

THE COLLEGE IS NEXT

Holds Its Commencement During the Next Week.

BIG CLASS GRADUATES.

Program of Commencement of Denison College.—Many Interesting Features.

The college commencement will be the prominent feature of next week and many events of interest will take place which should be well attended. The college commencements are growing more interesting each year and are attracting large numbers of alumni and other visitors.

On Sunday evening Rev. Wm. Clyde of Dunlap will deliver the baccalaureate sermon at the Presbyterian church. Rev. Clyde is the mayor of Dunlap, being one of the few clergymen to hold such a position. This sermon should be full of interest.

Monday evening will be occupied by a concert given by the musical department. This promises to be very fine and a treat for Denison's music lovers. It will take place at the college chapel.

One of the most interesting features of the college week will be the contest between the Atheneum and Zonian societies for the Masters' cup. This is the supreme literary event of the college year and will be both interesting and exciting. It will take place on Tuesday evening at 8 o'clock.

On Wednesday, Chancellor McClain, of the State University, author of some of the best legal works in Iowa, will deliver the address at the opera house. We know Prof. McClain to be one of the most able men in Iowa and our people should welcome this opportunity to hear him.

The commencement proper takes place on Thursday and the complete program will be given in our next issue. Let us show our patriotism for this great Denison institution by large attendance at all the different gatherings of commencement week.

Graduation to-night.

Friday Club picnic this afternoon.

Judge J. P. Conner is in Des Moines today.

Dr. W. B. Evans of Arion made us a pleasant call today.

Mrs. J. N. Bradley left last night for a visit to Minneapolis.

Mr. and Mrs. T. P. Black, of Dow City, were in town this afternoon.

Messrs. Robert Bell and A. H. Rudd, of Dow City, are Denison visitors today.

The Penelope club meets with Mrs. Eugene Gulick next Tuesday afternoon.

Little Ione Martin spent her fifth birthday day and a pleasant party for her playmates.

Mrs. Frank Pfarr and baby Bertha, leave tonight for a summer's visit in New Hampshire.

Mrs. J. E. Drybread and children left yesterday for a brief visit with relatives at Nevada, Iowa.

Our readers can not help but notice the half page advertisement of A. S. Levitt, to be found on another page.

The Christian Endeavor society of the Presbyterian church cleared about \$75 as the proceeds of Log Rolling Day.

E. E. Springer and Theo. Kuehl, of Charter Oak, were in attendance yesterday and assisted the Denison band.

Chas. and Geo. Eggermeyer, of Carroll, very materially assisted the Denison band in furnishing music at the log roll.

The Wygant stock was sold to-day at public auction for \$800. The stock invoiced at \$2700. W. A. McHenry was the purchaser.

Mr. Guy Martin, of Spencer, Iowa, is in the city spending a few days with his wife who is visiting her parents, Mr. and Mrs. I. Austin.

Mr. Julius Balle and Dr. C. S. Leach have returned from a pleasant visit to Iowa City where they attended the University commencement and visited old friends.

Augustus Van Wyck was made a delegate-at-large to the democratic national convention from New York, but his name was hissed by the delegates to the state convention.

Just as we expected the Bulletin found time to call names, but no time to answer legitimate questions. One might as well try to argue with a sewer as with Bro. Caswell.

Miss Ada Sewell has returned from Lincoln, Nebraska, where she has been studying music, to be present at the graduation of her sister, Allie, from the High school tonight.

Oregon, 6,000 republican. This is the first test vote taken in any state this year and shows that the people of the western slope are in favor of continuing General Prosperity in office.

Miss Abbie McHenry is expecting a visit the first of the week from Mr. and Mrs. Fred Chaffee-Nash, of Pasadena, California. Miss McHenry will receive in their honor on Monday evening.

CHILDREN'S DAY.

The children's day services will be held at the Presbyterian church on Sabbath morning at 10 o'clock. An interesting program of music, recitations, and class exercises has been prepared. All are cordially welcomed.

A BUSINESS CHANGE.

An important business change was effected yesterday afternoon when Kelly brothers transferred their large stock of shoes to Winnike & Guthrie, a firm composed of two of Carroll's best young men. Only last week the Kelly brothers decided to close their Carroll branch and to devote their time to a retail and wholesale business in which they are engaged in Denison. This contemplation of the sale or closing out of the Carroll stock is of very recent origin, and it was not long after this determination became known that the above sale was under way. Messrs. Kelly have been doing a good business all the time and there was no reason on this score why they should leave Carroll.—Carroll Herald.

HAPPY NUPTIALS.

SIEVERS—LUNEY—On Tuesday, June 5, at the residence of the bride's father, Mr. Will H. Sievers and Miss Ida B. Luney, Rev. A. G. Martyn, of the Presbyterian church, officiating. The ceremony was performed in the presence of the immediate relatives of the families, and was an impressive one. The bride was charmingly attired in a gown of white silk trimmed with chiffon. She is the daughter of Mr. Sam'l Luney and has grown to womanhood in our midst, and is loved by all, being an earnest worker in all social and church affairs, and will make an ideal helpmate to the husband of her choice. The groom, Mr. Will H. Sievers, is the second son of Mrs. Claus Sievers, and is an exemplary young man. He is the junior partner in the firm of C. Sievers & Sons, success crowning his every effort, and has a bright future.

After the ceremony the happy couple took the train for Denver where they will visit a couple of weeks and then return to Denison, their future home, where the husband has a beautiful home prepared for his bride. From a very wide circle of friends comes an expression of congratulation. As they enter so auspiciously upon the voyage of matrimony, the REVIEW but voices the sentiment of all in wishing that the future may realize their highest ideals of life in unalloyed happiness and true success.

BUSINESS MEN'S MEETING.

Important Meeting at City Hall To-Morrow Night. A Big Attendance is Desired.

The committee appointed to plan for the organization of a Business Men's Association has authorized the REVIEW to announce that there will be a meeting at the Mayor's office at 8 o'clock tomorrow evening. Organization and other matters of supreme importance to Denison will be considered. It is the duty of every business man to attend.

EXCURSION.

The Northwestern Line will run an Excursion to Sioux City next Sunday.

The first excursion over the C. & N. W. to Sioux City will be run next Sunday, at which time a special train will leave Denison at 7:04. The rate has been reduced to \$1.50 for the round trip. Below we give the other towns in the county from which the train will run together with the rates.

Leave West Side, 6:41 a. m., rate, \$1.50; Vail, 6:50, \$1.50; Denison, 7:04; \$1.50; Deloit, 7:16, \$1.50; Boyer, 7:28, \$1.50; Weed, 7:40, \$1.50.

The return train will leave Sioux City at 7:15.

The Penelope Club will meet next Tuesday after noon at 2:30 at the home of Mrs. E. Gulick.

Some of the prettiest posters ever printed in Denison are out announcing the Society Contest for the Masters' Cup on June 12th. The posters are the work of Mr. Runkle of the REVIEW office.

Miss Bertha Knaut is rejoicing in the possession of a brand new Smith-Premier typewriter which she says "Is just a beauty." We have heard the same remark applied to Judge Conner's typewriter before.

Sam S. Smyth, editor of the Sovereign Visitor and Tidings at Omaha, was in attendance at the log roll. While here he expressed himself as well pleased at the manner in which the Denison camp entertained the visitors.

The baccalaureate sermon for the Denison college graduates will be given at the Presbyterian church on Sabbath evening at 8 o'clock by Rev. J. P. Clyde of Dunlap. It is a union service and all are invited to be present.

On Wednesday, June 6th, occurred the marriage of Mr. Fred Lenz, of Paradise township, and Miss Anna Otto, of Goodrich township. These young people are well and favorably known and have a host of friends, who wish them much happiness.

William Watson, at one time connected with the REVIEW force, who is now serving in the Philippines, is reported to have been seriously ill for the past six months with Malarial fever. His friends near Vail expect him home as soon as he is able to travel. We hope for his complete recovery.

THE REVIEW EXPANDS

Purchases Plant and Subscription of Denison Journal.

HAVE TAKEN POSSESSION

Review Fulfills Journal's Unexpired Subscriptions.—Review Will Occupy Journal Office at Present.

The REVIEW has purchased the entire plant, good will and subscription list of the Denison Journal. Possession was given this noon and this issue of the REVIEW was printed on its new press. For some time the REVIEW has been planning to spend a large amount on new machinery and instead it has purchased the Journal plant, which is almost new and is in prime condition. It is the purpose of the REVIEW to sell or trade the duplicate machinery retaining the best in both offices and adding such material as will give it the most complete and finest equipped office in western Iowa. The publication of the Journal ceases with this week and the REVIEW will fulfill all advance paid subscriptions to the Journal on a pro rata basis, sending the big twice-a-week paper for the same length of time that the cash paid the Journal would pay the REVIEW subscription. Where a subscriber has been taking both papers he will be credited on the REVIEW to the extent of his payment. The next few weeks we shall be very busy getting the offices straightened out and in running order but as soon as this is accomplished we promise our readers the best and neatest paper ever printed in western Iowa. We understand that Mr. Cook expects to re-enter journalism in another city and we wish him success in his venture. We believe that the business men of Denison will be glad to see the discontinuance of a third paper no matter by whom published.

It is the liberal response of our subscribers during this year which has placed the REVIEW in a position to be able to make this purchase and we thank them for it. The REVIEW has been as lenient as possible with those subscribers whom it was obliged to take off its list on account of non-payment, but hereafter we shall be obliged in order to meet the cash payments to Mr. Cook to insist upon immediate settlement of all accounts, both subscription and advertising. The REVIEW now finds itself with a circulation of two thousand, the largest of any county paper in western Iowa. As an advertising medium it will be by far the best in the county and merchants can obtain the best results by using its columns.

Both the REVIEW and Journal possessed fine job work plants and the union of the best material in the two offices will make the plant unexcelled.

In taking this step the editors have fully appreciated its extent and gravity. It fully commits them to a newspaper life and anchors them in Denison for many years to come. They are glad to be "anchored" however in such a town and among such friends. The purchase also commits them to a policy of rigid economy to the end that all indebtedness incurred may be paid as quickly as possible. The task before them is a serious one and they could not undertake it did they not feel sure of the help and support of the hundreds of loyal friends of the REVIEW.

Now, rally to the support of the Great and Only. Make it your paper. Its columns are open to anything you have to say of public interest. Help us and we will help you. And now with best wishes to our readers, old and new, the old REVIEW steps into a still wider usefulness.

Messrs. Stegeman and Getty, of Washington township, were in Denison this afternoon. Mr. Getty informs us that he has sold his farm and will remove to South Dakota in the spring. He is one of the prosperous fore-handed farmers of the county, a splendid man in every way, and we shall be sorry indeed to see him leave.

Those of our citizens who were in attendance at the concert last year given by the Canadian singers will be pleased at the reappearance of this famous company at the Denison opera house, June 15. Let there be a good attendance, the entertainment is given under the auspices of the Y. P. S. C. E. of the Presbyterian church.

Mr. P. D. McMahon, of Charter Oak was in town yesterday and called to have his paper changed to Ennis Ireland for which place he and his sister will soon sail for from New York and we wish them a pleasant and safe voyage. Mr. McMahon has promised, should he find time, to tell the Review readers of his travels, a fact which will be hailed with delight.

The funeral of Rev. Wm. Wright was held on Wednesday afternoon. A large number of friends were present at the Episcopal church which his efforts and zeal so largely contributed in erecting. A number of his former parishioners from Vail and West Side were in attendance and every person present felt that they had lost a good and faithful friend and advisor. The services were conducted by Rev. J. W. Talbot, of Mapleton, and Rev. Allan Judd, of Des Moines. A large concourse followed the remains to Oakland cemetery, where, surrounded by loving friends, that was mortal of this kindly patriarch of Christianity was laid to rest.

Cool Shoes.

Hot weather makes you think of how warm your feet get. Keep them cool and be healthy. We have an elegant line of *high and low cut Tan Shoes*, they are much cooler than black. Why? Because the color does not attract the sun like black. Then too, there is no oil used in the tannage of light colors as there is in black. Stand in the sun some day and see the oil come out of your black shoes. Remember it is as important to have the Shoes properly fitted as it is to buy Cool Shoes. If we fit your feet they will be cool and comfortable. At
