"Twenty Years After"

Mr. Laurens Maynard, of Boston, Mass. arrived in Denison on Thursday evening and is busy renewing old friendships and forming new ones. Mr. Maynard spent a year in Denison and vicinity, leaving here eighteen years ago. He taught center school in Milford township, and was afterward a clerk in the Denison postoffice, under Mr. J. Fred Meyers. Mr. Maynard is possessed of a most attractive personality and made many warm friends during his stay here. All will be pleased to know that the years have dealt most kindly with him. In personal appearance he is but little changed and in life and spirits none at all. He is now a member of the publishing firm of Small, Maynard and Company of Cambridge, and is doing a most prosperous business. His work calls him frequently to England and the continent, but this is the first time since 1885 that he has found it convenient to visit Denison. Mr. Maynard is married and is the proud father of a family of two boys and two girls. He will remain in Denison until Sunday visiting the many old friends who are most heartily glad to see him.

The scores of the two series rolled are given below. Gibson, by winning both of his two remaining series had a chance to tie wolf for first place, but lost the chance by losing three straight.
