**The Oratorical Contest at Storm Lake.**

About twenty students and teachers went to Storm Lake last Thursday to cheer the representative of the school in the oratorical contest and enjoy the pleasure that may be had in such a trip. The party left for the city on the early morning train. Contrary to the condition which has prevailed, almost without an exception in the years past, both Thursday and Friday gave us delightful weather, neither too hot nor too cold, too wet nor too dry. The party arrived at Sac City at about nine o'clock. They were received by a large delegation of the Sac City students at the depot and welcomed with rousing cheers. Arrangement was made at once for dinner, and our party had ample time to visit the school buildings of the city. The trip was continued by the delegation from Sac City and Denison at a little after one the convenience of location for the trip from Sac City brought out a very large party from Sac City both of the citizens of the town and members of the school. Arriving at Storm Lake we were met with the band and students of Buena Vista and LeMars. The band escorted the procession to the college grounds where the arrangements had been made for field day sports. The events of the afternoon were largely between parties of the immediate vicinity. The ball game at the close of the events was between LeMars and Buena Vista. LeMars won the game by a score of 10 to 6. The oratorical contest was held in the evening in the opera house which was not large enough to accommodate much more than half of those desiring admission, in fact none of the cities which the oratorical association has visited has an audience room that will begin to entertain the crowds in attendance.

Mr. Addis E. Lally and Miss Maraget Highstreet appeared for Denison. Although they were not among the winners of the contest, the students here of the normal have no reason to be ashamed of them but rather proud of their efforts. Academy students marched with college sophomores and juniors, they showed oratorical possibility that will make them winners in the future. Buena Vista college won both first and second place. In the seven contests which have been held, Buena Vista has won first place six times and Denison first one, and six times Denison has taken second place. When we take into consideration that Buena Vista college carries its work to the Junior year of the University course, Denison has nothing to regret in the records of the contests. Hereafter the competing schools are to be kept more nearly on an equal footing.

At the close of the contest a special train took the visitors of Sac City and Denison back to Sac City. In the morning the Denison party had the pleasure of attending a part of the Memorial exercises as conducted by the G. A. R. after which they took the train back to Denison.

There scarcely could be a more delightful trip than this one to Buena Vista. The spirit manifested by the students of the different schools was very cordial and well disposed. There was not that extreme spirit of rivalry which shows itself in unpleasant remarks and actions. Each school met with a kind reception, but of course was ready always to sing songs and give cheers for its own colors. Next year the contest comes to Denison.

**MEMORIAL DAY.**

Memorial Day was observed in Denison with the usual solemn ceremonial of the Grand Army of the Republic. During the morning hours the G. A. R., the ladies of the W. R. C and the Sons of Veterans, accompanied by many friends and citizens went to the cemetery where flowers were laid upon the graves of our soldier dead.

The beautiful ritual of the Grand Army was carried out and every heart was inspired with patriotism and love of country.

The afternoon services were held at the opera house and an eloquent address was delivered by Col. A. L. Sortor of Mason city, the young man who has played such an important part in the founding of the National Sons of Veterans University at that place. The address was so eloquent and so fully worthy of wide publicity that the REVIEW has decided to publish it in full. Unfortunately the copy requested of Mr. Sortor did not reach us in time for this issue and the complete address will be found in Friday's REVIEW.

**A New Holiday!**

Although our calendar is pretty well filled with holidays, both State and National at the present time, a new one has been gradually added to the list and it is now looked forward to, especially by the young people, as being equally as an important event in their lives as Thanksgiving, or the coming of Santa Claus. The appearance in this city of Gentry Bros. famous Shows united will, indeed, be a holiday for the little ones. As is the usual custom the schools will give the children an opportunity of attending both the parade and the performance, in which they take such a special delight, and for whose approbation this season, Gentry Bros. have combined their famous shows and will exhibit in this city with all of their former exhibitions united into one big trained animal cavalcade.

[Wednesday, June 18, afternoon and night.]

**DIED.**

At the family residence one mile north of Dow City on May 29, 1902 Mrs. Sandhildes Bell, aged 80 years, 5 months and 13 days.

Mrs. Bell, who was familiarly known as "Auntie" Bell, came with her husband and family from Scotland in 1855, coming in a sailing ship to New York; from there to St. Louis by rail and from St. Louis to Harrison county by boat up the river, settling in Crawford in 1856, and was therefore one of the pioneer settlers of this county.

The funeral services were conducted on Saturday the 31st by Rev. Houghtell of Dow City. Seating arrangement had been provided in front of the residence under the shade of some beautiful maples. The pall bearers were from among the early friends in the neighborhood C. F. Russ, Edmund Howarth, George Rae, William Houston, Martin Conroy, and Mr. Munsey, who acted in place of Morris McHenry who was unable to be present. The attendance at the funeral was very large, a long procession following the body to the Dow City cemetery.

In the passing away of "Auntie" Bell a landmark seems to have been removed. Locating in 1856 on the place where she has spent her life ever since, the family from that time to the present have been prominent in the development and upbuilding of the county. Throughout all the early years their hospitality was unlimited, their house was always open to the traveler. "Uncle" Bell and the boys were always good entertainers. On their arrival in America some of the older sons were entering upon the strength of young manhood, and bent their energies in getting possession and developing some of the choicest lands in the county. James, the oldest son, was associated with Daniel Howarth, S. J. Comfort and A. D. Molony in the management of the business of the county in those early days. Robert has served efficiently as a member of the board of supervisors, while Henry serves as sheriff, being in his third term. John, who is familiarly known all over as "Jack Bell," was always highly esteemed for the versatility of his wit, and the stories he had to relate of his early experiences in America.

"Uncle" Bell predeceased his wife 21 years ago, being in 1881. James died in 1870, John in '88, and Mary, the only daughter of the family, who was married to Dr. Beattie, died after a year of happy married life. There are five sons remaining, Robert, Alex., Henry, Andrew and George, who have the sympathy of the community in their bereavement. "Auntie" Bell's memory will be cherished as one who suffered many of the hardships and privations of those early days as well as for the beautiful character, kindly disposition and friendship shown to all the neighbors for so long a period.
