MAINE OUTDOES ITSELF

Big Off-Year Majority Piled Up by Republicans.

HALSTEAD OUT FOR CONGRESS.

Veteran Editor Desires to Represent the Second Ohio District—Democratic State Convention Meets in Denver—Close Contest for Governor.

Portland, Me., Sept. 9.—Maine rolled up a big off-year plurality for the Republicans in the election yesterday, it approximating 27,000, in comparison with 12,000 for the average of other years. Figures from 240 cities and towns give Hill (Rep.), 40,962; Gould (Dem.), 24,587. The same towns two years ago gave Hill (Rep.), 47,431; Lord (Dem.), 27,754. The legislature, while, as usual, strongly Republican, will have an uncommon number of Democratic members, some of the strongest Republican towns of the state electing representatives of that party. The senate will have one Democrat in thirty-one members, L. M. Staples of Knox county.

In the first congressional district, Congressman Amos L. Allen (Rep.) was re-elected with a plurality of about 5,500. In the fourth district, Congressman Powers has been re-elected by a plurality of 7,000, over Thomas White (Dem.). In the third district, Congressman E. C. Burlingame got the prohibition vote and run slightly ahead of his ticket in defeating E. H. Henson, the Democrat. In the second district, Congressman C. A. Littlefield had no difficulty in defeating his Democratic opponent, running well ahead of his ticket.

Portland, Me., Sept. 9.—Chairman Simpson of the state committee sent a message to the president, saying: "Maine has gone Republican as it once went for Governor Kent. We have carried the state by a plurality of 25,000. Have elected the entire delegation in congress by a large majority. Have chosen every senator, with one exception, and nearly, if not quite, four-fifths of the legislature. The Pine Tree state endorses your administration with no uncertain voice."

Many Want to Be Governor.

Denver, Sept. 9.—There promises to be a warm fight in the Democratic state convention, which meets in Denver today, over the nomination for governor. The leading candidates are Governor James B. Orman, Judge E. C. Stimson of Cripple Creek and Judge Eberon Stevens of Ouray. Orman will probably receive over 400 votes on the first ballot. To be nominated he must have 451 votes.

Halstead a Candidate for Congress.

Cincinnati, Sept. 9.—The Times-Star announces that Murat Halstead, the veteran editor and author, is a candidate for the Republican nomination for congress in the Second Ohio district, represented in the last three congresses by Hon. Jacob H. Bromwell.

Socialists Nominate Byrne.

Fort Scott, Kan., Sept. 9.—The Socialists of the Second district yesterday nominated Frank A. Byrne for congress.

STRIKERS MAKE FATAL MISTAKE

Kill Italian Hunter, Supposed to Be Nonunion Man.

Wilkesbarre, Pa., Sept. 9.—Two Italian striking miners named Frank Portay and Sestino Vancostello left their homes near here yesterday to go on a hunting trip. As they approached the Harry E. Colliery they were held up by the pickets, who mistook them for armed nonunion men going to work. The pickets attacked the Italians. Vancostello was shot in the leg and his brains beaten out with stones and clubs. His companion, Portay, was knocked down, his gun taken from him and then his assailants beat him with clubs so that his life is despaired of.

Bricklayers Quit \$9 a Day Job.

Chicago, Sept. 9.—Three hundred bricklayers, employed on sewer work throughout the city, have gone out on a strike. The men, who are paid \$9 a day, quit work without notice. Unsatisfactory shifting of men was given as the cause of the walkout. The strike has tied up all of the sewer work in the city.

Weavers Return to Work.

Woonsocket, Sept. 9.—The weavers of the American Woolen company's Saranac mills, at Blackstone, Mass., who went out on strike against the two loom system in sympathy with the Oneineville weavers, have given up the struggle and returned to work.

Fire in Mine Extinguished.

Bramwell, W. Va., Sept. 9.—The fire in the west shaft of the Pocahontas Collieries company is practically extinguished. The company has offered \$1,000 reward for information that will lead to the identification of the parties who set fire to the mine.

NOTED DESPERADOES KILLED.

All Night Fight Between Citizens' Posse and Desperate Man.

Rogersville, Tenn., Sept. 9.—Jim Wright and John Templeton, noted Hancock county desperadoes, were killed and Wright's son was captured by a posse of twenty-five, headed by Joe Moss of Gate City, Va.

In the engagement Wright shot and probably fatally wounded George Wolf of Spears Ferry, Va., and Jack Rogers of Rogersville, both of whom were members of the pursuing posse.

Two fights took place, and in the first, which occurred at 10 o'clock last night, Templeton was instantly killed and Wright's son was captured. Jim Wright, however, retreated to a nearby house, where he engaged the officers until daylight, when he was routed out and killed, as he could not be taken alive.

Wright was an escaped convict from the Tennessee penitentiary, where he was serving a sentence for murder. Wright and Templeton are said to have killed as many as six men each.

SHOT BY REJECTED SUITOR.

Mary Peterson of Omaha is Lying at Point of Death.

Omaha, Sept. 9.—Mary Peterson is lying at the point of death in her father's home at 2406 Pacific street, with a bullet wound in her breast, fired by Peter Olsen, a rejected suitor. The latter is a fugitive from justice and possibly a suicide.

Miss Peterson was sitting in the kitchen of her home last night when Olsen suddenly opened the door without knocking, drew from his pocket a revolver and fired at a distance of only two feet, the bullet striking her in the breast and passing downward in close proximity to the heart. The would-be murderer then turned and fled. From a note left by the missing man, the police believe he intended taking his own life.

SHOOTS HIS FATHER-IN-LAW.

Youth Resents Interference Between Himself and His Girl Wife.

Oskaloosa, Ia., Sept. 9.—Marlon Jones, aged twenty-three, fatally shot his father-in-law, George Gable, at the latter's home, near here, yesterday. Jones is under arrest. He went to Gable's farm to get his wife, aged fifteen years, whom he married eight months ago, but whom her father had taken home. The two men quarreled and finally exchanged shots, Jones using a shotgun and Gable a revolver, but Jones was not hit. Jones said he acted in self defense. The young wife, who went away with her husband after the shooting, was arrested with him at their home.

Gilmore City is Badly Scorched.

Fort Dodge, Ia., Sept. 9.—The heart of the business district of Gilmore City was destroyed by fire yesterday morning. The following buildings were burned: Willis Lumber company, Freeman & Totscott, carpenter shop; Councilman's elevator with 15,000 bushels of oats; postoffice; Rollin's store company; Julius building and Coffin's barber shop. Loss, \$50,000; insurance light.

Big Four Train Wrecked.

Terre Haute, Sept. 9.—A Big Four passenger train, westbound, was wrecked at the Illinois Central crossing near Mattoon last evening by running into a derailing switch. The engine was demolished and the smoke and baggage cars completely wrecked. Fireman Brown was caught under the engine and seriously scalded. None of the passengers was injured.

Indian Battle on a Train.

Wichita, Sept. 9.—Returning from a circuit at Perry last night sixty Otoc and Pawnee Indians got into a quarrel on a northbound Santa Fe passenger train and a pistol fight ensued. One Indian was killed and Conductor Fennell was so seriously wounded that he probably will die.

Thief Makes Rich Haul.

Chicago, Sept. 9.—Surprised while looting the residence of Pasty King, a wealthy bookmaker, at 1429 Washington boulevard, a negro thief leaped over the banisters of the stairs from the second to the ground floor and made his escape with more than \$4,000 worth of jewels.

Shot by Jealous Husband.

Toledo, Sept. 9.—Harry Heck, a die maker, probably fatally wounded Arthur E. T. Chapman last night at the home of Mrs. Heck by firing three bullets into his body. The Hecks have been separated for three months and jealousy is the supposed motive.

Boy Blows Out His Brains.

Muscataine, Ia., Sept. 9.—Because the grandparents of fourteen-year-old Harvey Applegate, an orphan, insisted that he start to school yesterday, the boy, who had expressed a wish to become a farmer, blew out his brains at his home at Montezuma.

Gale Sweeps Lake Ontario.

Rochester, Sept. 9.—A gale which began on Thursday night is sweeping Lake Ontario from the west and paralyzing passenger traffic. Only the largest steamers have been able to put out and they have had some exciting adventures.

CONFESES TO BOODLING

Former St. Louis Councilman Tells Story of Corruption.

MANY OTHERS ARE IMPLICATED

Bench Warrants Issued for the Arrest of Eighteen Members and Former Members of House of Delegates, Charging Bribery and Perjury.

St. Louis, Sept. 9.—A sensation was caused yesterday by the issuance of bench warrants for the arrest of eighteen members and former members of the house of delegates on the confession of Delegate J. K. Murrell, who fled to Mexico last spring after being indicted for bribery by the December grand jury in connection with the alleged boodling operations of the municipal assembly in relation to the granting of street railroad franchises, and who unexpectedly returned to the city and surrendered. He is now in the custody of Circuit Attorney Folk and will, it is stated, be granted immunity from punishment for turning state's evidence.

Following are the names of the alleged combine members for whom bench warrants were issued, charging bribery and perjury in connection with Suburban Street railway and other legislation: Ed E. Murrell, John H. Schnettler, Charles F. Kelly, T. E. Albright, George F. Robertson, Louis Decker, John Helms, Charles A. Gutke, Adolph Madera, H. A. Faulkner, Julius Lehmann, Edmund Bersch, Otto Shumacher, John A. Sheridan, Charles J. Denny, William Tamblin, J. J. Hannigan and Emile Hartman.

Warrants were served on Messrs. E. E. Murrell, Schnettler, Albright, Robertson, Helms, Gutke, Faulkner, Shumacher and Hannigan. Albright and Faulkner were released in bonds of \$30,000 each. The others arrested were allowed to go to their respective homes in the custody of deputy sheriffs, who will remain with the accused until they shall have furnished surety for their appearance in court when the cases are called for trial. With the exception of William Tamblin, who was a member of the last house of delegates and is now said to be in Cleveland, all the indicted delegates are believed to be in the city. Delegate Kelly telephoned to the district attorney that he would surrender today and give bond. The police are watching the bridge and other possible avenues of escape from the city and it will be difficult for any of the indicted men to remain long out of the hands of the law.

J. K. Murrell made the following statement for publication: "I have surrendered unconditionally to the circuit attorney and have made a full and free confession. I held the key to the box in the Lincoln Trust company containing the \$75,000 bribe money to go to the house of delegates upon the passage of the Suburban bill. The combine of delegates was composed of nineteen men. This combine held frequent meetings in the room adjoining the house of delegates' chamber. There the most of the schemes to get money for votes were concocted. When the Suburban matter came up before the combine I was selected to negotiate with Phillip Stock, the representative of the Suburban railway, as to the best price we could get for our votes upon the passage of the bill. Shortly before the Suburban bill, the combine sold their votes on the lighting bills for \$47,500. This money was handed by Kelly, which was paid to the members of the combine at a meeting arranged for that purpose at Julius Lehmann's house. Each member of the combine received \$2,500. I was present and saw that money paid to the various parties. There are only two instances, but there are others, evidence of which is in the possession of the circuit attorney."

PREFERS DEATH TO A PRISON.

Man in Custody Jumps From Train Running Fifty Miles an Hour.

New York, Sept. 9.—While on the way to New York from Kansas City, in the custody of a detective, Herman Neuman jumped through the window of an express train going at the rate of fifty miles an hour, at a point midway between Rhinecliff and Stattsburg, on the New York Central railroad, and was so badly hurt that he will die.

Neuman was employed as a collector in this city for a brewing company and it is alleged that a shortage of \$1,500 in his accounts was found. Neuman left the city. During the course of an investigation the police declared that Neuman had committed bigamy. He was arrested in Kansas City and left there on Saturday evening in custody.

PRESIDENT A UNION MAN

Chosen Honorary Member of Firemen's Brotherhood.

PAYS COMPLIMENT TO SARGENT.

Roosevelt Speaks in Rain to Crowd at Knoxville, Tenn.—Presidential Party Spends the Night at Hot Springs, N. C.

Chattanooga, Tenn., Sept. 9.—President Roosevelt yesterday was elected an honorary member of the Brotherhood of Locomotive Firemen. He attended the executive session of the order in the morning. Acting Grand Master Hannahan welcomed the president, saying his presence would do good to organized labor, not only in this country, but in Canada and in other countries as well.

The president returned his thanks for the welcome, and said he was glad to be with the brotherhood. He said the firemen's brotherhood was the result which naturally comes from the application of the principle of common sense to their work. He said that organized labor never had made an unreasonable request of him and that if it had he would have denied it. In speaking of the appointment of Grand Master Sargent of the brotherhood to be commissioner general of immigration, the president said it was one of the most satisfactory appointments to him and to the public that he has ever made.

John F. McNamee of Columbus, one of the grand officers and a Democratic member of the legislature, moved that the degree of grand honorary membership be conferred upon President Roosevelt. The motion was accepted by a rising unanimous vote, and amid great cheers.

The president thanked the convention for the compliment paid him, and Grand Master Sargent then gave him a pass which admits him to all meetings of the brotherhood.

Speaks in Drenching Rain.

Knoxville, Tenn., Sept. 9.—President Roosevelt braved the elements late yesterday afternoon and in defiance of a hard rainstorm was driven through streets lined with people to a stand on Main avenue, nearly a mile from the depot, where he spoke to 12,000 people, who stood in quiet while a drenching rain poured down on them.

STREAM OF LIQUID FIRE.

Recent Eruption of Soufriere Changes Appearance of Island.

Kingstown, island of St. Vincent, Sept. 9.—The sights in the Windward district of this island, resulting from the eruption of the La Soufriere volcano, Sept. 3, are very interesting. The Rabacca river even now is a stream of fire a quarter of a mile or more wide. The greater part of the Rabacca estate is wrapped in vapor and there are mimic eruptions everywhere. The river bed is continuously throwing up columns and dense clouds of steam, mud and pebbles. The land has spread farther seaward.

Fall Ninety-Six Feet.

St. Louis, Sept. 9.—While Clem Dunlap and Joseph Sexton were preparing to raise a smokestack at the Koken Iron works, the pole upon which they were working broke. Sexton fell to the ground, a distance of ninety-six feet, and the plunge of Dunlap was shortened by a rope swing. Sexton was taken to a hospital, where it was found he had a fracture at the base of the skull and is in a serious condition. Dunlap could not free himself from the swing in which he was sitting and this fact probably saved his life.

Holland.

Holland, known as North and South Holland, forms part of the northern part of the Netherlands. These provinces are composed of land rescued from the sea and defended by immense dikes. Holland was inhabited by the Batvi in the time of Caesar, who made a league with them. It became part of Gallia Belgica and afterward of the kingdom of Austria. From the tenth to the fifteenth century it was governed by counts under the German emperors. Holland was at one time a Dutch republic. It was created a kingdom in 1806, and Louis Bonaparte, father of Napoleon III., was declared king.

ALIASES OF THE PEANUT.

There Are Many Names For the Toothsome Palate Ticker.

Considering its universal popularity and excellent standing in agricultural circles, it is remarkable how many aliases there are under which the peanut travels. Whenever it is introduced to a new community the toothsome offering of the sod adopts a new name and comes forth with an additional sobriquet which makes it almost unrecognizable to its old acquaintances. If the "edible fruit"—as the dictionaries call it—had ever done anything to be ashamed of, the public might understand, but as things are the eccentricities of peanut nomenclature are absolutely astonishing.

Here in Virginia we designate our little friend principally as the peanut, but quite often we likewise allude to him as a "ground pea" and occasionally as a "goober." Over in England they call the same fruit ground nut, while it is variously known elsewhere as "earth nut," "Manila nut," "jurnut" and "pindar." The scientific patronymic, as we understand it, is *Arachis hypogaea*, and the family belongs to the genus of leguminous plants.

But, be its name what it may, a peanut is a peanut the world over, so far as its virtues go, and few are the human palates which decline to receive an introduction to it.—Richmond Dispatch.

A Different Sort of Leather.

A Pennsylvania physician tells a story about his servant which reminds one in a vague way of the "skinny side out and the woolly side in" rhyme. He had just hired a servant who, says the Philadelphia Telegraph, had some of the "ould dart" still clinging to her boots.

One morning he noticed his office windows were rather dirty, and, calling Bridget, he instructed her to clean them before he returned. At the same time he told her that he would stop and purchase a new chamois skin and send it home, and with this she was to clean the windows.

After he had gone his rounds he returned to his office. Glancing at the windows, he found them thickly streaked with grease. He called Bridget, and the following colloquy took place:
"Bridget, didn't I tell you to clean the windows?"
"Yes, sor."
"And didn't I tell you to use the new chamois?"
"Yes, sor."
"Well, did you use it?"
"Sure, I did, sor."
"Let me see the chamois," said the doctor, and Bridget promptly brought it. Then for the first time he learned that his wife had left the house a half hour before him and had sent home some tripe.

Black and White.

Every crow is said to think its own nesting the whitest, but a white cat that had four kittens, of which three were white and the fourth was black, gave the first place in her affections to Sooty. Once they were all brought into the drawing room to be "shown off." Besides the humans the room contained a great Newfoundland dog, Hitherto cat and dog had been on friendly terms, but now pussy showed much anxiety lest the dog might harm her black pet especially. At last she seized it by the neck and bore it beneath the lowest piece of furniture, where the dog could not possibly crawl, but she merely mewed to the others to follow her as best they could. The black kitten owed all this care to its color, more happy in this respect than the black sheep which is said to be in every flock.—Exchange.

Outside of Joplin, Joseph Brookshire, an ex-councilman of this city, and Harry Smith, a miner, were killed by falling down a shaft at the Tennessee mine. Troops Off for Fort Riley.

The Sixth regiment of infantry will start today. The troops will follow the route that plainsmen took for the west in early days.

Troops Are Withdrawn.

Charleston, W. Va., Sept. 9.—Governor White has ordered the signal corps and five companies of the militia away from the New River coal fields on the assurance that they will not be needed longer. The miners are returning to work.

Farm for Sale.

Eighty-acre farm for sale east of city limits, containing the following improvements: House, new, six large rooms; barn 32x24, 14-ft posts; cattle sheds, hen house, silo, windmill, two good wells, two acres orchard and small fruit, large lawn and ornamental trees and shrubs.
