Crawford County State Bank.
DENISON, IOWA.

The Best Security for Depositors. Farm Loans at Five Per Cent. Interest

This Bank is incorporated under the laws of the State of Iowa. This gives the best security to all depositors, not only to the amount of stock, but the personal property of each share holder is held to the amount of his share for any loss to the bank. Incorporated Banks are under the control of the State Auditor, who can at any time examine the business, and according to his investigation the published statements are made. Depositors in an incorporated bank have more security than the confidence imposed in the office. They have the best security, because the capital stock can not be used at pleasure for outside speculation and investment. The Crawford County State Bank is the best incorporated banking institution in the county. A general banking business done.

There is something in every issue of the Iowa State Register for every member of the family from the school children who have a special department devoted to their letters and eases devoted to the gray haired grandfathers who find much of interest in the Century Club, which is a continuous history of the octogenarians of Iowa. It has many interesting anecdotes of pioneer days. A serial history of the state is contained in historical sketches of the various counties of Iowa, one of which appears each week. By special arrangement we can furnish you the Iowa State Register and this paper both one year for \$1.50.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which falls off perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Kabbie, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."
