

Attend the caucuses to morrow night.

John Brocklesby of Hays was a Denison visitor yesterday.

Our readers cannot fail to see the advertisement of Mr. E. T. Cochran on the first page. He is evidently after business.

Banker H. S. Green was up from Dow City today.

Born, on Tuesday, March 11th, to Mr. and Mrs. Jack Welsh, Buck Grove Ia. a boy.

The Penelope Club will meet with Mrs. R. A. Romans on Tuesday, March 18th.

Mrs. A. L. Hart and son Earl went to Missouri Valley this morning where they will visit a few days and return with Mr. Hart.

Mrs. Paul Aylesworth who is spending some time with her parents during the absence of her husband in the west made a brief trip to Omaha on Thursday.

Big Yellow Chief of the Tama reservation, was in town today paying his annual visit to all business men, or in fact anyone who was willing to donate ten cents.

Mr. Mike Houlihan of near Charter Oak, was in town Thursday. His son who has been attending college returns home with him to assist on the farm the coming season.

Paul Montgomery has purchased the fence around the ball park and intends to use the lumber in the building of a house. We suppose by this that Denison will be without a ball club this season.

Mr. Emin Caulson of Boyer was in the city on Wednesday. Mr. Caulson is still suffering from the effects of a broken ankle received in a runaway a few weeks ago.

Rev. Allen Jud will conduct Lenten services at the Episcopal church next Sunday, both morning and evening, and will also conduct evening services the entire week. All are cordially invited to attend.

Miss Hilda Rath entertained a number of her little friends at a party at her home, on Wednesday afternoon, in honor of her eighth birthday. There were lots of games, much fun, plenty of candy, fruit, etc., and all had a most enjoyable time.

The Hamburgers of Denison and the Don't Kicks of Carroll will each send a bowling team to Vail next Wednesday night to bowl match games. We predict a merry time in Vail town upon that evening.

Martin Hefferman has returned from South Dakota. He is now acting as agent for a land company and is looking up land seekers. He does not expect to farm this season, but expects to stock his farm with sheep next season.

Married, on Wednesday, March 5th, at the home of Mr. and Mrs. W. H. Bowen, in Denison Twp., Mr. Fred Dien of Burns, Iowa, and Miss Alma Belle Coleman of Willow Twp, Rev. F. M. Holmes of Denison officiating. The wedding was a quite but happy one, and we wish the young couple every success and happiness in life.

In another column will be found an advertisement of a house for sale. This is an excellent opportunity for anyone desiring to move to Denison and get close to schools and churches. Denison property is as good as any realty in the county. The house in question is almost new, 7 rooms, city water, cistern and pump in house, furnace heat.

The case of R. A. Romans vs. Ed and Monroe Whiting is being tried in the mayor's court today before a jury composed of M. Mill, Herman Stensen, John Cook, John Nehls, Herman Otto and John Lutzen. This is an ejectment proceeding and is creating considerable interest. Attorney P. E. C. Lally is representing the plaintiff and E. K. Burk appears for defendants.

Many old time residents of Denison were delighted with the opportunity of meeting Mr. C. H. Morgan of Nebraska, who was here the fore part of the week as the guest of Mr. W. A. McHenry. Mr. Morgan is now a prominent and successful merchant and it was a genuine pleasure for his many friends to meet him and congratulate him upon the success which he has achieved.

W. D. Faus of this city has secured the contract for putting in the cement work of the Webster county court house now being erected in Fort Dodge and left Thursday for the Fort to begin operations. There is considerable cement work in each story of the building, aggregating over 10,000 feet. Mr. Faus is an expert in this line and will be very sure to do a satisfactory job. He has enough work contracted at Fort Dodge to keep him busy five or six weeks.—Webster City Freeman.

The cases for the county teacher's library have arrived and will be sent out to all the towns soon. The cases will contain a certain number of books that will be left in the town for two months, for the use of the teachers, then the case will be sent to another town and a new one take its place. County Superintendent Von Coelln is now issuing circulars in regard to the library. The teachers of the county are to be congratulated and all will derive great benefit from the books of the library.

It has been decided by the voters to spend some three or four thousand dollars in repairing the west brick school house. The patrons of the west side school feels that their children are not receiving fair treatment in being sent to this building, which it is now almost impossible to heat, and in which the ventilation is bad. While we regret that the finances of the school board will not permit the erection of a suitable building on the beautiful site where the west brick school now stands, we are glad that something is to be done to relieve the present unhealthy and dangerous condition.

At the Public sale of short-horn cattle held in Chicago on March 6 and 7 we notice that E. C. Sage bought the top bull of the sale paying \$1000.00 for him. Good judges pronounce him as good an animal as has been sold for many a day. Certain it is that with such stock as McHenry and Sage breed it is not necessary for farmers of Crawford county to go away from home to buy bulls to improve their cattle.
