

M. P. Ryan, of Vail was a pleasant visitor today.

Dr. W. B. Evans of Arion was a Denison visitor to-day.

Mrs. J. B. Johnson is spending the week in Lake City.

Frank Leahy spent the first of the week at the state fair.

Born, on Aug. 27, to Mr. and Mrs. J. W. Bell, of Denison, a son.

Born, to Mr. and Mrs. Orris Griffiee, of Denison, on Aug. 27, a girl.

Dr. A. F. Bonney, of Buck Grove, accompanied by his daughter, drove to Denison on Thursday.

Mrs. H. P. Arnold and daughter, of Audubon, were guests of Mrs. S. G. Wright on Thursday.

P. G. Wieting and wife, of New York City, were guests of their relatives, Mr. and Mrs. L. A. Sewall this week.

Mot McHenry was in town yesterday from Dow City. Mot never misses the nomination of a democratic ticket and never votes one.

Mrs. W. W. Mason, of Ft. Madison, and Mrs. P. S. Bissell, of Dunlap, are spending a few days with their friends Dr. and Mrs. Philbrook.

Rev. Lothringer preached at the Mission Festival in Coon Valley township, Sac county, Aug. 24. Mrs. Lothringer is in Ida Grove this week.

Attorney Bittle, of Manilla, was in Denison on Wednesday. He is interested in the public sale of lots which takes place at Manilla September 2.

A side walk from the Northwestern depot to Broadway on the west side of Main street is one of the necessary improvements. There is but two blocks of walk to be laid to complete this walk.

A box car loaded with butter from Nicholson's commission house was knocked from the track in the Central yards Wednesday. Some slight damage was done to the butter and also to the car.

Mr. L. Houlihan was over from his big farm near Charter Oak on Thursday. Mr. Houlihan always pays THE REVIEW a pleasant call when in town and regularly once a year leaves the price of his paper.

If we had time we would quote the Manilla Republican to show how narrowly prejudiced a man can get when he tries. If the Manilla paper were only edited as cleanly as it is printed we would forgive it.

Messrs. Berry Goin and D. O. Johnson of Charter Oak visited Denison yesterday. D. O. is wearing a black eye as a result of a runaway accident. Mr. Goin is one of the most popular men in the western part of the county. He is a good business man and a man of affairs and a number of his friends have urged him to accept the republican nomination for supervisor from the west end of the county. He comes from a section of the county now unrepresented on the board and he would command a large vote. There will be no dearth of republican candidates especially since the democrats have put up such a weak ticket.

Mr. Geo. Nicholson was a brief Denison caller last week. He is now devoting the greater part of his time to the land business with headquarters at St. Paul. In July, he and two others purchased all the remaining lands of the Northern Pacific in Minnesota and North Dakota. The three gentlemen control over five hundred thousand acres of land. Mr. Nicholson tells us that over \$200,000 worth of these lands have been sold in small lots during the past month. George ought to make a good profit from his rather daring speculation and we wish him the best of success.

Wm. Arndt, of Buck Grove, attended the democratic convention yesterday, and also took occasion to have his name placed upon the list of REVIEW readers. William is one of the substantial farmers of the county, and is making a success of life.

The Baptist congregation and friends will hold a reception this evening at the home of Mr. and Mrs. H. A. Norman in honor of their new pastor Rev. Geo. E. Morphy and wife. All are invited to aid in making the welcome a hearty one.

Student John Hilgendorf, of Arlington, Neb., will arrive August 30, to conduct the German Lutheran parochial school, beginning Sept. 1. This is a splendid opportunity for English pupils to learn German, especially as the public school will not open until later on.

B. F. Wick, of Dow City, was a pleasant Denison caller this week. Mr. Wick is hale and hearty at 79 and does a good hard day's work every day. He is the boss apple grower of the county and has a fine peach tree which will yield about three bushels of splendid peaches this year.

Mr. W. H. Hart, of Manilla, was in Denison on Wednesday. Mr. Hart is cashier of the First National Bank at Manilla. He informs us that his bank has just lately installed a new Managess Steel Mob and Burglar Proof safe. This is one of the very best safes made. It has never been opened by explosives.

The REVIEW has had its say about the saloon injunction cases and desires to add nothing more. It is a matter of justice to Anell Wheeler to state however that he is in the employ of Mr. J. C. Kelly the pop manufacturer and that he states that his visit to Riepen's saloon was simply in connection with his work. This should clear up the matter as far as Anell is concerned and we are heartily glad of it.

The members of the Eastern Star and a number of visiting ladies were most hospitably entertained at the home of Mrs. G. A. Richardson by Mrs. Richardson and Mrs. E. T. Cochran on Wednesday afternoon. The afternoon was spent in delightful sociability and a delicious luncheon was served. Among the out of town guests were Mrs. E. Hamilton of Chickasha, I. T.; Miss Ella Cook, of Ft. Dodge, Mesdames Carr and Chamberlin of Dow City, and Williams and Walsh of West Side.

Dr. Barnes, optician and eye specialist, writes us from Yellow Stone Park, where he and his family have been spending some time. His trip will delay his regular visit to this place. He will be here Wednesday, Sept. 17. Office at Wilson Hotel—one week.

TWO HOUSES FOR SALE—A nine room and a five room house for sale. Good water and shade. Would make desirable homes. Will sell both together. Address Loney Bros Denison, or D. H. McWilliams, Charter Oak.

Reipen's Saloon Robbed.

This morning while the force was engaged in getting in the day's supply of ice, the till at Riepen's saloon was robbed of about \$140. Of course none of the men know exactly how it happened but we understand information will be filed today against a suspected party. As it might defeat the ends of justice the REVIEW will not publish all the information at its command.

Jimmy Griffin is pitching the game of his life at Onawa today against a Sioux City combination. Jim is a good pitcher and we hope he will win his game. He will too, if he has good support. He has promised to phone us the result of the game in time for this paper if possible.

Mr. Otto Moenck has resigned his position with the Broadway Grocery to go on the road for J. L. Maurer of Council Bluffs. This is the same firm for which Mr. J. H. Sibbert works and it is evidently on the lookout for bright young men who understand the china and porcelain trade. Otto should make a good salesman.

Mr. Ph. A. Schlumberger has introduced something new in the way of a handsome store front. It is painted in aluminum and gold and presents a very pleasing effect. The work was done by Mr. E. J. Farrabee who has built up a fine reputation for good workmanship by his many pieces of good work. This last job is certainly a credit to him and would be to any decorator.

Messrs. Berry Goin and D. O. Johnson of Charter Oak visited Denison yesterday. D. O. is wearing a black eye as a result of a runaway accident. Denison actually won a game of ball this week. Perhaps the fact that they played on a week day had something to do with lifting the hoodoo.

Postmaster W. S. Barstow of Manilla made Denison a pleasant visit yesterday. He is quite enthusiastic over the prospects of that thriving city.

The interior of the Peoples Store is being repainted, causing some inconvenience to the clerks but adding greatly to the appearance of the room.
