WILL BE GRANTED ENTRANCE.

Announced That China Has Withdrawn Opposition—American, British, Italian, French, Russian and Japanese Forces Start From Tien Tsin on a Special Train.

TIEN TSIN, June 1.—A special train has started for Peking with the following forces: Americans, 7 officers and 56 men; British, 3 officers and 72 men; Italians, 3 officers and 89 men; French, 8 officers and 72 men; Russians, 4 officers and 71 men; Japanese, 2 officers and 24 men. PEKIN, June 1.—The envoys received the reply of the Tsung-li-Yamen to the ultimatum of yesterday calling the attention of the Chinese authorities to the landing of a party of marines. The Tsung-li-Yamen agreed to withdraw opposition to the coming of the guards.

LONDON, June 1.—The Peking correspondent of the Times says: "The damage to the railroad is estimated at \$26,000. The government supports rather than condemns the Boers. Not one has been arrested as yet. No foreigner has been seriously injured, though murders of native Christians are reported daily from the country."

WARRANT FOR TAYLOR.

First Official Notice That the Former Governor Has Been Indicted.

FRANKFORT, June 1.—The issuance of a bench warrant for the arrest of W. S. Taylor, former governor of Kentucky, was the first official notice that an indictment had been returned naming Taylor as an accessory to the murder of William Goebel. The indictment was filed and entered on record April 19.

The bench warrant commands the sheriff or other arresting officer to arrest William S. Taylor and deliver him to the jailer of Franklin county.

On the back of the indictment about 50 persons are named as witnesses for the commonwealth. The bench warrant was placed in the hands of Deputy Sheriff John Suter, who is acting in the absence of the sheriff, who is at Hot Springs.

When asked what he would do with the warrant he said: "What can I do with it? I would serve it if I could, and I could do it if Governor Mount of Indiana would help me, but from all reports I guess he will not do it."

Women's Press Union in Session.

DETROIT, June 1.—A gavel of ivory and ebony was presented to the Women's International Press union, the gift of Mrs. J. R. McNeil of Denver. Mrs. Edward Roby of Chicago discussed the question of comparative mightiness of the pen and the sword. In the afternoon Mrs. Helen M. Winslow, editor of The Club Woman, spoke of the "Joys and Trials of an Editor." "Hints to Reporters" was tersely handled from a woman's standpoint in a paper read at the evening session by Mrs. Cynthia Westover Alden of New York.

Stetson, for many years president of the Des Moines college, has resigned his chair and will in all probability step out into the world of politics, becoming a candidate before the Republican state convention for nomination as secretary of state.

FIGHTING THE RATE LAW.

Union Pacific Makes Answer to the Suit of the Nebraska Attorney General.

LINCOLN, June 1.—An answer was filed in the supreme court yesterday by the attorneys for the Union Pacific railroad in connection with the suit brought by the state against the company some months ago, in which something less than \$500,000 is demanded as a penalty for alleged violations of the maximum freight law passed by the Nebraska legislature in 1893. The answer is one to the original petition filed by Attorney General Smyth in the case. It is very lengthy and contains various and numerous defenses.

In one section the company set up that in this matter the state supreme court has not original jurisdiction, as the suit is practically a criminal one. The railroad company further avers that the company is one organized under the laws of the state of Utah and is therefore not amenable to Nebraska law in this matter.

Building and Loan Hearing.

DES MOINES, June 1.—There will be a general building and loan hearing before the state executive council in the near future. The matter was discussed at an informal session of the council yesterday and it was decided to give the building and loan interests an audience next Tuesday and Wednesday if Attorney General Remley is able to be present at that time. The object of the hearing is to give the associations affected by the new law a uniform idea of the changes which must be made in their articles after the new law goes into effect in July.

Granger Divorce Suit.

DES MOINES, June 1.—The Granger divorce suit is at an end. Without hearing the arguments, Judge Bishop yesterday refused to grant H. T. Granger a divorce on the ground that he was entirely to blame in the domestic troubles prior to the date of the reconciliation. After that date the court is inclined to believe that both were in error, but says that if Granger had not lost his love and affection for his wife prior to that time the later troubles would not have followed. The Grangers are very prominent and the suit has been a sensation.

Keane to Succeed Hennessy.

DUBUQUE, June 1.—A letter received yesterday by a local priest from a Rome correspondent says that Archbishop Keane, late rector of the Catholic university at Washington, has been appointed to succeed the late John Hennessy as archbishop of Dubuque. The papal bull, creating Keane archbishop of Dubuque, has been sent him for acceptance or rejection.

NOT YET IN PRETORIA.

Capital of the Transvaal Has Not Surrendered.

BRITISH ARE IN JOHANNESBURG.

Lord Roberts Enters the City and Raises the Union Jack Over Its Government Buildings—Hot Fighting Precedes Its Capture—Ruddle's Losses.

LONDON, June 1.—The following dispatch from Lord Roberts has been received at the war office here: "JOHANNESBURG, May 31.—Her majesty's forces are now in possession of Johannesburg and the British flag floats over the government buildings."

LONDON, June 1.—Belated messages from Pretoria confirm the reports of the departure of President Kruger, with his cabinet and staff officials, Tuesday night, and the selection of a committee of citizens of America to administer the city provisionally. Since this telegram left on Wednesday, nothing apparently has reached Lord Roberts by telegraph from Pretoria. Possibly the Boer censorship at some intermediate point intercepts telegrams.

Although the war office has not received a word about it, no one in London harbors the idea that the Boer capital is not already in the hands of the British or about to be there. The possession of Johannesburg, at all events, as Lord Roberts has telegraphed, is a fact. State's Attorney Smuts did not depart with President Kruger, but remained in Pretoria. The present seat of the Boer government, according to a dispatch from Lorenzo Marquez, dated yesterday, is Middleburg, but it will probably be shifted further east. The Boers lately confronting Lord Roberts appear to have gone eastward also, toward the Lydenburg region.

The defenders of Laing's nek when their position becomes too perilous will probably trek straight northward toward Lydenburg. When this concentration takes place there will be possibly 20,000 men who may hold out for a time, with scattered bands of guerrillas elsewhere.

The press dispatches from the headquarters of Lord Roberts give no estimate as to the number of Boers who were fighting General French and General Ian Hamilton Monday and Tuesday, but they all agree that the Boers retired and that the British casualties were slight.

A correspondent telegraphing from Germiston, says: "I learn the Boers are massing six miles out of Pretoria for a new and desperate stand with a front of 12 miles."

Other rumors in the camp of Lord Roberts are that President Kruger is still at Lydenburg and that the ammunition of the Boers is running short.

The Times says: "Any further resistance the Boers may offer will be futile. The collapse of the Transvaal as a militant state may be regarded as complete. Threats of obstinate guerrilla warfare need not be taken more seriously than the exploded menace of resistance at Johannesburg and Pretoria. The formal annexation of the Transvaal will speedily follow. The war is rapidly approaching its close."

Five thousand fresh troops will embark within the next few days.

Some Lively Fighting.

LONDON, June 1.—The war office has received from Lord Roberts a dispatch dated Germiston, May 30, saying: "The brunt of the fighting yesterday fell upon Ian Hamilton's column. I have sent him, as already mentioned, to work around to the west of Johannesburg, in support of French's cavalry, which was directed to go north near the road leading to Pretoria. I have not heard from French yet, but Hamilton, in a report which has just reached me, states that about 1 o'clock in the afternoon he found his way blocked by the enemy, strongly posted on some kopjes and ranges three miles south of the Rand. They had two heavy guns and several field guns and pom-poms. Hamilton forthwith attacked. The right was led by the Gordons, who, after capturing one extremity of the ridge, wheeled around and worked along it until after dark, clearing it of the enemy, who fought most obstinately. The One Hundred and Fourth led on the other flank and would not be denied. The chief share in the action, as in the casualties, fell to the Gordons, whose gallant advance excited the admiration of all. Hamilton is now at Florida, due west of Johannesburg, and French is a few miles further to the northeast. The Gordons, the cavalry, the mounted infantry and the Seventh division are holding the heights of the town. The Eleventh division, with batteries H and G and the heavy artillery, are south of Johannesburg."

CLAIMS MANY VICTIMS.

Dynamite Explosions Prove Fatal to Fourteen.

HORRIBLE ACCIDENT AT WHIPPLE.

Four Killed, Four Fatally Injured by Untimely Explosion of Nitro-Glycerine Charge in Ohio—Wisconsin Family Wiped Out.

MARIETTA, O., June 1.—At Whipple, just east of this city, last night, in shooting a well on the Kelly farm, there was a premature explosion of 50 quarts of glycerine. Four persons were killed and four fatally wounded, while three others are crippled for life. The killed are: WILLIAM W. WATSON, H. E. ZELTON, FRANK SPEERS, THOMAS DANIELS. Fatally wounded: JAMES P. SPEERS, HERMAN SPEERS, DAWSON STELLAR, WILLIAM CARPENTER. Seriously injured: John Stellar, Walter Daniels and Henry Stellar.

Everybody on the grounds was either killed or injured. The explosion occurred just before the men were getting ready to close up for the day. The drilling had been completed ready for the final shooting. The well was being shot by the Humes Torpedo company, which had lowered 50 quarts of nitro-glycerine into the drilling. When the "go-devil" was sent down it did not go off as expected and then what is known as a "jack quib" composed of heavy iron and dynamite with a protected fuse, was dropped into the well. It was expected that when they came together there would be the usual blast that would shoot the well, but it seems the "jack quib" exploded first and the crowd rushed to see the shooting of the gusher and when they reached the derrick the first charge put down went off with terrific force, wrecking everything and blowing the men in every direction. The remains of those killed had to be picked up in pieces. All the victims are residents of this county, well-to-do and prominent citizens.

Wisconsin Family Wiped Out.

BRILLION, Wis., June 1.—Six persons were killed by an explosion of dynamite in the home of William Broehm at Forest Junction, about eight miles from Brillion yesterday. The dead are: MR. AND MRS. WILLIAM BROEHM. THREE CHILDREN OF MR. AND MRS. BROEHM, aged from 2 to 7 years. H. SKYVENS, a brother of Mrs. Broehm. The cause of the explosion is not known. The supposition is that about 12 pounds of the deadly explosive was put in a stove and became overheated and exploded. No one was left to tell how the accident occurred, as every occupant of the house was killed. The explosion occurred in the back part of the house, where the family were supposedly eating breakfast. This part of the dwelling was scattered all over the ground many yards distant and the main part of the house was badly wrecked. So great was the force of the explosion that parts of a banister were blown through three walls. The remains of the unfortunate victims were literally blown to pieces and beyond all semblance of recognition. Broehm was a well driller and was well-to-do. An inquest was held last night.

EIGHT-YEAR-OLD HERO.

Drags Brother and Sister From Burning Home and Strives to Save His Mother.

MEDIA, Pa., June 1.—Two children were dragged from a burning house on the truck farm of T. Steer Bickeloe last night by their 8-year-old brother, who, driven out by the flames, left his mother and a baby to perish. His mother, carrying the baby and a lamp, fell on a stairway, the lamp setting fire to the house. The carpets, saturated with oil from the lamp, burned fiercely, and the boy, realizing that the house was doomed, dragged out a brother and a sister, who were intent on rushing through the fire to their mother. Then he returned for his mother, whose arms clasped the baby. But her weight was too great for his little arms, and as the flames were closing in on him he gave a last despairing look at the doomed woman and fled, heart-broken, to a place of safety.

Another Fatality at St. Louis.

ST. LOUIS, June 1.—Albert Koenig, a union man, emptied the contents of a shotgun into the body of Police Officer Crane and was himself instantly killed by a bullet from the revolver of Officer Maher on Broadway near the Southern Electric power house late last night. It seems that Koenig was walking back and forth in front of the power house with a shotgun on his shoulder, declaring that he was a union man and defying the Transit company and its non-union employees.

Monument Unveiled at Fort Dodge.

FORT DODGE, Ia., May 31.—Decorative day in Fort Dodge was made memorable by a celebration such as the city never has witnessed. Aside from the regular program of the day the unveiling of a handsome monument, dedicated to the unknown dead of the civil war, was the principal feature.

ONLY CONFEDERATE FLAG.

Sons of Veterans at Louisville Object to Stars and Stripes.

LOUISVILLE, June 1.—By a vote of 101 to 68 the Sons of Confederate Veterans yesterday refused to lay on the table a motion offered by W. H. McLaws, division commander of Georgia, that only the confederate flag be carried at the head of the Sons of Veterans.

A number of delegates made speeches and it became apparent that an unexpected issue had come before the delegates. Several delegates strongly urged that the Sons of Veterans carry both the United States and confederate flags in the parade. The part the south played in the Spanish-American war and President McKinley's recent action in wearing a confederate button and suggesting that the United States government treat the confederate just as it treats the Union soldiers were urged as reasons why the United States flag should be carried by the Sons of Veterans. After a number of speeches had been heard there were rejoinders. The discussion was growing wider and more interesting when it was cut off by the motion to table Mr. McLaws' motion.

All the speakers said no veteran's son was today disloyal to the United States flag, but they regarded the confederate flag as the emblem of their organization and thought it should lead their parade for that reason. As the discussion had prolonged considerably the session adjournment was taken until today, when the question is expected to come up for final action.

Captain McGowan Found Guilty.

WASHINGTON, June 1.—The naval court martial which has been trying Captain McGowan on charges of scandalous conduct and neglect of duty in connection with the killing by him of a Filipino, while in command of the *Monadnock*, in the Philippines, yesterday submitted its conclusions to the secretary of the navy for consideration. The court found the captain guilty of the charges and specifications, and sentenced him to be suspended from duty on half pay for two years and to be reprimanded by the secretary. There was, however, a unanimous recommendation for clemency which will be taken into consideration by Secretary Long.

New Pest in Wheat Fields.

KANSAS CITY, June 1.—A new pest has made its appearance in the wheat fields in portions of Missouri, Kansas and Oklahoma. It is the green louse, or aphid, that usually gathers on the tender shoots and buds of roses. Professor Hunter, head of the department of entomology in the Kansas state university at Lawrence, to whom specimens of the louse have been sent, is quoted as saying: "The insects are plant lice and nothing practical can be done to eradicate them. I do not think they will do a great amount of harm, as the wheat has good enough stand to resist the pest."

Apportion U. P. Hospital Fund.

OMAHA, June 1.—On Monday next employees and ex-employees of the Union Pacific will begin receiving their vouchers in the distribution of the old Union Pacific hospital fund. Altogether there is to be distributed \$50,036.04. It goes out in amounts ranging from \$15 down to 2 cents.

BLENCOE, Ia., May 31.—This section was visited yesterday by the worst electrical storm known in years. Dr. C. H. Wheeler's barn was struck by lightning and burned, together with considerable hay and grain. The Congregational church was also struck, the bolt shattering the belfry and otherwise wrecking the west end of the building.

Sick Girl's Fatal Walk.

ST. LOUIS, May 30.—Delirious with fever, 24-year-old Jennie Mulloy walked in the burning sun along the railroad track from Burbank, S. D., to Sioux City Sunday. It is expected by Gifford that the trains will be running over the new road between Des Moines and Nevada by Sept. 1.

ALMOST MOBBED AT SALIX.

Station Agent Curses American and Crowd Is Furious.

ST. LOUIS, Mo., May 31.—Station Agent C. E. Schmidt of the Sioux City and Pacific road narrowly escaped mobbing at Salix, this county, yesterday by stepping in front of the Memorial day parade and shouting, "To h—l with America." The crowd pursued him some distance before giving up the chase.

Later he concluded to give himself up. He was taken to the postoffice and there he made a public apology and begged forgiveness of the people. There was some talk of tar and feathers, but the cooler heads prevailed and the apology was accepted.

Gomez Back in Cuba.

SANTIAGO, Cuba, June 1.—General Gomez arrived yesterday from Santo Domingo and spent the day with the political leaders of the black party, who are jubilant over his return. He positively declined to be interviewed, would not talk on Cuban or Dominican politics and was altogether in a bad humor. The papers favoring the black party declare that the return of Gomez means the failure of the conspiracy of the Americans, Spaniards and English to annex Cuba. General Gomez left for Havana.

Prohibition in Manitoba.

WINNIPEG, June 1.—The government will introduce the prohibition bill today. It prohibits the sale of liquors of all kinds by retailers and provides a fine of \$200 and not exceeding \$1,000 for the first offense and three months' imprisonment without the option of fine for the second offense. Fischer, Wolmarans and Wessels, in Faneuil hall last night. The hall was crowded and when the Boer deputations entered the hall they were greeted with enthusiasm. Thomas Wentworth Higginson was chairman of the evening.
