending these park services as they would be in a church building. We hope also that the meetings will be conducted with a spirit of Christian charity as well as devotion.

The Penelope club met with Mrs. J. P. Conner this afternoon.
