Crawford County State Bank.

DENISON, IOWA.

The Best Security for Depositors. Farm Loans at Five Per Cent Interest.

This bank is incorporated under the laws of the State of Iowa. This gives the best security to all depositors, not only to the amount of stock, but the personal property of each shareholder is held to the amount of his share for any loss to the bank. Incorporated banks are under the control of the State Auditor, who can at any time examine the business, and according to his investigation the published statements are made. Depositors in an incorporated bank have more security than the confidence imposed in the officers. They have the best security, because the capital stock can not be used at pleasure for outside speculation and investment. The Crawford County State Bank is the best incorporated banking institution in the County. A general banking business done.

STORM DOES GREAT DAMAGE.

Reports of Disaster to Property Continue to Come From Eastern Coast.
New York, Nov. 26.—Reports of the damage done by the storm continue to come in. Details from points on the Jersey coast, the southern coast of Long Island and the upper shore of Long Island sound show that the destruction was widespread and the monetary loss much heavier than at first supposed.

Long Branch reports show that hardly a building there escaped some damage. As evidence of the force of the wind, a plank about 20 feet long was torn from the roof of the Pier pavilion and blown across Ocean avenue. It struck the Lenox hotel end-on and was driven into the side of the building to a depth of four or five feet. The wreck of the tug Haddon at Long Branch is complete.

The ship, Flotbek stands almost upright in the sand. The work of unrigging her commenced yesterday. She will be unloaded as she lies. This will be comparatively easy. All that will be needed will be to back wagons up to her sides at low water and load the cargo into them. The railroads are gradually getting their tracks in working order, but at some places no trains have been run.

The wealthy New Yorkers who have summer houses on the upper shore visited them today to find wreck and ruin in all directions. The extensive lawns are piled high with sand and wreckage. Reports still come in from points in New Jersey, on Staten Island and sound, and the surrounding inland waters. It will take days to figure out the loss.

FAMILY DIES IN FLAMES.

Four Persons Fatally Burned in a Pittsburg Residence.
Pittsburg, Nov. 26.—Four persons were burned to death and two seriously injured in a fire at 4:30 a. m., which destroyed the residence of J. G. Miller, on Charles street. The names: Rose Miller, aged 23; Amelia Miller, aged 19; Amanda Miller, aged 16; Sylvia Miller, aged 9.

The fire was caused by the eldest daughter, Rose, pouring kerosene in the stove to start the fire for breakfast. The oil in the can ignited and the flames spread so quickly that Mr. Miller was forced to jump from the second story window, after rescuing his wife and two of his youngest daughters. Rose was burned almost to a crisp and died before reaching the hospital. The three others were overcome by smoke. Their bodies were found in the ruins after the fire had been extinguished. Mrs. Miller was just recovering from a severe illness and is almost distracted over the terrible affair. Fears are entertained that she will not survive the shock.

OFFICIAL BURNED IN EFFIGY.

Liberation of Negro Prisoner in Indian Territory Causes Trouble.

Guthrie, O. T., Nov. 26.—United States Commissioner Denne was burned in effigy by an assemblage of 500 people at Roff, I. T., and vicinity, and indignation is high. This action was caused by Denne's dismissal of a colored prisoner, Jeff Walker, who seriously stabbed a white man, W. L. Robertson, in Roff last Saturday. An attempt was made yesterday to lynch the negro. George White, the mob's leader, is now in jail at Ardmore for severely thrashing Denne after the latter had liberated Walker. White was immediately arrested on Denne's order and sentenced by him to three months' imprisonment and \$250 fine. A mob was formed and is now looking for Walker, whom they declare they will burn at the stake if found. Robertson will die.

HOLD BIG CONVENTION.

Californians Seek Re-Enactment of Chinese Exclusion Act.

San Francisco, Nov. 22.—A state convention, composed of 1,500 delegates from all cities of California, assembled in this city yesterday for the purpose of inaugurating a movement in favor of the re-enactment by congress of the Chinese exclusion law, which expires next May. Former Congressman T. J. Geary, the author of the present restriction act, was chosen chairman of the convention. The day was consumed in perfecting organization. The principal result of the convention will be the adoption of a memorial to congress urging the re-enactment of the present law without modification and the appointment of a delegation to do propaganda work in the west. There is some sentiment in favor of extending the restriction to the Japanese.

Philadelphia, Nov. 22.—Lawyer John L. Temple of Camden, who is on trial in this city charged with aiding and abetting counterfeiters in the making of counterfeit dollar notes while the latter were in prison, went in the witness stand yesterday and occupied most of the time of the two sessions of court. TO FIRE ON KENTUCKY MINERS.

Troops Will Get the Word Saturday if Strikers Remain in Camp.

Madisonville, Ky., Nov. 22.—Although everything has been quiet in the mining district, it looks as if there would be a serious clash between the authorities and the union miners now in camp, owing, it is said, to the latter's refusal to obey County Judge Ball's order to disperse.

President Wood of the United Mineworkers says the men will not disband.

Judge Ball says: "If the miners in camp are not dispersed by Saturday morning at daylight I shall call upon General Murray and his troops to disperse them. This is positive and final. Nothing but superior force can prevent me from accomplishing my fixed purpose to break these camps and end this lawless state of affairs in Hopkins county."

Adjutant General Murray says: "I and my 70 men are subject to the orders of County Judge Ball. If he directs me to make his order effective on Saturday morning I shall deem it my duty to comply."

HELD AS GREENGOODS MAN.

John Berthoff of Jersey City, a Western Union Manager, in the Toils.

New York, Nov. 22.—John B. Berthoff, manager of the eastern division of the Western Union Telegraph company in Jersey City, N. J., was arrested yesterday on the charge that he has been carrying on a "greengoods" business. The complaint was made by Chief of Police Murphy. The police have in their possession several circulars sent to the south and west and claim they can show that the telegraphic replies of prospective victims went direct to Berthoff.

Isaac Kershaw, a telegraph operator who transmitted some of the telegrams alleged to have been received by Berthoff and who gave the police a statement against him, was also arrested on a charge similar to that preferred against the manager. Ball was fixed at \$2,000 in each case.

HANGS HIMSELF IN CELL.

Trooper Buchanan Commits Suicide Before Law Can Avenge Murder.

Junction City, Kan., Nov. 22.—W. D. Buchanan of troop D, Fourteenth cavalry located at Fort Riley, near here, who killed Policemen White and Cooper on Tuesday night, was found dead in his cell. Buchanan had committed suicide by hanging, having made a rope of a towel. The dead body was found when the sheriff sent in the prisoner's breakfast.

Buchanan ran wild through the streets, shooting at every one he passed. There seemed no cause for the killing of the officers. He escaped and was not arrested until the next day, when he was found hiding in a stable at the fort. There was talk of lynching him, but this had subsided.

Sioux Falls, S. D., Nov. 22.—A jury in the state circuit court yesterday awarded Mrs. Mary Garrigan of this city a verdict for \$1,800 damages against Samuel Kennedy, a Dell Rapids saloon keeper. The plaintiff's husband committed suicide after excessive drinking. This is the first case brought under that section of the new state license law prohibiting the sale of liquor to habitual drunkards. Mrs. Garrigan has similar cases pending against two other Dell Rapids saloon keepers.
