ST FIRST SIGN NOTE.

Quest China to Affix Signatures at Once.

DECISION OF THE MINISTERS

Ministers Think They See Plan on Part of Chinese to Pursue Dilatory Tactics.—Li Hung Chang Anxious to Make Peace.—Von Waldersee Reported Dead.

Peking, Jan. 4.—At a meeting of the foreign ministers yesterday it was announced that Li Hung Chang and Prince Ching were prepared to sign an agreement as soon as it is ready for signature. Li Hung Chang desires to conduct peace negotiations to a conclusion if the physicians attending him think he might be taken to the Spanghaletten, where the conferences have been held, if the weather is favorable. It seems to be the opinion of some of the ministers that the acceptance of the terms of the note by the Chinese is not explicit enough. The Chinese desire for consultation regarding the closing of forts and the legation guards open to misinterpretation, and liable to lead to long arguments, which might, in the opinion of some ministers, mean the sparring for time on the part of the Chinese. Consequently, the Chinese plenipotentiaries will be notified that they must sign the note before the meeting between them and the foreign envoys can be held. The Germans are reported to be returning to San Ho with a number of prisoners.

Von Waldersee Reported Dead.

Paris, Jan. 4.—La Journal reports the death of Count von Waldersee, the hero of the allied troops, the circumstances not being related. It is said a rumor is current in Berlin, where it is not confirmed.

ROOT IS THE SOLE OBJECT.

American Commander Refuses to Co-operate With the Germans.

New York, Jan. 4.—A dispatch to the Herald from Peking says: "The punitive expeditions of the powers have to have been simply looting parties. Lieutenant Colonel Wint of the 4th cavalry met the Germans at Lung Him, where the latter had taxed the villagers 4,000 taels (\$2,700), and hauled loads of furs as punishment for the alleged murder of imaginary Christians. He had expressed orders to a General Chaffee to co-operate with the Germans, but withdrew. The chief motive and object of the German plan is reducing the province to a wasteland and in destroying the last vestiges of Chinese authority is apparent, but why the American forces should be ordered to assist in the work is not clear."

MEET DEATH IN A MINE.

Men Killed and Two Others Fatally Injured by Black Damp.

Wilkesbarre, Pa., Jan. 4.—An accident occurred at the Pine Ridge colliery, which resulted in the death of two men and the fatal injury of two others. The mine, owing to a cave-in, had not been in operation for some time past and considerable gas had accumulated in the workings. D. J. Williams, the superintendent of the mine; William Morgau, the assistant superintendent, and William Kelly and Martin Fortune, fire bosses, were in the mine for the purpose of setting a plan to drive an air way. They did not return to the surface at the usual time and a searching party went after them. They came across the dead bodies of Superintendent Williams and Fire Boss Morgan. After another rescuing party went down the slope and found Kelly and Fortune. They were unconscious and were brought out by physicians who were waiting said they could not recover.

Alaskan Steamer Wrecked.

Nome, Wash., Jan. 4.—The mail steamer Guy, plying on Lynn canal, was wrecked while en route from Igloo to Haines Mission. The steamer Mabel found the Guy ashore on the rocks on the west side of the channel. She was breaking up as the result of hard pounding. It is believed that the crew and passengers, consisting of engineer, purser and cook, attempted to make their way to Haines in a small boat. As they did not arrive there, it is certain that they were wrecked. A bad storm was raging at the time.

WEST SIDE TO GET A BOOM

Main Material Yards To Be Located There.

MEANS MUCH ADDED BUSINESS.

Decision to Locate Yards at Denison Changed and West Side Gets The Plum Means Steady Employment to A Large Number of Men

The thriving little town of West Side will see such times this year as it has not experienced before for more than a decade. It has been decided that the main material yard for second track construction between Carroll and Denison, is to be located there, and this means the handling of hundreds of cars of material, the use of nearly sixty acres of land, and the employment of from fifty to sixty yard hands throughout the summer. It also means that this will be the head-quarters for train crews and work gangs. It is not to be denied that Denison hoped to secure the location of these yards, but for some reason best known to themselves, the officials decided to place the yards at West Side. We congratulate our neighboring city, and assure it that it means great business activity during the summer, and possibly an increase in the police force. The work of double tracking is to be rapidly pushed. Denison as the terminus of this section of double track, will of course receive considerable benefit from the number of laboring men employed. A large amount of material will be sent here, it will be small however, compared to the benefit derived by West Side.

THE RETIRING OFFICERS.

Men Who Will Retire From County Office Next Week.

Unless the intricacies of the Titus amendment should change the present outlook, Auditor John T. Carey, Clerk Emil Kruger, Supervisors Langley and Holland, and Coroner M. N. Smith will retire to private life with the first week in January. Their places will be taken by M. J. Collins, Frank Paul, H. C. Schraeder, Chas. Moulter, and H. H. Klinker. With the exception of the Coroner, all the retiring officers have served with credit to themselves and to the county. Mr. John T. Carey is one of the best known and most popular men in Crawford county today. His name has always been synonymous with honesty, large heartedness, and fair dealing. Although a democrat, Mr. Carey has never been an intense partisan and he numbers hundreds of friends in the republican ranks. Mr. Carey's first connection with public office began in May, 1890, when he was deputy treasurer under Mr. George Richardson; he held this position during Mr. Richardson's term and for one year under Treasurer Lorenzen, resigning his position to enter the Auditor's office to which he had been elected. For six years he has filled this position to the satisfaction of all. While the REVIEW has opposed him politically, it has ever felt nothing but the warmest personal friendship for him, and we are glad to state that he is to remain in Denison and join the ranks of our business men, although his plans for the future are not yet settled.

Mr. Emil Kruger is another who has made an enviable record, not only during his term of office, but in his life as a good and helpful citizen of the county. Mr. Kruger is a prime favorite with all who know him and many will regret to see him leave the court house. Mr. Kruger is also a democrat of the liberal, broadminded type; while always a partisan, he has never allowed himself to become narrow in his views and he, too, has hosts of republican friends, among whom the REVIEW is glad to be numbered as one. Mr. Kruger has already accepted a position with the branch of the Crawford County State Bank established at Schleswig, and we are sure that he will prove a most popular and successful man in his new home; we will also miss Mrs. Kruger from the deputy's desk over which she has presided with so much courtesy and ability.

Mr. Langley has made an efficient and careful supervisor and his many friends regret the action of the democratic machine in turning him down after but one term of service.

Mr. Holland has served but a short time on the board, but has proved himself to be a capable man and we doubt not that the people will hear from him again. Of the incoming officers we shall speak in our next issue unless, as now appears to be the case, the old officers shall hold until a decision is given as to the Titus amendment.

Mrs. W. C. Gilbertson and son, of Carroll, were Sunday guests at the home of Mr. and Mrs. J. P. Conner.

HAPPY WEDDING BELLS

NUMEROUS NEW YEAR'S NUPTIALS

Wedding bells have been mingling their glad tones with the New Year chimes this week, and three young and popular couples are beginning the new century together:

The first wedding of the week was at the home of Mr. and Mrs. J. G. Wygant on Monday at high noon, at which time occurred the marriage of their daughter Edith to Mr. Gaylord Weeks, Rev. Allen Judd performed the ceremony in the presence of about sixty relatives and friends. The pleasant home looked lovely in holiday dress of potted plants, Christmas greens, holly and mistletoe. Miss Abbie McHenry played Mendelssohn's wedding march as the bridal party took their places beneath a true lovers knot of white satin ribbon, suspended from which was a large spray of mistletoe. The entire bay window was a bower of green and white.

The bridal party consisted of the bridesmaid, Miss Minnie Balle gowned in white Swiss and carrying a bouquet of red and white carnations, and Mr. Howard Wygant. Next came the groom with his best man, Mr. Tripp and last the bride on the arm of her father, Mr. J. G. Wygant. The brides gown was of white Point de Sprey over white satin, made en traine, she carried white carnations and looked very sweet in her girlish beauty.

After congratulations had been extended the wedding breakfast was served. Pink carnations adorned the table and pink candles burned under pink shades. In a room adjoining the parlor, the numerous and elegant gifts received by this highly favored couple were displayed.

Mr. and Mrs. Weeks left at two o'clock for their future home in Iowa City amid a shower of rice, old shoes and hearty good wishes from all.

The bride is a charming and much beloved young lady. She has blossomed into womanhood in our little city, and all are her friends and well wishers. Coming as she does from a home of refinement and intelligence she possesses at once both the graces and enduring qualities of true womanhood. We sincerely congratulate the groom on having won so fair a bride and at the same time we know of no young man more worthy. Mr. Weeks is one of the young men who is predestined to be successful. He is a young man of whom all Denison is proud, and his qualities of determination, industry and perseverance are such as to leave no doubt in any mind but that some day he will place himself at the head of his profession. Those who know how hard he has worked, how much self-sacrifice he has shown and how much of sacrifice has been made by his loved ones for him, cannot fail to be interested in his career and to wish him the best that life affords. Mr. Weeks now holds a lucrative position in the Civil Engineering department of the State University at Iowa City and is at the same time gaining a knowledge of his chosen profession which will enable him to be secure of employment for life.

A quiet, but none the less happy wedding, took place on Monday evening at 6:30 at the home of Mr. and Mrs. H. Menagh. The contracting parties being their daughter, Miss Sarah Menagh, and Mr. J. P. Chesney, of DeWitt, Nebr. Dr. E. M. Holmes officiated at the simple, but impressive ceremony, and was witnessed only by the immediate relatives. After a most bountiful wedding supper, the happy couple took the Colorado special for Omaha, where they will remain for a few days before proceeding to their new home in DeWitt. The new made bride is one of Denison's handsome and capable daughters. She has shown more than ordinary ability by successfully conducting a business of her own for more than six years, and at the same time she has lost none of those womanly graces which go toward the making of a happy home. Mr. Chesney is one of the prominent business men of DeWitt; for a number of years he was the postmaster of that place, and he now has a large business in real estate and insurance lines. The best wishes of many friends and relatives go with this newly wedded pair and all join in the hope theirs may be the happiest of happy homes.

On Saturday, Dec. 29th, occurred the wedding of Mr. G. W. Lamb of Indianapolis, Indiana, and Miss Mabel Dewey, of West Side. Justice E. Gulick of this city officiating. The wedding was a quiet one only the brother and the sister of the bride being present as witnesses. The bride is

one of the well known young ladies of West Side and her many friends will unite in wishing her every happiness.

The marriage of Miss Alys Jenkins daughter of Mrs. Maria Jenkins of El Reno, Oklahoma, to Mr. Scott Roup, son of Mrs. Dr. Roup, of Blue Springs, Neb., occurred at Vail, Jan. 1, 1901. The ceremony was performed in the parlor of the Priest's residence, Rev. Father Murphy officiating, Miss Kate Conner acting as bridesmaid and Mr. Wm. Maguire best man. Miss Jenkins wore a gown of white organdie en traine with touches of cloth of gold on the bodice. Immediately after the ceremony the party repaired to the home of the bride's sister, Mrs. T. T. Ratchford where a bountiful dinner was served. Only a few of the many friends of the family were in attendance. The bride is well and favorably known here, being a leading trimmer for the past six years for some of the largest millinery firms in the United States.

The groom is a business man of Blue Springs and a fine appearing gentleman. He was a member of J. Bryan's regiment at Tampa, Florida, and made a good record.

They left for the eastern part of Iowa Tuesday where they will visit relatives. They will be at home in Blue Springs after February 1st. Their many friends wish them many happy and prosperous years of married life.

The out of town guests were: Dr. Roup, father of groom; G. P. Jenkins and wife, of Glidden, Iowa; M. C. Vey and Miss Horan, of Odebolt, Iowa; F. L. Maguire and wife, of Sibley, Iowa; James Luney, of Denison, and T. J. McAlpin, of Chicago. The couple were the recipients of many beautiful presents in silver, gold and linen.

Two Delightful Parties.

The home of Mr. and Mrs. Ph. A. Schlumberger was the scene of two delightful social events on Wednesday. In the afternoon, Miss Anna Schlumberger was at home to about thirty-five of her girl friends. Anna is an exceptionally bright girl, and is a prime favorite with all her young companions. The party was a source of pure delight to all the young folk present. After several hours of play, an elegant two course luncheon was served. Grace Schlumberger, Hedwig Broderen and Birdie Berg acting as charming waitresses. The out of town guests were Miss Belle Bartholomew, of Chicago, and Miss Jessie Fisher.

In the evening, Mr. and Mrs. Ph. A. Schlumberger entertained complimentary to Mr. William Bertelson. More than a score of young people responded to the invitation, glad to do honor to their friend and former college mate. One of the delightful features of the evening was the guessing game consisting of puzzles taken from the daily press. Miss Webster receiving the prize as the most proficient guesser. Delicious refreshments were served and it was mid-night before the jolly party dispersed.

Mindful of the recent Cudahy affair someone had with kind thoughtfulness placed a huge sign in the yard. "Look out for Kidnappers." So far as we have been able to learn, all the young ladies returned to their homes in safety, although some malicious youngster reports that some of them had a tight squeeze.

THE COURTS MUST DECIDE

Supervisor Langley To Remain Until Ruling is Had.

HINGES ON TITUS AMENDMENT

Sioux County Courts Have Decided for Old Officers. A case will go to Supreme Court for Final Hearing in January.

Supervisor Langley was in the city on Tuesday and he informs us that he will not quit his office as county supervisor until the question of the validity and construction of the Titus amendment is settled. The only recognition of this case taken by the courts up to this time has been in Sioux county where the lower court held that the amendment was operative and that the clause relative to tenure of office should be literally interpreted. This was a victory for the hold-overs and it is thought that many county officers throughout the state will stand on their rights at least until the matter can be brought before the supreme court. While Mr. Langley said nothing of the kind, it is well understood that his friends feel that he was not fairly treated by the democrats of the county and especially by the democrats of Denison who were, it is stated, under many obligations to Mr. Langley. Mr. Langley's record as a supervisor has been, especially from a democratic standpoint, without a flaw and it was a matter of custom and usage that he should receive a second nomination. Mr. Langley's friends assert that the opposition to him in his own township did not have its origin there but was fostered and brought to a head by outside democratic bosses. At the same time Mr. Fienhold of Paradise was brought into the field only to be thrown over when Morgan township presented a candidate. The fact that Mr. Langley will be the only official to contest the matter will doubtless be used against him. It should be borne in mind, however, that Mr. Kruger is under contract with other parties for his services, that Mr. Carey has had six years as auditor and that Mr. Holland is an officer by appointment. Later we learn that Mr. Holland will stand upon his rights and the probabilities are that Mr. Carey will also.

Fred, the son of Chris. Brandenburg was in Denison yesterday to have a difficult operation performed on his leg. The operation was performed at the home of Mr. Gus Retman and was eminently successful.

On Friday before Christmas each student was presented by the school management with a photo button showing our two buildings, from which was suspended a red ribbon with the words "There is no better school."
