JOHN R. TANNER DEAD

Former Governor of Illinois Passes Away at Springfield. Dies When Apparently Well. Physicians Not Certain of the Cause of Death.

Springfield, Ills., May 24.—Former Governor John R. Tanner died suddenly yesterday afternoon.

Governor Tanner had not been feeling well for nearly two weeks. He had contracted a cold when hunting in Clay county, his old home, and from that resulted an attack of rheumatism, and it is believed that rheumatism of the heart caused his death, although Dr. J. N. Dixon, the attending physician, says he is unable to give the exact cause of death.

In the forenoon Dr. Dixon called, and stated that Mr. Tanner was better. About 2 o'clock he was seized by an attack of gasping and strangling and Dr. Dixon was immediately called, but Governor Tanner was dead when he arrived. The remains were taken an hour later to the residence of Mrs. Tanner's father, Turney English, where they will remain until the funeral.

Governor Yates has issued an order directing Adjutant General Pierce to mobilize the Fifth regiment, I. N. G., and have the regiment report in Springfield Sunday morning to participate in the funeral services.

BRESCI TAKES HIS LIFE.

Assassin of King Humbert Kills Himself in Prison.

Rome, May 24.—Bresci, the assassin of the late King Humbert, has committed suicide at the penitentiary of Santo Stefano.

The minister of the interior has instituted a searching inquiry into the circumstances of the suicide. A post mortem examination will be held and the body will then be buried on a desert island.

The warden's account is that he saw Bresci tie a towel to the bars of the grating of the cell and hang himself, Bresci being dead when the warden reached him.

Mrs. Bresci Calls It Murder.

New York, May 24.—Seen at her home in Brooklyn, Mrs. Bresci maintained that Bresci did not commit suicide. "He was murdered," said she, repeating the words again and again. "I had a letter from him one week ago," she said. "He told me of his treatment. He was kept in a cell out in the rocks, down under the water level, and they did everything to make him insane, so he would kill himself, but they would never succeed in making him do that. He may have been insane, probably he was. He was starved. He saw no one and spoke to no one. It must have been dreadful, and I do not see how he lived."

FIND BODY IN WAREHOUSE.

Boys Discover Former Saloon Keeper of Seward in Unused Beer Vault.

Seward, Neb., May 24.—A body identified as that of Philip Bick, a former saloon man of Seward, was found in an upper unused vault in the Val Blatz storage warehouse. It was discovered by some boys who were playing around the building. The body is supposed to have been there since March 18, when Bick was last seen. It was in the last stages of decomposition and identified by the clothes and letters. The deceased was 35 years old and unmarried. Suicide or heart failure from drink is thought to be the cause of death.

Chinese Indemnity Question.

Washington, May 24.—Mr. Rockhill has confirmed the news from Peking to the effect that the foreign ministers have declined to accede to the suggestion of the United States that the total of the indemnity to be collected from China shall be limited to \$200,000,000. It is expected that he will continue his efforts in the direction of keeping down the maximum of claims, even while abandoning, for the sake of harmony, the figure named, and it is believed that the outcome will be a compromise on a figure between \$200,000,000 and the maximum of \$337,000,000 claimed by the powers.

Mob Threatens to Lynch Mahey.

Wichita, Kan., May 24.—J. W. Mahey poured the contents of a double barreled shotgun into the body of Homer Keln at Augusta, O. T., yesterday without any apparent cause. Keln was fatally wounded. A mob organized to lynch Mahey, but have not yet found the officer who took him in charge.

Deaf Boy Struck by Train.

Caracas, Venezuela, May 24.—Celestino Peraza and his followers have been taken prisoners near Ciudad Bolivar.

Memorial Sunday.

Next Sunday in Memorial Sunday. Rev. E. M. Holmes will preach the sermon from the Presbyterian pulpit. The different organizations will meet at the G. A. R. hall at 10 o'clock sharp and march to the church in a body. Let everyone turn out and show their respect for the defenders of the union. The men who fell in the great civil war died for one of the noblest causes that ever appealed to any people. The preservation of the union was one of the great events of the nineteenth century. We can never appreciate half the boys in blue did for the entire world. The soldiers of that time are fast becoming old men, their steps are growing more uncertain each year, they are growing few in number. But the people of this great country will not forget what they have done. The comrade who fell in battle is not forgotten. The flag on Memorial Day will float over his ashes and fresh flowers will fall on his grave and remind the people of what he was and what he done.

As will be seen each committee is composed of good men. All of them will do their duty well. Denison will surely have the biggest celebration she has ever had: The finance committee is meeting with good success and the very latest attractions and amusements will be secured. Everybody should begin to lay plans to celebrate with us.

A meeting of all the members of committees is called to be held at the city hall next Monday evening at 8 o'clock, and all are urgently requested to be present and get the 4th of July celebration ball rolling.

We have a complete list of every voter in the county together with his postoffice address. This is a very valuable list and it cost us a large amount of money to obtain it. We cannot afford to give it away, but the charge is only nominal and any one wishing a list from which to send out circulars etc. would do well to use it. We have been requested by some to give them a list so that they might be able to reach the heads of families, even promising us an advertisement. When you go to a merchant and buy a yard of cloth he does not give you a pound of sugar in order that he may sell the cloth. Our list costs us the same as the merchants' sugar. Because we run a newspaper and solicit advertising is no reason why we should give away a piece of job work. No sir, anything we have is for sale, but we are not running a charitable institution.

WARRANT OUT FOR DOWIE.

Zionist Overseer Charged With Causing Death.

WOMAN'S BODY IS EXHUMED.

Leading Physicians Testify That Lack of Treatment Caused Death—Uprising at South Chicago—Dowie Burned in Effigy.

Chicago, May 24.—The coroner's jury which has for two days listened to the evidence in the case of Mrs. Emma Lucy Judd, wife of one of the officials of John Alexander Dowie's Zion, last night returned a verdict holding Dowie, H. W. Judd, husband of the woman, and Mrs. Sprecher and Mrs. Bratsch to await the action of the grand jury. The two women named in the verdict were in attendance upon Mrs. Judd prior to her death.

The charge against them is "criminal responsibility" for the death of Mrs. Judd. The evidence given at the inquest by some of the leading physicians of the city, who had examined Mrs. Judd's body after it had been exhumed, was to the effect that the most simple surgical case would have prevented the woman's death, which resulted from the rupture of a blood vessel. They testified that she was allowed to die when the slightest attempt to save her life would have been successful. This evidence induced the jury to declare that the people named were responsible for the woman's death. Papers were at once made out and officers sent to arrest Dowie, Judd and the two women. When the officers arrived at Zion, Dowie was not to be found. Mrs. Gratsch was arrested in the building and was promptly sent to the county jail, but H. W. Judd and Mrs. Sprecher were no more in evidence than was Dowie. It was announced by the police that the search would be kept up until the missing three people were taken into custody.

A mob of 1,000 people paraded through the streets of South Chicago last evening, carrying an effigy of Dowie, which was finally deposited in a large bonfire. About three weeks ago Mrs. Christensen, one of Dowie's followers, was burned in escaping from her blazing dwelling house. She refused the aid of physicians and died within a week. There has been much feeling against Dowie in South Chicago since the death of Mrs. Christensen.

Faith Curist's Second Child Dies.

New York, May 24.—Earl Gladstone Pierson, the 2-months-old son of J. Luther Pierson, the Mount Vernon faith curist, died yesterday at the Pierson home, Kenisco. A daughter of Pierson's died recently of pneumonia and the father is now in White Plains' jail serving out a fine of \$500 imposed for his neglect to employ a physician in the case. For ten days the second child had been without medical aid. It is said. The neighbors of Mrs. Pierson besought her to call in a physician to attend the child, who was suffering with pneumonia, but she replied that prayer was all that was necessary to restore the little one to health.

BATTLE WITH THE TRAMPS.

Citizens of Volin Fight Gang of Ho-boes Who Terrorized the Town.

Yankton, S. D., May 24.—Citizens of Volin gave battle to a crowd of tramps yesterday afternoon who have been terrorizing the town for several days. A number of citizens were hurt and several tramps badly used up. A telephone to Yankton for help brought the sheriff and a posse and the tramps were overcome and seven of them lodged in the Yankton jail.

Buildings Blown Down.

Springfield, Ills., May 24.—A terrific rain and hail storm fell in the central and southern part of this county yesterday. At Curran railway station McRoberts' general store and other buildings were demolished utterly. At the grounds of the Illinois Gun club, near the city, the targets, tents and everything in fact, except the clubhouse, where 200 people, including many women, were huddled, were blown down.

Fine Mayor for Contempt.

Zanesville, O., May 24.—Judge Frazier, of the common pleas court, yesterday assessed a fine of \$200 and costs upon Dr. J. D. Holden, mayor of Zanesville, for contempt of court. The mayor recaptured the city patrol wagon by force when the sheriff had seized it upon an execution. The chief of police and five patrolmen, who performed the act under the mayor's orders, were assessed costs in their respective cases.

Colorado Stream on a Tear.

Fort Collins, Colo., May 24.—Owing to the heavy rainfall during the past two days Cache La Poudre river is higher than for 20 years. It is reported that a dam at Chambers lake, 50 miles above Fort Collins, has broken. Hardly a bridge is left in place in Larimer county and the damage done to irrigating ditches will amount to many thousands of dollars.
