Great Wreck!

One of worst collisions that ever happened in this vicinity occurred a few days ago. The location of the two telescoped stores has been the topic of conversation for the past few days. They were traveling with such speed when the collision occurred that the store facing the east was found butting up next to the postoffice on Saturday morning, May 18th. The peculiar incident of this whole affair is that one is the finest, up-to-date drug stores in Western Iowa has been the result of what many had supposed would be a complete mess of ruins. Spectators from far and near are calling in a way that is a surprise to ourselves and paying us compliments that are highly appreciated, and beyond the limits of this space. In conclusion we wish to say that we respectfully invite all to call on us at our new quarters at Burk's old stand and inspect our store. We believe that a large share of the people of Denison and vicinity are aware of the fact that it is our intention to have a first-class drug store. Our prescription department is one of the finest in the land. It contains chemical and pharmaceutical preparations that many are surprised to see in a town no larger than this. We wish to impress upon the minds of the people that every prescription brought inside of our door will fall in the hands of competent dispensers. Together with this we carry a full and complete line of drugs and druggists sundries. Included in their various departments are Rubber Goods, Toilet Articles, Perfumes, Stationery in all the latest styles, a fine line of Tooth Brushes and face preparations. Our Leather Department is simply fine and worthy of your inspection. Our Patent Medicine line is full and complete and we have an especially large line of Paine's Celery Compound, Cramer's Kidney Cure, Swamp Root and all the standard patents. We have a nice line of books that make a fine gift at commencement time. They are neat and nobby and within the reach of all. We have at the present time about 38 brands of cigart and more on the way. It is our intention to make our store the leading place for cigars for the whole city. Come in and get what you enjoy to smoke. Remember tomorrow afternoon is our ICE CREAM OPENING. We have had long experience in tis line and are prepared to serve you strictly up-to-date.
