After a considerable study of way and means, the Review has decided to follow the example of its esteemed contemporary and issue but once a week during July and August. This is the time of the year when the income of a newspaper is at its lowest ebb. We do not do this because the weekly is preferable to the semi-weekly, such talk is bosh and nonsense, we do it because we most in order to keep our expenses within the limit of our income. People demand cheap papers and we are unable to expend more on the Review than we take in. During July and August therefore the Review will appear but once a week, on Tuesday evening. The Bulletin will cover the field for the latter part of the week and thus Denison will still be well supplied with news.

A Home in Sorrow.

We clip the following death notice from the South McAlester (Ok.) Daily Capital. Mr and Mrs. J. B. Dawson have many friends in Crawford County, who regret to learn of the death of their son Clifton:

The home of Brother and Sister Dawson has been filled with sorrow by death. Clifton B., their 13 year old boy, who seemed to be well and cheerful Saturday morning last, was taken very suddenly ill and notwithstanding the aid of three doctors was secured, he died at 2 o'clock Sunday morning. Clifton was one of our Junior leaguers under the superintendency of Mrs. Schuller, his sister, who is one of the most efficient church workers in our town. It was a very pathetic scene when on yesterday afternoon at three o'clock the hour for the Junior league's regular meetings, quite a number of the Juniors met at the church and went in a body to the house of Clifton and with their superintendent looked upon the pale face of one of their number who just last Sunday, one week ago lead their meeting and was as cheerful as a spring bird. Clifton was consecrated to God and the church in holy baptism by his parents when he was five years old. The funeral services will be held at the house on Tuesday at 10 a. m. The pallbearers will be: Frank Humphrey, Merrill Sterrett, Howel Nelson, A. B. Wilson, Landez Munday, Charles Lindley, John Fontz, Carl Federer.

Mr. C. K. Schafer, of South Omaha, was a Denison visitor last week. He informs us that he has been transferred to the Navy Department and that on August 1st he will sail for Cavite, Philippine Islands, where he will be employed as storekeeper in the Government Naval Depot. Mr. Schafer's promotion comes strictly through his merit and not through political influence and we congratulate him sincerely and hope that he will enjoy life in our new possessions. Mr. Schafer's mother and sister will return to Denison to live after his departure for the Philippines.
