## THE FINE LINE OF

# Rozane Pottery

That we have just received, its an epoch duplicate of **ROCKWOOD**, and it really **COSTS BUT ONE-SIXTH** as much. Be sure and see it! How about a set of **Pearl Handled Knives and Forks** or some **Fine Solid Silver Tea Spoons** at \$4.00 to \$7.75 per set. And then we have the very best line of **Plated Ware** that is manufactured in the United States, and when we say it, knowing just what it means to make such a remark and we have weighed our words before we uttered them. Then it will not pay you to overlook the **Fine Engraving** we are doing this fall; you ought to see some of the **Plain Gold Watches** with hand engraved monograms that we put on them. Such a watch could easily be prized by a king or queen.

## Come and See the Fine Pudding Sets in Haviland China,

And other fancy pieces in the same ware, and rich Cut Glass, pearl handled knives and forks, baking dishes, fruit dishes, chafing dishes, Japanese vases and dozens of other nice things. Why not give us your trade? Your have certainly been brought face to face with the fact during the last 9 years that we will do what we say. We do not claim to be the pioneer jewelers. That would not be so, for our friend Mr. Fred Berg, enjoys that honor. But we are here to please you and we are able to do it. So be sure and buy of us--we will stand by you.
