

Two Off For Cash!

Is not a tempting—not nearly so tempting, in fact, as the temptation of some people to overlook the fact when buying lumber that there is at least 25 per cent. difference in the quality of stocks in this vicinity. We own a stock of white and yellow pine and poplar lumber and all kinds of building material that is fully one-quarter better than any other stock hereabouts. Also a good stock of soft coal and woven wire fencing.

HAPPENINGS AT BELL

This is rather tough farming weather, but we must grin and bear it.

Sid Terrill was doing dray work in Bell Friday.

Hans Neethan was a Denison caller Friday. He was accompanied by Squire Miller.

Mr. Bramley was down on the lower end of our valley Sunday.

Mr. Neethan is talking some of selling out his store business and attending principally to the butchering business.

James Sharp spent Sunday at the home of Andy Bell.

Bell Town is missing a few of her sports. We can still spare a few more.

Frank Birkhooper is busy hauling corn to Bell nowadays.

Fred Eggers was in Bell, Monday on business. He was also out west transacting business.

Mr. Miller finished corn husking, so it is rumored. We hope it is not an April Fool story.

Mr. Naethan shipped a car load of corn out of Bell Monday night.

Johnny Thompson and family, Mr. Andy Bell and wife, and Mrs. Neethan and children spent Sunday at the pleasant home of Mrs. Barney Volquardson south of Dow City.

Mr. Frank Bryan's little five-year-old daughter has been seriously ill for some time with appendicitis and it was found her life was in danger, and an operation was advised by Drs. Carr and Toon, of Dow City. Last Thursday Dr. Wright, of Carroll, performed an operation removing about a pint of puss, and in the appendix was found an orange seed which was the cause of the trouble. The little girl is getting along fine and on a fair way to complete recovery. Dr. Carr is proving himself to be a very skillful and successful surgeon.
