Uncle Morris McHenry tells us that he has recorded every survey for which the recording fee has been paid, some thirty or forty during each year he has been in office. On the contrary he asserts that during the eleven years which the democratic surveyors held the office but one survey was recorded and that one was wrong. So much for the Bulletin's lies about Uncle Morris.

COLLEGE NOTES.
Prof. Martin entertained the Woodmen of the World Saturday evening with several fine readings. It was the occasion of a W. O. W. social entertainment for the membership.
Mr. Suhr, of West Side, returned this week after being at home one week on necessary business.
Miss Blanch Murchland called at the college Saturday. Both she and her sister are teaching.
Miss McElwain entered the teachers course this week.
Mr. Samuel Laney and Mr. J. Wheeler made the college a present of finished castings of a dynamo. It is ready for winding and will be very useful to those interested in electricity.
Almost every day adds pupils to the music department. Prof. Hoyer tells us that the department has a considerably larger enrollment this year than last at the same time in the year. In fact every department of the school has an increased attendance.
Miss Miller assisted in a special sale at Keirnem last week. She was with her old employers.

Ayer's
Do you like your thin, rough, short hair? Of course you don't. Do you like thick, heavy, smooth hair? Of course you do. Then why
Hair Vigor
not be pleased? Ayer's Hair Vigor makes beautiful heads of hair, that's the whole story. Sold for 60 years.
I have used Ayer's Hair Vigor for a long time. It is indeed a wonderful hair tonic, restoring health to the hair and scalp, and, at the same time, giving a splendid dressing.

SOME TIMES
we are able to show a more than usually interesting line of
CLOCKS
and this is one of the occasions. Clocks of every style are in this collection and every one is really handsome. Even the strenuous little alarm clocks have their own good looks. There are clocks for the bedroom, parlor, diningroom and hall. All are accurate timekeepers and really excellent value.
These are a few of the attractions at the
NEW BLOCK,
