

## NOTICE, WHERE TO VOTE

### DENISON.

First Ward, Wilson House.  
2nd Ward, G. M. McAhren's  
Bus Barn, Office.  
3rd Ward, Mayor's Office.

The Bulletin has not said anything about interest rates. We wonder why not.

Eight per cent and money the hardest to get in 1896. Five per cent and money easy in 1900. That's the difference. We want no change.

The United States has the largest gold reserve of any country on earth. The amount is 450 millions. Under democracy the gold reserve was "nit."

"I do not need the money, just so long as you pay the interest, you may keep the principal." Loan broker in 1900. Did you hear anything like this in 1896.

The balance of trade in favor of the United States was 5 times greater during the past three years, than in all the 108 years of our prior history. For further information see Bryan's prophecy.

The Phonographic World of New York city publishes in its current issue a handsome portrait of Miss Bernice Osborne and speaks highly of her efficiency as a stenographer. Miss Osborne is a fine stenographer and a credit to the work of Denison college.

Judge Conner ought to receive every vote in Crawford county. After the spectacle which his opponent made of himself on the streets of Denison there is no good reason why any self-respecting man should vote for him. Vote for Conner. Support your home candidate.

## OUR WAY OF SELLING DRYGOODS

is not to let them linger too long. If a loss must be taken there is no hesitation. We make it a point to carry fresh stocks and we sell QUALITY.

SOLE AGENTS FOR  
STANDARD PATTERNS

Hon. Thos. Rae of Dow City was a Denison caller on Tuesday.

Miss Agnes King went to Omaha today for a brief stay

Mr. J. L. Giblin, Vail's popular restaurateur, was a Denison visitor yesterday.

Mrs. F. W. Meyers returned from a two weeks' visit in Sioux City on Wednesday night.

S. G. Wright was in Denison the first of the week from Omaha, looking after business matters.

Gov. L. M. Shaw and wife are expected to arrive in Denison Sunday to remain until after election.

Mr. W. S. Johnson, route agent of the American Express, made us a pleasant though businesslike call today.

Judge Conner and Hon. P. E. C. Lally left for Jefferson this afternoon where they will speak this evening.

On account of the heavy rains the joint debates to have been held at Aspinwall and in Jackson township were called off by the beebaters.

Mr. F. W. Meyers spoke on Thursday evening at the Wilt school house in Otter Creek township. There was a goodly number of German republicans present.

Mrs. J. B. Dunbar leaves next week for the east where she will remain all winter. In the spring she expects to return and make her home here among her old friends.

A party given at the home of Mr. and Mrs. Fred Marshall north of town on Tuesday evening in honor of Miss Elsie Plimpton was a very pleasant affair, notwithstanding the bad weather.

Mr. John Chriss was again called from South Dakota on account of the illness of his baby Eddie, who lies at the very point of death. Little Eddie has suffered four weeks with indigestion, and his death is hourly expected.

### WARNING TO SHOOTERS.

On Sunday or Monday of this week some hunters who were shooting in Fred Marshall's pasture, shot a valuable horse belonging to Henry Eggers, killing the animal. Mr. Eggers had only recently refused \$75 for the horse and the loss is a severe one. Only a year ago Mr. Marshall lost a valuable cow in the same manner, and he says this wholesale killing must stop. There is a law and heavy penalty attached against shooting on property other than your own, and Mr. Marshall says the next hunter caught upon his premises will be prosecuted to the full extent of the law.

### ELECTION SUPPER.

The ladies of the Methodist church will serve a supper at the city hall on the evening of election. The chicken pie is warranted to be strictly non-partisan. Middle of the road coffee will be served. Although the pickles will have a Bryanite flavor the payments will be required on a strict gold standard although the price will be so reasonable that everyone can afford a full dinner pail. The supper will be first class and everyone is invited.

### BAPTIST NOTES.

The Junior Union gave a very excellent program on last Sabbath evening. Each number was well rendered and showed the careful training the children had received. After the program an offering was taken for the purpose of getting funds with which to purchase song books, and the Juniors were greatly pleased to receive so liberal an offering.

Sabbath morning the pastor gave a very interesting review of the Baptist state convention held at Muscatine, which meeting he attended.

The bible study class met Monday evening to continue its work on the wise men of the Old Testament

The Ladies Aid Society met at the home of Mrs. M. A. Jones on last Wednesday afternoon.

### DENISON BANK DEPOSITS.

An Easy Lesson In Prosperity. Sixty-five per cent Owned by Farmers. The following is the statement of bank deposits in two Denison Banks and we are informed that about 65 per cent of this money belongs to farmers, 1896, \$333,157.47; 1897, \$470,802.40; 1898, \$309,924.47; 1899, \$17,000.00; 1900, 717,000.00.

In 1899 the Denison deposits were abnormally large as more than \$50,000 was on deposit by the railroad contractors. Also in 1899 one of the banks established a bank at Schleswig and about \$50,000 of its deposits have been withdrawn and changed to that bank.

### A VOTER'S LETTER.

OTTER CREEK, IA., Oct. 29, 1900.  
Editors Review:—

If space is allowed, a voter would like to say a few words. The republican candidates this fall are all good, competent men, and if elected will attend to the duties of the offices—especially the candidate for auditor, Mr. N. L. Hunt. Mr. Hunt's record as a county officer in past years stands without a blot and cannot be excelled, and we harbor the same opinion on its repetition should the voters place him there. We doubt if a better gentleman in the county could be found than Mr. Hunt, and just as much deserving. His republican as well as democratic friends in this township will support him royally at the polls on election day, and they together with his many supporters will, we hope, place him in the auditor's office for the coming term. Respectfully,  
A VOTER.

### DENISON COLLEGE NOTES.

The Misses Marshall have returned to school again. We are glad to say that their mother is recovering.

The recital Monday evening was said to be the best we have ever had.

Miss Albright has entered the Normal department.

A number of high school students visited with us Thursday and Friday. Our football team was not in sight when the score was counted Saturday. Perhaps Prof. Bagge proved an unlucky star for them, or maybe the other team was heavier.

The College Star has just been issued from the Review office. It is the finest college paper we see and does us credit, as well as the printers.

Prof. and Mrs. VanNess entertained the teachers and students with stereopticon views, popcorn and taffy hallo'een. It was an enjoyable occasion.

This is the last week of regular work this term and the students are busy preparing for examinations.

Mr. J. H. Norris has entered the shorthand department.

### CHEAPER THAN SILVER.

The free silver dollar would be worth about 53 cents but Bryan's prophecies looks like 30 cents Mexican.

### FROM EDUCATIONAL CENTERS.

The poll of Yale University shows 1418 for McKinley and 156 for Bryan. In Iowa University the vote stood McKinley 593, Bryan 122. The bright young men are with the party of prosperity not the party of adversity.

### PROSPERITY ITEMS.

In 1896 the total bank deposits of this country were \$2,874,000,000. In 1900 they were \$4,608,000,000. In 1896 the average amount of deposit was \$520. In 1900 it was \$602. In 1896 there were 5,545,000 depositors, in 1900 there were 7,655,000. More than two million more people had bank accounts and the average deposit \$602. Does this look as if the poor were growing poorer?

### A HAPPY WEDDING.

The marriage of Mr. J. P. Hughes and Miss Katie Owens took place at St. Rose, of Lima church Wednesday morning, Oct. 24, 1900, at 9 o'clock. Rev. Father Farrelly officiating.

At the appointed time the bridal party took their places before the altar to the strains of "Ivanhoe March" rendered by the Misses Genevieve and Margaret Lally—first violin and second organ. The ceremony was the regular church ceremony and was performed in the presence of the relatives and a number of friends of the contracting parties. Miss Agnes Owens, sister of the bride, acted as bridesmaid and Robert Dauman was groomsmen.

The bride was dressed in a beautiful cream colored, plain silk trimmed with lace and pearl trimmings. In the afternoon the immediate friends and bridal couple re-assembled at the home of the bride's parents, Mr. and Mrs. Jas. Owens, and there did ample justice to a most elegant wedding dinner.

The bride is a charming young lady, who possesses many personal qualities that will tend to make her future bright and happy. The groom is a bright, industrious and energetic young man, who holds a good position in Omaha.

Mr. and Mrs. Hughes were the recipients of many beautiful presents, which bespoke of the high esteem in which they are held. The happy couple took the evening train for Omaha at which place they will make their home.

### DEATH OF MRS. DENAHY.

Mrs. Elizabeth Foley Denahy died at her home in this city on the afternoon of Wednesday, Oct. 31st. Mrs. Denahy was seventy-five years of age, having been born in County Wexford, Ireland, in 1845. She came to this country in 1845 and in 1849 was married to Mr. John Denahy who survives her. For a long time they were residents of Lyons, Iowa, and in 1886 they moved to Denison, where they have since resided. Mrs. Denahy was the mother of eight children, three of whom, Thomas, Lizzie and Annie, are deceased. The surviving children are Edward W. of Chicago, Mrs. Jos. Hederman of this city, John F. and Miss Stacia of this city also, and Sister Mary of St. Oswald, who is a nun in the House of the Good Shepherd in St. Louis. The funeral services took place on Thursday afternoon at St. Rose of Lima church, Rev. Father M. J. Farrelly officiating. Although the notice was but brief many of the old friends of the family were present to show their respect and affection for one whose life had assuredly been one of usefulness and good. We sincerely sympathize with the afflicted loved ones and especially with Miss Stacia Denahy, who has cared for her mother with such loving kindness during the years of her declining health. Now that the mother is gone it will be a great consolation to them that although all could not be with her each one did everything possible to make her life happier and to give her the consolation of knowing that her children had all become respected and useful men and women.

The Penelope club, in spite of the bad weather, had a large and cheerful meeting at the home of Mrs. Ley. The next meeting will be held at Mrs. W. J. McAhren's.

### CARD OF THANKS.

We wish to take this means of expressing our sincere and heartfelt thanks to the good people of Denison, our friends and neighbors, for the many acts of kindness and sympathy by which they endeavored to lighten the burden of our grief in the death of our beloved wife and mother.
