DENISON, IOWA, FRIDAY MAY, 9, 1902.

VOLUME XXXVII—NO. 37

ONE MAN HOLDS JURY

LAWYER SIMS ATTORNEY FOR PLAINTIFF IN BIG DAMAGE SUIT

Sues Omaha & Council Bluffs Railway for \$25,000 for Injuries Received at Council Bluffs.

Lawyer Jacob Sims, of the law firm of Shaw, Sims & Kuehnle was the attorney for the plaintiff, Peterson, in a damage suit tried last week at Council Bluffs vs. the Omaha & Council Bluffs Railway and Bridge Co.

This case has excited much interest in Council Bluffs circles, owing to the distressful accident to the plaintiff, a Dane in humble circumstances, who lost both of his hands through the carelessness, as it is alleged, of a motor man in the employ of the defendant.

The facts of the case are briefly as follows: In November, 1900, the plaintiff, Peterson, was seated in his wagon on the way to Omaha. He had stopped at the ticket office on the bridge to pay the toll, when a motor car of the defendant's company came along from the west at a high rate of speed. Plaintiff's horse became frightened when the car was about three or four car lengths away from the plaintiff and commenced to back. In less time than it takes to tell the story, the wagon had backed about fifty feet across the track in front of the motor. The motor man was required by the rules of the company to reduce the speed of the car and to stop. He did neither. The car crashed into the rear of the wagon and the plaintiff was thrown between the wagon and the car and across the north rail of the track. The rear trucks of the car ran over and cut off both hands of the plaintiff, who was a painter by trade.

The jury before whom the case was tried was out twenty-one hours and stood 11 to 1 for the plaintiff and the first ballot and so stood until they were discharged by the court. The 11 men were in favor of giving the plaintiff a verdict of \$25,000.00, but the one man was obstinate and would not give him a cent. There is much indignation at Council Bluffs over the action of this one juror and many rumors are current as to the cause of his conduct.

The case will be tried again at the next term of court at Council Bluffs. Mr. Sims feels confident that his client will eventually recover a very large verdict.

At the Union township republican caucus held Wednesday night the following delegates were elected to the county convention to be held tomorrow: W. C. Rolis, T. P. Black, S. J. Woodruff, W. H. Wiggins, Thos. Rae Jr., W. C. McHenry, Thos. Munsey, George Talcott, A. Doty and Bert Cooper. Resolutions were passed commending Congressman Conner and suggesting that he be allowed to select his own delegation to Fort Dodge. Should he choose not to do this Mr. W. H. Wiggins was selected to be presented as Union township's member of the delegation. The delegation is made up of enthusiastic young republican workers and their interest speaks well for future republican successes in Union township.

HIGHEST SINGLE SCORE

SCHARNWEBER FOR DENISON BEATS THE FIELD

He Rolls 212, The Highest Individual Score At The Dubuque Tournament.

The bowling tournament at Dubuque was a successful one and while Denison did not reach first or second place, the boys are not particularly ashamed of their showing. Scharnweber made the highest individual score made during the series. His total average was 183 with Jas. Luney a close second at 180. During the league games, particularly the first game, our boys were very unfortunate in having a number of splits. Last evening a banquet was given the bowlers at the Julian and it is said to be the swellest of affairs. The following score shows the standing of the teams:

Vicis	6,284
Unknowns	6,204
Hendersons	6,043
Des Moines	5,819
Reserve	5,748
Muscatine	5,568
Capital City, Des Moines	5,512
M. & O., Manchester	5,463
Marquettes	5,433
Denison	5,406
Manhattan, Cedar Rapids	5,198
Dyersville	4,877

The score made by Denison in each game is shown by the attached table:

Luney	158 186 173 137 149 145 159
Cramer	188 139 126 127 190 143 159
Kelly	137 135 136 126 167 155 162
Schuler	136 161 132 140 136 138 159
Scharnweber	168 180 189 172 193 144 162
Totals	787 780 756 712 835 725 801
Total pins	5,406

The boys' band gave a very creditable concert on Broadway Wednesday evening. It would seem that Mr. Coats has solved the band proposition for Denison and has secured an outfit in which all do not aspire for leadership and where the harmony is not alone musical. Denison should have a band and it should uniform the boys and make the band a permanent institution.

We call attention to the statement of the First National Bank of this city, rendered for April 30, 1902, as required by the comptroller of the currency showing total assets of over \$700,000. This is a remarkable showing for a bank in a city of this size and is positive proof of the general business development of the community.

Publishing Houses Consolidated.
Chicago, May 9.—The 50th anniversary of the Western Unitarian conference adjourned last night. The most important business transacted yesterday was the consolidation of the eastern and western publishing houses of the church and Sunday school. The plant now maintained in Chicago will be removed to Boston.

National Municipal League.
Boston, May 9.—James C. Carter of New York, president of the National Municipal League, delivered his annual address before that body yesterday. Mr. Carter explained how corruption originated in New York politics and asserted that it could be cured by separating municipal and party politics.

REAR ADMIRAL SAMPSON DEAD

DIES OF CEREBRAL HEMORRHAGE AT WASHINGTON

Long Illness is Ended. He Suffered from a Weak Stomach for Years

Rear Admiral William T. Sampson died at his home in Washington D. C. on Tuesday May 6 at 5 o'clock in the afternoon. Mrs. Sampson who is also seriously ill herself was at his bedside at the end.

For years Admiral Sampson has been suffering from stomach trouble, and also suffered from much study. The funeral took place this Friday morning at 10:30. The remains will then be taken to Arlington for interment accompanied by a splendid military and naval escort.

SKETCH OF HIS LIFE.

William Thomas Sampson, rear admiral, United States navy, was born in Palmyra, New York Feb. 9, 1840. His boyhood was divided between day labor and attendance on the public schools until his appointment to the navy, September 24, 1857. He graduated at the head of his class in the United States Naval Academy, in 1860, was promoted to master the following year, commissioned lieutenant, July 16, 1862, and was executive officer of the ironclad "Patapsco" when it was blown up in Charleston harbor by a mine. He was blown into the water but rescued.

Sampson was commissioned lieutenant commander July 26, 1866; commander, August 9, 1874; captain, March 1889, and was superintendent of the naval academy from 1886 to 1890. He served in all the branches of the navy and was an expert on ordnance and torpedoes.

In February, 1895, he was president of the board of inquiry as to the cause of the destruction of the Maine in Havana harbor. After the declaration of war with Spain, he commanded the North Atlantic squadron with rank of acting rear admiral and was promoted to rear admiral, September, 1898.

His later history is too well known to require repetition.

April 1, 1882, Admiral Sampson was married to Miss Susan Elizabeth Bunting, who, with their children, survive him.
