Can't Afford to Miss it.

No one who has made a study of the dramatic works of Shakespeare can afford to miss the production of "Hamlet" to be given by the Slayton Stock Co. Thursday Dec. 19. They will then have an opportunity to witness the characterization of the melancholy Dane by an actor whose dramatic training was relieved under the greatest "Hamlet" the world has ever known. This experience, aided by years of study, is what has brought John Arthur rapidly to the front, until he is today recognized as the foremost young Shakespearian actor of the country.

Attorney P. W. Harding of Charter Oak has been a Denison guest for several days of this week. Mr. Harding is always busy with legal affairs.

PRESBYTERIAN BAZAAR.

Proves a Success in Every Way Patronage Was All That Could Have Been Asked.

The Presbyterian bazaar and supper at the opera house on Wednesday afternoon and evening proved a great success. Supper was served to about two hundred people, and the feast was bounteous. Certainly the Presbyterian ladies have added to their laurels as good cooks. Considerable time had been used in arranging the different booths for the display of fancy work of all kinds, and the decorations etc. were admired by all. Among the many beautiful things displayed were embroidery, sofa pillows, handkerchiefs, table ornaments, and a hundred and one different novelties that showed artistic taste. All sold at good prices. The ladies are certainly to be congratulated.
