DENISON, IOWA.

The Best Security for Depositors. Farm Loans at Five Per Cent Interest.

This bank is incorporated under the laws of the State of Iowa. This gives the best security to all depositors, not only to the amount of stock, but the personal property of each shareholder is held to the amount of his share for any loss to the bank. Incorporated banks are under the control of the State Auditor, who can at any time examine the books and according to his investigation the published statements are read. Depositors in an incorporated bank have more security than the one deposited in the officers. ### Physical Decline

CURED BY  
**DR. STOCKDALE'S TREATMENT.**  
It relieves the most distressing symptoms at once. The cure is speedy and permanent. Ten years of cures removes all doubts as to any possibility of failure. It is the one recognized, established treatment.

**Consultation and Advice Free.**  
Dr. Stockdale's treatment is today the recognized established cure for physical decline since it insures absolute success. It effects immediate beneficial results and a speedy cure. When the laws of health have been violated and there is a consciousness of some gradually growing disease or weakness, visible or invisible, that is sapping the strength and exhausting the system, these symptoms follow sleeplessness, nervousness, twitching of the muscles, trembling of the limbs, dizziness, loss of flesh, indigestion, heart palpitation and lack of concentration. Weaknesses are created by these strains upon the nerve forces, and the life's blood is sapped away. Dr. Stockdale's treatment removes weaknesses, strengthens the nervous system, creates new tissue, induces a free circulation of the blood and cleanses it from all impurities. It is the most rational, safe and positive curing treatment.  
Free consultation and advice gives every sufferer an opportunity of understanding their exact physical condition before considering the question of treatment.

Do not let prejudice stand in the way of your selecting the right treatment. There is only one right treatment—the one that cures—that's Dr. Stockdale's. CATARRH. The successful treatment of catarrh, diseases of the blood and skin, rheumatic complications and physical decline, require more than ordinary medical skill. Dr. Stockdale has treated these diseases for ten years—and his experience insures positive cures. The Doctor will visit.
