JOHNSONVILLE NEWS.

Died, at the home of Mr. and Mrs. E. L. Johnson on Sunday morning, at 9:30 o'clock, March 17, 1901, Mrs. Abram Anderson, at the advanced age of nearly eighty years. She had been sick for some four weeks but was not thought serious until four days before her death. The end being very quiet and with no apparent struggle. The deceased was born in Allarad, Sweden, May 8, 1821. Came to LaCrosse, Wis., when 33 years of age, and three years later she married Abram Anderson of Houston, Minn. This union being blessed with four children, three of whom survive her. Mrs. E. L. Johnson, her only daughter, and with whom she made her home since the death of her husband which occurred Dec. 10, 1893. The two surviving sons are Rev. J. E. Abramson of Bird Island, and F. O. Abramson of Houston, Minn., to the latter place her remains were sent, accompanied by F. L. Johnson and his son, Reuben. Mrs. Anderson has been a cripple for ten years and walked about with the aid of a crutch and cane, and since last January she has not been able to see, having been almost deprived of her eyesight. Yet while thus afflicted she never lost her faith in God whom she trusted and served. The funeral services were held at the residence on Monday, at 2 o'clock p. m. Rev. A. P. Hanson of the Baptist church of Kiron, officiating. Although "Grandma Abram," as she was called, will be greatly missed, she is not to be begrudged her new found rest. And may He who doeth all things well, sustain the sorrowing ones who are left to mourn her loss. They have the sympathy of the entire community.

A large number of Kiron and Johnsonville friends tendered a surprise on Miss Etta Johnson, Tuesday evening of last week. It being Miss Johnson's birthday, as a remembrance of the occasion they presented her with a very pretty gold Lozette watch chain.

A WORTHY SUCCESSOR.

"Something New Under The Sun."
All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in pasteform. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.
CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

A Printer Greatly Surprised.

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so I bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since." The Illinois Central and the Pan-American Exposition.

In none of the new industries of the last decade has there been greater progress than in the art of preparing and managing great expositions. It was, often said after the World's Fair closed its gates that this country would not see its equal in fifty years. That prediction year of 1901; for in all but the space occupied, the Pan-American Exposition at Buffalo will excel the great show of 1893. This means that more can be seen in the same length of time at the Pan-American, with less of the fatigue and weariness that was unavoidable at the World's Fair. The exhibits will be as varied, interesting and instructive as it is possible to make them; and in the matter of entertainment features, the Buffalo show will surpass all former expositions.
An artistic booklet, of sixteen pages, beautifully illustrated, and giving a concise description of what this great exposition is to be, will be mailed free on application to the undersigned.
The Illinois Central is prepared to handle a very large business to Buffalo this season, and is in a position to offer unsurpassed service to the Exposition City. The excursion rates have not been announced as yet, but so soon as they are, all those who have sent for a copy of the Exposition Booklet will be promptly notified. J. F. MERRY,
Asst. Gen. Pass. Agent,

Dubuque is planning to entertain the old soldiers royally; the Illinois Central is planning to give them the usual good treatment and service enroute, and the old soldiers themselves are planning to attend in force, and have a royal good time.
