Crawford County State Bank,
DENISON, IOWA.

The Best Security for Depositors. Farm Loans at Five Per Cent Interest.

This Bank is incorporated under the laws of the State of Iowa. This gives the best security to all depositors, not only to the amount of stock, but the personal property of each shareholder is held to the amount of his share for any loss to the bank. Incorporated banks are under the control of the State Auditor, who can at any time examine the business, and according to his investigation the published statements are made. Depositors in an incorporated bank have more security than the confidence imposed in the officers. They have the best security, because the capital stock can not be used as pleasure for outside speculation and investment. The Crawford County State Bank is the best incorporated banking institution in the County. A general banking business done.

The many friends of Thos. Rae are pleased to learn that he has recovered from his sickness and expects to be able to attend the national republican convention in Philadelphia June 19.

It was read from daily papers that Billy Marr was arrested and fined for selling intoxicating liquor on Decoration Day at Blue Lake. As Wm. Marr of this place was not here at that time and had been away for a few weeks it was supposed by some that it was Wm. Marr of Arion; a few days after Mr. Marr returned to his home here and says to his friends that he can prove to any of them that he spent that day at Danbury attending races, and that it was another person by the same name. We have all heard the song entitled the "Fellow That Looks Like Me"—Mr. Marr has had this same experience with name instead of looks.
