

MR. JOHN WHITE IS DEAD

The Popular County Supervisor Died on Monday Morning.

FUNERAL WILL BE WEDNESDAY

A Pioneer Citizen, Highly Respected and Dearly Beloved Passed Away at His Home in Jackson Township.

West Side, Sept. 18, Special to Review.—A mantle of sadness was thrown over this community early Monday morning by the announcement that John White had passed away at his home in Jackson township. Since he was stricken down in Denison about a fortnight ago his many friends have been earnestly hoping that a kind providence would spare his life for future years of usefulness, but stern fate had ordained otherwise. The end came peacefully. He sunk into a deep slumber at 9.30 a. m. Sunday morning and continued in a comatose condition until the silent reaper called his spirit hence at 7.15 Monday morning. The deceased was a man of amiable disposition; he possessed all of those qualities of mind that are essential in building a strong character coupled with an unswerving adherence to the principles of honesty and integrity. These noble characteristics of the man transformed acquaintances into lasting friends. He served in the capacity of county supervisor for nearly two terms, the second term would have been ended January 1st next. He worked in his official capacity with the same zeal and earnestness that he applied to his own affairs. His death will be a loss, not only to the people of this vicinity but to the entire county. The sympathy of the entire community is extended to the bereaved wife and children. The funeral will be held in the Catholic church in Arcadia at 10.30 a. m. Wednesday. Services will be conducted by Father Schulte.

THE FIRST ANNUAL RECITAL

Given at the College Chapel on Friday Night.

A LARGE CROWD IN ATTENDANCE

The New Instructors in Music and Oratory Given a Royal Reception. The Program Proves a Little Too Lengthy.

On Friday evening the College Chapel and adjoining rooms were crowded to their fullest capacity with our citizens to listen to the first annual recital given by the departments of Music and Oratory of Denison Normal and Business College. The recital was under the immediate direction of Mr. M. C. Hover, principal of the music department; Miss Myrta E. Clammer, assistant; Miss Grace G. Webster, principal oratorical department, assisted by advanced students.

The first number on the program was a string quartette assisted by piano, the performers being Messrs. Sibbert, Prof. Hover, Chamberlin and Hover and Mrs. John Sievers. The selection was one of Mozart's and was rendered with merited ability, the harmony produced by the different instruments being very pleasing. Mr. Hover is one of the best musicians Denison College has ever had, both in execution and as a teacher. At the recital however he was suffering a great deal from nervousness, and was unable to render his selection, much to the regret of those present.

Miss Grace Gertrude Webster captured the audience in rendering "Traver's First Hunt." Miss Webster is very pleasing as a reader, has a captivating manner and will prove a valuable addition to the school. She received numerous encores. Owing to the fact that the audience called for her so many times her voice was somewhat strained.

The vocal selection of Miss Myrta Clammer was hardly up to the standard, her voice needs more culture, and a little more face expression would make a better impression. Her instrumental selection was well received.

Mrs. B. J. Sibbert is a favorite with Denison audiences, and her solo, "Hosanna," with quartet accompaniment was rendered in an appreciative manner. A quartette composed of the Misses Hover, Raine, Kelly and Clammer was the last number on the program. The College management is much elated at the attendance, and promises another recital by pupils in about a month.

DIED.

ROBBINS—On Friday, Sept. 14, 1900, at her home in Duderville, Missouri, Sarah Amanda Hunt-Robbins, aged 49 years.

On Saturday morning Mr. N. L. Hunt received a telegram announcing the death of his sister, Sarah Amanda Hunt-Robbins, at Duderville, Mo., the cause of her death being consumption. Mrs. Robbins was born in Harrison county, Iowa, Oct. 21, 1851. On Sept. 21, 1870, she was married to Mr. Lafayette Robbins at Deloit, Iowa. After a residence of some time in Iowa, Mr. and Mrs. Robbins moved to Missouri. The deceased was the mother of six children, five boys and one girl. She leaves to mourn her loss a husband, four boys, her mother, Mrs. M. Hunt, of Deloit, one sister and three brothers. It was only last fall and winter that Mrs. Robbins had paid a visit to her old Crawford county home, and she returned south in the best of spirits, but the dread disease, consumption, could not be stayed, and she passed away surrounded by a loving husband and kind and obedient children. The Review has been a constant visitor to the Robbins home for years, and it was through the paper that we feel intimately acquainted and it is with sadness indeed that we chronicle this worthy lady's death.

WE ALL MAKE MISTAKES.
The Bulletin is anxious to twit the big Review because of an error in its write-up of a political meeting in Kiron. The friends of George Cornwall will be surprised to learn from the Bulletin that he was in Denison Sunday and returned to Chicago with his little daughter. As George is a confirmed bachelor there seems to be ample grounds for a libel suit in the Bulletin's item.

Mr. Eugene Mueller left on Monday to resume his studies at the State University at Iowa City. He will probably win some prizes again this year. Crawford now has a delegation of ten at Iowa City.

Mrs. Carl F. Kuehne returned last Sunday from a summer's visit with her sister, Mrs. Bartholomew in Chicago. Denison friends have sadly missed Mrs. Kuehne and are glad indeed to have her in Denison once more.

Mr. J. H. Gable has just returned from a family re-union held at New Sharon. He says he had one of the best times of his life. No member of all their large family was missing. One sister whom he had not seen for seventeen years was present. Such reunions are certainly bright spots in life's pathway.

Mrs. Wm. Raine spent Sunday with her daughter at Dunlap.

Mrs. C. J. Kemming is visiting her mother in Chariton, Iowa.

The Coterie club meets next Thursday with Mrs. Hugo Gebert.

Fred Brandenburg, of Manilla, was in Denison on business yesterday.

Mrs. W. T. Wright and baby are visiting a few days with friends at Ute.

Henry Stuck, of Vail, was in Denison on business between trains Monday.

Dr. L. M. Coon and wife came up from Arion last evening to attend the theatre.

H. G. Iseninger of near Buck Grove, was in Denison Saturday transacting business.

Trinity Guild will meet with Mrs. W. T. Wright on Thursday afternoon of this week.

Mrs. Eugene Gulick returned on Saturday evening from a short visit with her sister, Mrs. Shaw, in Des Moines.

We regret to state that Mrs. John T. Carey is still so ill as to be confined to her bed. She has had a prolonged sickness.

The gun club management is busy getting everything in shape for the big tournament which will be held tomorrow and next day.

Mr. A. C. Balle returned on Friday from his trip to the Pacific coast and other western points of interest. He reports a very pleasant visit.

"The Boys", Denison's popular merchants, have a new half page ad. in this issue. Our readers will do well to carefully read this announcement.

The frosty weather of Monday morning was the cause of many stoves being put up, and the hardware dealers began displaying their stock of stoves.

Mr. and Mrs. H. V. Failor and daughter Edith left on Tuesday afternoon for Lincoln, Neb., where they will make their home while Mr. Failor studies law.

Miss Abbie McHenry leaves to-day to enter the Nebraska University at Lincoln. She will room with her friend, Miss Jessie Morgan, who will also be a student there.

Freeman Knowles, at one time a citizen of West Side, but of late of South Dakota, where he has been very popular in populist circles, has come over to the republican party.

Col. Eibeck, of Des Moines, and Robert Dale, candidate on the democratic ticket for congress in the Tenth district, are both billed for a speech in Denison on Tuesday evening, Sept. 25.

Gov. L. M. Shaw devotes this week to the campaign in Nebraska and next week he will be in Indiana. He is in great demand all over the country and is accounted one of the strongest of republican speakers.

We received a very pleasant call from Mr. Frank W. Cornwall, of Chicago, on Monday morning. Mr. Cornwall came out after his little daughter who had been visiting at his sister's, Mrs. D. L. Boynton.

The Klinker furniture store has been greatly improved by changing the entrance way over to the corner, giving him a large show window. A large addition has also been added to the rear. Mr. Klinker now has room in which he can display his goods to good advantage.

Again we desire to call attention to those contemplating having public sales to the fact that this office is thoroughly equipped in every way to get out the best sale bills of any office in the county. Bills printed in any size and at prices which are reasonable. Give us a call.

Mr. Fred Wahl arrived in Denison on Saturday evening from Arizona. His friends hardly knew him as the same man who left here a year ago in search of health. He is looking well and says Arizona climate agrees with him. He will return in about a week.

The Northwestern excursion train to Sioux City on Sunday last was attended by a large crowd. There were 250 people aboard when it reached Sioux City. The train ran up the Boyer Valley to Boyer then down through Schleswig to Mondamin and over the Sioux City and Pacific to Sioux City.

On last Thursday evening the beautiful home of Mr. and Mrs. Austin Whipkey was the scene of a merry party given in honor of Mr. George Morris, who left yesterday for Des Moines where he will enter college. The evening was pleasantly spent in social conversation, music and games. The hostess was assisted by the Misses Bryan and Owens in serving delicious refreshments. At a late hour all returned to their homes, having had a most enjoyable time.

REV. HARRIS GOES TO BOONE.

Rev. E. M. Holmes, Ex-Presiding Elder Will Have Denison Charge.

Not until this afternoon was it learned definitely that Rev. J. B. Harris would not return to Denison and that Rev. E. M. Holmes would be the pastor here. The Boone appointment is in the nature of a promotion for Rev. Harris. The salary is \$300 per year higher and the church is one of the best in the conference. Many Denison friends hoped that Mr. Harris would remain here but all are glad of his promotion and the honor shown him in appointing him to one of the best places in the conference. The Methodist people are at the same time delighted at the appointment of Rev. E. M. Holmes to Denison. He is known as one of the most scholarly and still one of the most practical and hard-headed men in the conference. He is a Doctor of Divinity has been president of Simpson College and until this year has been presiding elder of the Boone district. He is a man of family, having a wife and five children, whom we welcome to the hospital heart of our Denison people. Under the circumstances the matter of the appointment here is a matter of congratulation for all concerned. We shall hate to lose Rev. J. B. Harris and his estimable family, who have for so many years been identified with the Denison church, but we rejoice in the promotion which has been so worthily bestowed. Rev. Harris will return from Boone tonight and will preach his farewell sermon next Sunday.

FRANK E. LONG CO.

This show opened up a week's engagement in the opera house last evening to a crowded house. The entire company is composed of ladies and gentlemen, all well up in their profession, and the performance was considered one of the best given in our city in a long time. The only thing to mar the evening's pleasure was the presentation (?) of "Finnegan's Ball," which was without merit. From beginning to end there was nothing but a jumbling of very poor Irish dialect and people were utterly disgusted.

The county convention of Greene county will be held to-morrow. Judge Conner has many friends in that county who are working earnestly in his behalf. The ties between Greene and Crawford are strong indeed, they have continually supported each others interests and we trust that this year will prove no exception.

Before leaving Denison Mr. and Mrs. H. V. Failor tendered a reception at the Gillmor home to the teachers of Denison. All were present and they had a most enjoyable evening although it was tinged with the regret that Mr. and Mrs. Failor were about to sever the old home ties and would probably never again call Denison their home. The Review joins with the teachers in wishing them good luck and God's blessing in their new home.

Mr. W. A. McHenry and family have returned from their summer outing at Lake Okoboji. They report having had a splendid time. Ed Blackman, who was with them, developed into an expert fisherman and had an 8 1/2 pounds pickerel to his credit. Mr. McHenry is more than pleased with the showing made by his fine cattle at Des Moines and Minneapolis. He says everyone expressed their indignation over the dastardly act by which his prize cow was mutilated and that when she was decorated with the blue ribbon at Des Moines the crowd broke out with loud applause. He is confident of winning many prizes at Springfield and St. Louis.

The Des Moines Capital criticises the Governor because he does not express of hand opinions in the board of control controversy. The Governor as an officer has no business expressing opinions until charges are brought before him in proper and official form. Should he do so he would place himself much in the position of a judge who should render verdict before the trial of a case. We know of no man in Iowa who is more unfair, more narrow-minded, more despicable in his political dealings, more treacherous to political friends, more mercenary in his political tendencies, or more monumental in his gall than the editor of the Capital, the hero of Philadelphia.

CARD OF THANKS. We desire through the columns of the Review to thank those who were so kind and helpful to us during the illness and death of our son Frankie.

Mr. and Mrs. C. Keller.

John White was born in Kingston, Canada, Oct. 12, 1846, and moved with his parents when quite young to Titusville, Pa. After a short residence here the family moved to Scott county, Ia., where his father and mother died, leaving him an orphan at about 10 years of age. After the death of his parents his uncle Patrick Norton and wife opened their home to him and gave him a place among their own children. In 1868 he was married to Miss Mary King and in 1875 he removed to Crawford county and purchased the land upon which he built his home and where he has ever since resided. The subject of this sketch is the father of nine children all of whom are living; their names are William, John, Hettie, Frank, Maggie, Edward, Ellen, Gertrude and Raymond. KILLED BY AN ENGINE.

Rhineholdt Patholke is Run Over at West Side Saturday.

Special to Review.—Rhineholdt Patholke died at West Side this morning from the effects of an accident which occurred on Saturday evening. The young man was driving in a farm wagon, going to his home in West Side on Saturday evening when before he was aware a fast east bound freight was almost upon him at the railway crossing on Main street. Had he not been bewildered by the swiftly approaching danger it is thought that he might have escaped by jumping from the wagon. He had no whip but urged the horses to try to get out of the path of the iron monster. In a moment it was upon him and with a crash the wagon was dashed to splinters and his mangled body was thrown some distance from the track. Help was almost instantly at hand but death was inevitable from the nature of his injuries and it came as a relief from his agony. He died at the home of his parents in West Side at 2 o'clock this morning. The funeral services will be held on Thursday. The young man's parents are nearly overcome by the grief of this terrible accident and his untimely death.

Frank Pfarr and brother Jacob, of Tipton, expect to leave in a few days on a prospecting trip through Nebraska and Kansas.

Mrs. Dr. Carr and Mrs. Bigelow, of Dow City, were shopping in Denison yesterday and visiting their friend, Mrs. I. A. Underhill.

Doubtless the Bulletin readers will be informed next Thursday of the terrible accident which took place at West Side last Saturday. The Bulletin is a trifle slow but it aims to give all the news it sees in the Review.
