The Seniors are busy preparing orations to be delivered Wednesday evening, March 27th, in the college chapel. Everybody is invited.

Miss Webster, assisted by Mrs. J. N. Bradley and the Misses Pearl Lay and Lillian Garrison, gave a recital at Vail last Saturday evening.

Miss Ethel Tompson of Manilla, visited with Miss Snell over Friday. Miss Tompson was formerly a student here and is now teaching near Manilla.
Among those who have been called home on account of work are Messrs. Breckenridge, Behn, Wilson, Lamp, Mauritz, Calderwood and Erickson.

A joint program was given by the two societies in the chapel last Friday evening. After the exercises some time was spent in social games and songs.

Misses Lizzie and Minnie Langer were called to the deathbed of a sister in Dow City last Wednesday morning. The sympathy of all is extended to them.

The Junior class distinguished themselves in their usual pleasing manner Wednesday evening. A goodly crowd was in attendance despite the cold evening.

Miss Lizzie Langer and Mr. Theron Beers were married at the bride's home near Denison Tuesday evening. Mr. Beers was a student here last year. We extend congratulations.

The Misses Hauptman and Flint have been busy this week printing programs for the high school exercises next Friday evening. More than three hundred have been printed.

Misses Jessie and Mabel Marshall are in attendance at the wedding of their sister Hattie, to Mr. Peters. Miss Hattie was a former student here. Congratulations are extended.

Profs. Myers, Whaley, Garrett and Styles, respectfully from Vail, Dow City, Charter Oak and Onawa, attended the teachers meeting last Saturday and took dinner at the dormitory.

A recent letter informs us that Miss Sorenson and the Misses Simonson, who were with us the first part of the year, have passed successful examinations, and that the Misses Simonson have engaged schools for the spring term.

Misses Hanna, Hauptman, Paulsen and Highstreet were chapel visitors Thursday morning. Miss Hanna is a graduate of our Normal department and Miss Highstreet is visiting her brother.

J. D. Brink, a graduate of the Normal department, and who has been employed as principal of the Arion schools, has just closed a very successful term. We were much pleased to receive a call from him while he was in the city.

Mr. P. E. C. Lally gave us a pleasant talk in chapel Tuesday morning on the "Necessity of Exactness." Mr. Lally is a well informed man and realizes how important exactness is. We were all pleased with the talk, and welcome Mr. Lally at all times.

One day this week while kicking the foot ball, some sturdy fellow put too great a force in his privilege and landed the ball on top of the college. John Rock was the only one among the crowd who had the courage to climb over the top of the roof and obtain the lost treasure.

Last Saturday evening a number of students enjoyed the hospitality of Mr. and Mrs. Caswell and Miss Myrtle Scanlan, who entertained about fifty of the latter's young friends, and Tuesday evening all the teachers in the city partook of the same hospitality.

Dr. W. T. Wright is one of the best men on the council. He is conservative, out-spoken and faithful to the interests of his ward.

Messrs. Carpenter, Foderburg, Ely and Green were high school visitors last week.

Perry Marshall was a welcome visitor at the high school last Friday afternoon. For some time he has been unable to be out of doors because of serious illness. We are glad that he has fully recovered and that he will soon be able to resume his studies.

The books which were brought from the Reading Room to the high school last year, have been returned as directed by the vote of the electors. Though the number of these books was not large they were of much service to the school. It is hoped that the school may in no distant future have a library of such reference as will facilitate the supplementary reading required for progressive class work and a well graded library of good reading for the grades in addition to the present city and school library.

CHURCH NEWS.

PRESBYTERIAN.

The Sabbath services in all departments were well maintained. In the evening the church was filled by a large congregation gathered to hear the pastor's lecture on St. Patrick, the great missionary to the Celtic race. Rev. Martyn having visited Ireland some years ago was the better prepared to give a sketch of the Emerald Isle and the historic scenes connected with the advent of Christianity there. The choir rendered a well selected anthem and a member of the T. K. Male Quartette of Omaha gave a fine bass solo.

The young ladies of several of the Sabbath school classes have formed a sewing circle, meeting each week with Mrs. Barber, in preparation for the Easter bazaar. It has been well attended and much interest shown.

The recent Christian Endeavor meetings are well attended.

A committee has been appointed by the Sabbath school to arrange Easter Day exercises.

Miss Peterson of Kiron, is the latest addition to the millinery force at the J. P. Miller store.

Having a Run on Chamberlain's Cough Remedy.

Between the hours of eleven o'clock a.m. and closing time at night on Jan. 25th, 1901, A. F. Clark, druggist, Glade Springs, Va., sold twelve bottles of Chamberlain's Cough Remedy. He says, "I never handled a medicine that sold better or gave better satisfaction to my customers." This Remedy has been in general use in Virginia for many years, and the people there are well acquainted with its excellent qualities. Many of them have testified to the remarkable cures which it has effected. When you need a good, reliable medicine for a cough or cold, or attack of the grip, use Chamberlain's Cough Remedy and you are certain to be more than pleased with the quick cure which it affords. For sale by C. F. Cassaday, Broadway Pharmacy.

This evening and tomorrow evening will witness two large gatherings at the Central school house. The teachers will be the hosts and the patrons of the schools the guests of honor. These gatherings are intended to take the place of the customary school exhibition and will be far more comprehensive in their scope; for whereas, at the former exhibitions only the best work of the best pupils were shown. It is intended at this time to show some work of every pupil. This will make a very large display and will enable parents to compare the work done by their children with that done by others. We believe there will be a very large response to this kind invitation sent by the teachers of Denison. There will of course, be no admission asked and we understand that the teachers will serve light refreshments to their guests. In our opinion the school management is to be congratulated upon this idea, and we believe it will be prolific of much good.

MARRIED.

BEERS—LANGER—At the family home south of Denison, Tuesday evening, March 19, 1901, Rev. A. G. Martyn of the Presbyterian church, officiating, Mr. Theron R. Beers of Battle Creek, and Miss Lizzie Langer of Denison.

The immediate family relatives were present as witnesses of the nuptial vows and it was an impressive home wedding. A most homelike wedding supper was served. The bride by her excellence of character and lady-like demeanor has won for herself a wide circle of friends; while the groom as a student at Denison College, has gained the esteem of teachers and pupils as a choice young man. Sincere congratulations are given the wedded pair on their auspicious entrance upon the matrimonial voyage of life. Their future home will be near Battle Creek.

OXWANG-SCHWIESOW—On Wednesday March 20th, Mr. Carl Oxwang and Miss Sophia M. D. Schwiesow were married before the witnesses, William and Margaret Oxwang, Rev. F. Lothringer, officiating.

The wedding was a quiet one, only immediate relatives and friends being present. The bride is a young woman of sterling qualities. She has shown her strength of character and faithfulness during adversities and she is in every way qualified to take her place as the presiding genius of a happy home. We sincerely congratulate the fortunate groom. Mr. Oxwang is one of Denison's exemplary young men. He is unassuming quiet and unpretentious, but he is also industrious, economical and level-headed. He is a type of the many young Germans who have wrought success from a small beginning, and have become leaders in the community. We believe such will be his future and we know of no young couple more deserving of the good things of life. They have already gone to housekeeping in a cosy home which Mr. Oxwang has purchased and we but join with their many friends in wishing them continued happiness.

Mr. and Mrs. P. E. C. Lally left today for a Chicago trip.

Rev. Berner, of Arcadia, was the guest of Rev. Lothringer on yesterday.
