## REST ON THEIR ARMS

Liberals Still Hold Colon, but are Orderly.

### REYES OFFERED PRESIDENCY.

Ministers Visit Mexico for Conference With Colombian Delegate—Conditions on the Isthmus Too Strained to Long Exist Without Strife.

Colon, Colombia, Nov. 22.—The city of Colon was perfectly quiet all yesterday and last night. It is claimed in behalf of the liberals that there has been no unseemly behavior. Foreigners are being respected and protected and transit across the isthmus is uninterrupted.

Colonel Barrera, commander of the liberal forces, asserts that he has notified the district representative of the department of the interior and other officials of the government that he has appointed a commission to take over their offices, formally, today.

The feeling of the community cannot be regarded as antagonistic to liberalism. The existing conditions have created no panic, but it is recognized that the fact that the liberals hold Colon, while the conservatives are in possession of Panama, creates a state of affairs which cannot possibly continue.

### Reyes May Be Ruler.

Mexico City, Nov. 22.—General Pedro Ospina and General Holguin, the former minister of war of Colombia and the latter formerly finance minister, have arrived here to confer with General Reyes, a member of the pan-American congress. It is understood they will offer him the presidency of Colombia, assuring him that his taking office will bring peace to his country.

### IOWA GOVERNOR SEEKS ADVICE.

Given Permission to Enforce Quarantine Against Sac and Fox Tribe.

Washington, Nov. 22.—Governor Shaw of Iowa yesterday telegraphed to Secretary Hitchcock for some action looking to enforcing some small-pox regulation against the Sac and Fox Indians.

The governor wired: "Smallpox is raging among the Sac and Fox Indians on their reservation in Tama county, Iowa; 35 deaths. Doubt exists as to the authority of the state board of health to quarantine. Indians will neither consent to quarantine among themselves nor stay on reservation. Will you wire or direct state board health?"

Secretary Hitchcock replied: "Government will be glad to cooperate with state authorities in protecting the people against smallpox among the Indians and will also instruct the Indian agent in charge. Under the exigency shown in your telegram your state board of health and government authorities may take any necessary action."

### Abner McKinley at Brother's Tomb.

Canton, O., Nov. 22.—Abner McKinley, brother of the late president, was here yesterday. During the day he accompanied Mrs. McKinley on a short drive, which included a visit to the cemetery. Acting on the advice of her physicians, Mrs. McKinley has ceased to enter the vault, but Mr. McKinley went inside. The casket is almost entirely concealed by flowers, which are received from time to time. Mr. McKinley went to Cleveland last evening to visit his sisters, Mrs. Duncan and Helen McKinley.

### Portland Next Meeting Place.

Fort Worth, Tex., Nov. 22.—Although the final meeting of the W. C. T. U. convention was held Wednesday night and its members have been departing for their homes, the executive board remained to select the next place of meeting and transact other business. Portland, Me., was chosen for the next convention. The date will be fixed by the executive board. The board was in session all day considering routine business and appropriations to be allotted to the various divisions for expenses.

### Strikers Stand Firm.

New Haven, Nov. 22.—One hundred and twenty-five switchmen and railroad brakemen held a meeting here last night to discuss the strike situation on the New York, New Haven and Hartford railroad. After the meeting it was said that under no circumstances would the men go back to work until the railroad had acceded to their demands. In the freight yards here thousands of cars are stalled, waiting for switching crews to move them.

### Considine Goes Free.

Seattle, Wash., Nov. 22.—John W. Considine left the King county court house last evening a free man. According to the verdict of the jury he is not guilty of the murder of ex-Chief of Police William L. Meredith. The verdict was read in the court room at 5:35, exactly three hours after the time the jury were locked up for deliberation. There was no demonstration of any kind from the big audience.
