Whose Candidacy for Supreme Judge Was Brought to a Sudden Close by the Action of the Recent Greene County Convention. Many Friends in This County Hope he May yet Come Before the State Convention.

LOCOMOTIVE BLOWS UP.

Boiler on Engine Explodes, Killing Engineer and Fireman.

BRAKEMAN INJURED SEVERELY.

Accident Happens While Fast Freight Is a Few Miles Out of Clarks, Neb. Engine, Which Was One of the Big Ones, a Complete Wreck.

Columbus, Neb., June 14.—As a result of a boiler explosion on a Union Pacific engine yesterday morning two men are dead and a third fatally injured. The dead:

ENGINEER CHAS. FULLMER, Omaha.
FIREMAN DAVID JENKINS, Omaha.

The injured:

William Fleming, head brakeman, Omaha, severely scalded, leg broken; may recover. The engine was one of the large class, No. 1,831, drawing train No. 17, in charge of Conductor Wallace and Engineer Fullmer. When about four miles east of Clarks, the boiler exploded without a moment's warning. The engine was completely destroyed. One car was derailed and traffic delayed about four hours. Parts of the wrecked engine were found 100 yards from the track.

It is said that this is the second accident of the kind that has ever occurred in the United States. Numerous boiler explosions have occurred, but railroad men say that never but once before has the boiler of a locomotive been blown up while a train was moving along with such apparent smoothness as this one was.

WRECK ON THE ROCK ISLAND.

Way Freight Crashes Into Work Train Near Walnut, Ia.

Atlantic, Ia., June 14.—A wreck occurred on the Rock Island, a mile east of Walnut, yesterday afternoon, which blocked the road up until 9 o'clock last night. The wreck was the result of a collision between way freight No. 55 and the work train doing grading near Walnut. The work train was standing still and the local freight crashed into it while going 40 miles an hour.

Engineer T. J. McDaniel of the freight sustained bad injuries, both legs being broken. The head brakeman was also badly bruised.

Kills Son and Herself.

Montreal, June 14.—Mrs. J. J. Redpath, one of Montreal's society leaders, and her son, Clifford, are dead in their handsome residence on Sherbrooke street. About 6 o'clock the household was startled by the noise of two revolver shots from Mrs. Redpath's room. On rushing in the servants found Mrs. Redpath and her son lying on the floor, both unconscious. The inference is that while temporarily mentally deranged, Mrs. Redpath attempted to end her life and in attempting to prevent her, the son was shot.

Wabash to Enter Pittsburg.

Pittsburg, June 14.—President James Ramsay of the Wabash railway yesterday authorized the advertisement for proposals for the erection of a bridge across the Monongahela river here, and the construction of 12 miles of railroad south of Bridgeville for the Pittsburg and Carnegie railroad. The total cost will be \$3,000,000. The construction of this line means the entrance of the Wabash into Pittsburg by a connection near Steubenville, O., with the Wheeling and Lake Erie, of which Ramsay was recently made president.

His Body Is Cut to Pieces.

Dubuque, Ia., June 14.—John Brode, who was working in East Dubuque, was compelled by the heat to quit, and started for home. He tried to board a Chicago Great Western train at the mouth of the tunnel, but fell under the wheels and was dragged a considerable distance into the tunnel. When picked up his legs were cut off at the trunk, his skull crushed and his body mangled. Death had resulted almost instantly.

Prisoner Tries to Kill Judge.

Chatham, Ont., June 14.—Andrew Epperson, who had been found guilty by a jury of a charge of stabbing his paramour, Ida Allison, made an attempt to kill Judge Bell in the county court here yesterday with a razor used as an exhibit in the case. He was overpowered only after a hard fight.

Quick Settlement Likely.

Peking, June 14.—Indications point to a probable definite settlement of the indemnity question at the next meeting of the ministers, which is expected to take place Saturday. The ministers feel it is absolutely necessary that a strong effort be made to terminate the affair.

Party of Boers Captured.

London, June 13.—General Pultenay's column has captured a party of Boers, including a brother of Acting Commandant Schalkberger, on the Swaziland border.

Mrs. Pullman Wants Divorce.

Chicago, June 14.—Mrs. Lyn Pullman yesterday filed a suit in the Cook county court for a divorce from George M. Pullman on the ground of desertion.

Will the Kansas boomers please explain why that country not content with cyclones and drought has taken to suicide as an epidemic?

The Methodists and Baptists will give their annual childrens day program next Sunday evening June 16. The Presbyterian program will take place the 23rd of June.

Miss Lamp who returned to Denison to graduate with her class in the commercial course spent the week at the home of her friend Miss Margaret Lally.

We note that Mr. E. H. Swasey of Dow City was a member of the important committee on Rules at the national convention of the Modern Woodmen of America at St. Paul.

D. O. Johnson of Charter Oak and U. G. Johnson of this city took a day off yesterday and made a fishing excursion to Wall Lake. U. G. looks as if he had caught a sun bath if nothing more.

The young people of the Presbyterian church held a social at the home of Mr. McWilliams on Wednesday evening last. Games and refreshments were the features of the evening. All report a very pleasant time.

Judge J. P. Conner did not go to Waukesha as reported in the last Review and copied in the Bulletin, but returned to Denison on Tuesday evening having given up his Waukesha trip for the present.

Supt. H. V. Fallor is again in Denison after a most successful year at the State University of Nebraska. He will engage in book work for the next six months returning to complete his law work in January.

The Denison baseball team has engaged Hester, late of the Cornell College team, as pitcher during the coming summer. He is said to be a fine pitcher, and the baseball enthusiasts are congratulating themselves upon securing his services.

Mr. Fred Hall returned to Denison Wednesday to graduate with his class in the shorthand department of the Denison college. He is now employed by Tipton & Holmes of Armour, S. D. Mr. Hall is another of the efficient stenographers our business college has produced.

Mr. Rob. D. Walker is visiting a few days with his mother Mrs. Hedman of this place after his school year at Iowa City. From here he goes to Ida Grove where he has secured work for the summer. He is one of Denison's bright young men who is working his way through college.

Mr. Blaine Hunt returned home Tuesday evening from Iowa City where he has been attending the university for the past year. He will spend the summer vacation here and will resume his studies at the university next fall. Blaine is one of Denison's most promising young men.

Miss Myrta Clammer departed for her home at Indianola Wednesday morning where she will spend the summer. Miss Clammer, a graduate of Simpson college is one of the most successful instructors in music that Denison has ever had not only in the public schools but as assistant principal at the college. We are glad that she will be with us again next year.

There is a peculiar thing which we have noted about our esteemed contemporary. In the summer months when it appears but once a week it states that the weekly is far superior to the semi-weekly form and that its readers are delighted with the change. In the fall when advertising picks up, it assures us that the semi-weekly is the only thing and that the people are delighted with its enterprise in changing from the antiquated weekly form. Odd, isn't it?

Mrs. Georgia Wade McClellan returned on Saturday from the State convention of the W. R. C. and left the next day to attend the state meeting of the W. C. T. U. convention at Iowa Falls. Mrs. McClellan is president of the latter organization. Miss Georgia Workner of Davenport was elected department president of the W. R. C. for the ensuing year and Mrs. McClellan gladly relinquishes the work of secretary of the organization which she has so faithfully carried on for the past two years.

MODERN WOODMEN MARCH

Immense Procession Through Streets of St. Paul.

CAMPS OF MANY STATES IN LINE.

Parade is Reviewed by Governor Van Sant and Other Distinguished Guests. Perfect Day Lends Its Charm to the Occasion.

St. Paul, June 14.—The Modern Woodmen of America held no business session yesterday, all delegates and visiting members joining in the parade. The parade was one of the largest ever seen in this city and the day was perfect. The showy uniforms of the degree teams, the floats, the carriages and the marching men constituted a pleasing spectacle. Governor Van Sant, Mayor Smith of St. Paul, Mayor Ames of Minneapolis and other distinguished guests were with the head men of the Woodmen in the reviewing stand.

The parade was headed by Captain G. S. Holmes, chief marshal, followed by Head Consul Northcott, Major Hawes, General Mitchell and the encampment staff. Following were the uniformed foresters from Camp Northcott, under General Liggett. The camps of the different states were led by their degree teams and bands and followed by state floats. The Kansas girl band led that division. Whaleback camp of West Superior had a float of a miniature whaleback vessel. Rock Island camp represented the Woodmen head office in miniature. The Royal Neighbors, the sister society of the Woodmen, rode in carriages and on floats, robed in the colors of the order, purple and white.

CELEBRATE THEIR JUBILEE.

Christian Young Men Commemorate Birth of the Association.

Boston, June 14.—Jubilee day, as yesterday had been designated by the international jubilee convention of the Y. M. C. A., was brim full of interest and the morning session in Mechanics' hall was in a large degree picturesque and novel. After the formal addresses had been delivered by Cephas Brainard of New York, President Faunce of Brown university and Rev. Francis E. Clark, father of the Christian Endeavor movement, the presentation of foreign delegates went on again, as it will from time to time each day, the audience rising to its feet and welcoming with friendly voices and fluttering handkerchiefs each representative from foreign lands as he was presented, many of the latter wearing their native costumes.

The ceremonies attending the transfer, which took place in the coinage room, were simple but interesting. Secretary Gage and United States Treasurer Roberts and party arrived here at 1 o'clock and were welcomed by Mayor Ashbridge. Colonel Snowden presided at the exercises.

Negro Masonry Under the Ban.

Tacoma, Wash., June 14.—The grand lodge of Masons has rescinded the resolution adopted two years ago, recognizing negro Masonry. The action of the lodge at that time was severely criticized all over the United States and as a result the next session of the grand lodge attempted to return to the old established principles, but the resolution was so artfully drawn that sister lodges refused to construe it as an honest expression. The lodge has now in unmistakable language made its position known.
