Mr. Theo. Kuhl and family are now residing in the residence opposite E. Gullick's, recently occupied by Dr. L. L. Bond.

A number of our prominent German farmers have recently imported a fine French Percheron stallion. The animal is a beauty and cost \$2,000.

Mr. and Mrs. Seigfried Christiansen returned to their home in Montana on Tuesday evening, after a visit with Denison friends and relatives.

A series of special revival meetings are being held at the German Methodist church. The meetings are well attended and are attracting much interest.

Mr. and Mrs. Guy Martin returned this morning to their home in Spencer, Iowa. They were called here by the death of Mrs. Martin's sister, Miss Ethel Austin.

A special meeting of the Woman's Foreign Missionary society of the M. E. church will be held at the parsonage Saturday evening at half past seven o'clock. Miss Allen, a returned missionary from China, will be present and give a short talk. A very cordial invitation is extended to all the ladies church and congregation to be present.

Rev. J. M. Linn of Charter Oak, formerly president of Buena Vista college, preached to large congregations at the Presbyterian church last Sunday. He exchanged pulpits with the pastor.

Der Demokrat states that a recent letter received from Mr. Henry Jepsen of Montana states all is well with the Crawford county people in his locality, and that the winter has been an exceedingly mild one for that state.

The Brown Art Co. has just closed a contract with a big St. Louis cigar house which calls for not less than 3,000 of their fine medallion portraits. At this rate the Brown Art Co. will soon be one of Denison's biggest institutions.

Rev. Martyn has been on the sick list this week with la grippe. Rev. Mr. Sweeney of Omaha will preach for him next Sabbath both morning and evening. The interchange of pulpit work is pleasant to neighboring pastors.

Mr. A. H. Brown has just secured the services of Mr. J. Hudson as operator and chemist for his art gallery. Mr. Hudson has been for the past two years with Reinhardt, the leading photographer of Omaha, and he has worked in some of the leading galleries of Chicago.

Mrs. J. Fred Meyers is planning to go to Hot Springs Arkansas, during the coming week. Mrs. Meyers has been a severe sufferer for the past year and it is greatly hoped that the baths and change of climate will benefit her. Miss Meyers will remain with her and Mr. F. W. Meyers will accompany them to aid in the trip and get them comfortably settled.

For some days Denison was threatened with having a livery barn built just opposite the Baptist church, Mr. A. J. Gary having secured an option on the lots for that purpose. The trouble was happily averted, however, by a trade between Messrs. Hill and Gary, by which Mr. Hill becomes the owner of Mr. Gary's property in east Denison in exchange for property in Stuart, Iowa. Mr. Gary goes to the latter place to establish a livery.

Mr. and Mrs. B. J. Sibbert contemplate a trip to Germany this summer, starting about May 1st. Mr. Sibbert will visit his old home near Hamburg and will have the pleasure of having his parents meet the lovely and accomplished wife he has won in America. His people in the Fatherland may well be proud of "Barney" and the success he has made and the happy family of which he is the head.

We were in Manila this week and were surprised to hear people talking of the smallpox raging in Denison. There has not been a single case of the kind in Denison. Miss Kelly living south of the city had a slight attack of something the physicians feared might be smallpox and the horse was quarantined. Although sufficient time has elapsed there has been no sign of infection and Miss Kelly is nearly well.

The shooting tournament drew a large number of good shots from all over the state who came here to get a part of the money and to have a good time. The Denison boys put up good clean sport and did some excellent shooting. Some of the crack shots from abroad did not cover themselves with glory. A fist fight and a number of drunks were among the casualties. We are in favor of the gun club, it affords fine sport and out door exercise for those who would not get it otherwise but we are doubtful if the tournaments are a good thing.

Born, on Thursday, January 31, to Mr. and Mrs. Elmer Cruzan, a son, Dr. W. T. Wright being the attending physician, this was the first call to which he has been able to respond since his accident.

Mr. N. W. Nash was called to Skidmore, Mo. this week by the news of the death of his uncle. His aunt is also very ill and is not expected to live. Not long ago the elderly couple celebrated their golden wedding.

The funeral of Mrs. M. A. Tiernan took place at St. Rose of Lima church on Thursday afternoon. A large number of friends and relatives were present from all parts of the county, and many floral remembrances beautified the church.

The funeral of Miss Ethel Austin took place on Thursday afternoon, and very many loving friends attested their respect and affection by their presence. The floral tributes were beautiful and the altar of the Methodist church was almost hidden behind banks of flowers and potted plants. The music was furnished by a quartette composed of Messdames Voss and Sibbert and Messrs. Gibson and Cassaday. Mrs. Sibbert sang as a solo the beautiful hymn, "Rest for the Weary." Dr. E. M. Holmes preached a touching sermon dwelling upon the character of the deceased and her Christian devotion and her thoughtfulness for others. Many relatives were present from different parts of the county and in spite of the cold weather a large number went with the funeral cortege to the final resting place in Oakland cemetery.

BIG CATTLE SALE.

The C. A. Saunders' Cattle Sale Will Attract Many Buyers.

The Saunders' sale of Shorthorn cattle will take place at the Greeley Stock Farm near Manilla on February 5th. Sixty-one head of registered shorthorn cattle will be sold under the hammer and this presents possibly the best opportunity of the year for the farmers of Crawford county to get fine stock for their herds at reasonable prices.

Twenty-five head of bulls are among the lot and as they are all by valuable sires they present tempting bargains to the progressive farmer. Thirty-six cows and heifers will also be offered at the sale and it may be well believed that they will find ready buyers. The Shorthorn is a valuable breed for the average farmer, as they are good both as beef producers and for milk and dairy purposes. It is to be hoped that the farmers of the county will be on hand and not allow these animals to be sold outside of the county. There has been much improvement in the herds of the county during the past few years, and the farmers who have paid out the most money for the improvement of their herds are the ones who have made the most money. Last fall in speaking of Nicholson Bros. poultry packing establishment, we mentioned the fact, that the average weight of the poultry of the county had been raised more than a pound by attention to breeding and by better care. This is the same only on a larger scale, of cattle. It costs no more to raise a good animal than a scrub, and when the start is once made for a good herd the results are more satisfactory from every standpoint. At the big Manilla sale, twelve fine horses will be offered and these too are of blooded stock and well worth the attention of the farmers. If you wish a catalogue of the sale, one will be sent you upon application to the proprietor of the herd, Mr. C. A. Saunders of Manilla. The sale will be held
