DENISON, IOWA.

#### DIES VERY SUDDENLY

Mr. J. P. Schuler, of the People's Store Passes Away.

#### APOPLEXY, CAUSE OF DEATH.

Dies Within 24 Hours, and his Remains Taken to Dubuque for Burial Gloom Cast Over Community.

On Thursday last at 11:30 a. m. Mr. John P. Schuler, owner of the People's Store in Denison, died at his store, from apoplexy or the bursting of a blood vessel in the brain. He was stricken on Wednesday at 2:30 p. m. and never regained consciousness. There was present at the time of his death one sister, Mrs. M. Junker, of Dubuque and the employees of the store and the physicians. The remains were taken to Dubuque on Thursday night for burial. On Wednesday Mr. Schuler and Miss Stone, the head saleslady of the store, went out to lunch at about half past one and after returning to the store, Mr. Schuler sat down upon the counter. Soon after those in the store noticed that he was not acting just as usual and Miss Stone spoke to him and asked him if he was ill. He replied that he was not, but immediately placed his hand up to his left eye. The eye suddenly became inflamed and he started up the stairs at the rear of the store room and upon reaching the first landing reeled and fell backwards. Assistance ran to him and he was carried up to his office and placed in a chair. It required the combined assistance of all those present to keep him in the chair while medical aid was summoned. Upon the arrival of Dr. Wright the patient was placed upon a cot and another physician, Dr. Carr was sent for. They worked with him all of Wednesday night and Thursday forenoon but without avail, he never became conscious. At one time Wednesday evening the physicians were hopeful, but as time wore on they gave up all hopes of his recovery. His sister at Dubuque was sent for and arrived Thursday morning. Mr. J. R. Berkson, a former employee came out from Chicago and accompanied the remains to Dubuque along with the sister and Miss Stone.

Mr. Schuler had only celebrated the third anniversary of the opening of his Denison store on the 13th of November and had remarked that he would like to celebrate many more such anniversaries, as the past year had been one of the best in the history of the store. It does not seem possible that in so short a time from the anniversary that he has been taken away.

The deceased was very popular in Denison and surrounding country. He had built up a good business, carried a nice fresh stock and was considered one of the best buyers in Denison. Since Mr. Berkson's removal to Chicago Mr. Schuler has taken active management of the store and was always to be found at his post of duty, where he was accommodating and willing to show his goods whether to purchaser or not. He will be greatly missed in business circles as well as social events. With the young men he was especially popular and counted everyone his friend. He was a member of the Catholic church and attended services regularly.

An escort comprising a representative from nearly every business house in Denison accompanied the casket to

Illinois Central depot, the pallbearers being Messrs. E. C. Petersen, W. M. McLennan, Sears McHenry, Harry Mann, Frank Leahy and E. F. Tucker. John P. Schuler was born in Dubuque, Iowa, and was thirty-eight years of age on the 12th day of last May. He had spent the greater portion of his life in the city of Dubuque, where he became engaged in the general merchandising business at his maturity. He leaves his aged mother, one brother, and four sisters to mourn his death. He was a member of the Forrester's Lodge, and this society had charge of the funeral, their members acting as pallbearers in Dubuque, where the funeral took place on Saturday at 9 o'clock. The attendance at the funeral was very large and the floral offerings very beautiful.

#### CHANGE OF SCHEDULE

North-Western Change of Time Went into Effect Sunday.

#### ONE NEW TRAIN HAS BEEN ADDED.

The New Train will Leave Denison at 12 Noon, Going West Thus Affording Better Service to Passengers for the West

The rumored changes in the passenger service of the North-western went into effect last Sunday at 4 p. m. We publish below the new time card as given to the public by agent J. H. Mahoney, and the several changes will be of interest to the traveling public. One of the changes will be a direct benefit to those going west who are desirous of reaching Omaha or the Bluffs a little earlier in the afternoon. This train is called No. 5 and will leave Denison at 12:00 o'clock noon. Train No. 3, going west has always been so crowded that a passenger getting on was not sure that he would get a seat this side of the Valley, and possibly not until Council Bluffs was reached. No. 11 on the North-Western will make stops at Dunlap for the accommodation of the traveling public.

Green McAhren expected to finish the sewer laying yesterday. He has been especially fortunate in being able to secure plenty of help and with the weather conditions in his favor has pushed the work. He has carried out his part of the contract to the letter and if the remainder of the work is as good as Mr. McAhren's Denison need not fear regarding the sewer system.

In this issue will be found a half page advertisement of M. M. Bamford's. As will be seen he will hold a seven days' sale beginning next Saturday, and in the list of prices he quotes one will find the quality as well as the price.

#### MRS. ALLEN SUICIDES.

Mrs. Hattie Allen Drinks Carbo-lic Acid at Omaha.

#### RESPONDENCY CAUSE OF RASH ACT

When Discovered Her Face, Tongue and Throat Were Horribly Burned, and Physicians Could not Save Her.

On Wednesday night word was telephoned to Denison that Mrs. Hattie Allen had committed suicide in her room in Omaha. Further investigation made by her father Mr. Geo. Servoss confirmed the report. She had drunk a full ounce of carbolic acid, and when discovered her throat, face and tongue were frightfully burned, and she lived but a short time afterwards. Mrs. Hattie Allen was formerly Hattie Servoss, daughter of Mr. and Mrs. Geo. Servoss, and was a bright and attractive girl. She was married to Mr. Sam Allen and one child, a little girl, was born to them. About a year afterwards the couple were divorced, Mrs. Allen securing the divorce on the grounds of drunkenness and non-support. Mrs. Allen then accepted the position as operator for the Iowa telephone Co., where she was employed for some time. The past year she has been living in Woodbine and Omaha. Her little girl has been making her home with her grandmother Mrs. Geo. Servoss.

The remains were brought to Denison and the funeral services conducted at the Presbyterian church by Mr. Sharp at 2:30 p. m. Saturday, and interment made in the Oakland cemetery.

#### 25TH WEDDED ANNIVERSARY.

Mr and Mrs J. L. Warbasse Completely Surprised by Friends on Saturday.

Saturday was the twenty-fifth anniversary of the wedded life of Mr. and Mrs. J. L. Warbasse, of this city and about fifty of their friends went in on them and took them completely by surprise, and the evening was one long to be remembered by all. The evening was spent in social entertainment and a bountiful supper was served.

A beautiful silver set was left by the company of friends in remembrance of this eventful day in their lives.

Mr. and Mrs. Warbasse are old residents of this county, having come here about twenty years ago, when they first settled on a farm, and for the past ten years have made Denison their home.

On Saturday evening Messrs. Shaw, Simms & Kuehne received a telegram from the attorneys for Mrs. Elizabeth Schuler, Mr. J. P. Schuler's mother: to take possession of the store at Denison in her name as the only heir to Mr. Schuler. Mr. Kuehne immediately took possession, and Mr. C. L. Voss has been appointed administrator and his bonds have been placed at \$15,000. He is at present having an inventory taken of the stock, and will no doubt in due time sell the entire stock in bulk. Miss Stone, Miss Ivins and Mr. Mies are assisting in the inventory. The stock is in the best of condition, and we presume a lease of the building would go with the stock. We would like to see local parties interested in the store, and continue in business. If the stock should be closed out it would have a tendency to hurt other business in town.
