**PYTHIANS CELEBRATE,**

Annual Celebration Proves a Big Success.

C. F. KUEHNLE SPEAKS ON PYTHIANISM.

Pine Program of Vocal Selections, Readings and Instrumental Music, Supper and Dance.

The Fortieth Anniversary Celebration of the founding of the Knights of Pythias order was celebrated in the opera house Monday evening, at which time there were 112 guests at the lap supper. These celebrations have become one of the leading social events of the season, and are always looked forward to with a great deal of interest. The one of Monday evening was up to the usual standard of these events, and was counted a success in every way. The hall had been tastefully decorated for the occasion and at 8 o'clock the committee was ready to meet their guests.

Tables had been arranged throughout the hall, and different games were in readiness for the players. The evening's entertainment consisted of games, vocal and instrumental music, readings and dancing. The Correctionville orchestra had been secured for the occasion, and dispensed sweet music all during the evening. Miss Polster favored the guests with a vocal solo, as did Miss Sewell, and the Misses Polster and Sewell rendered a vocal duet to the delight of all. A male quartette composed of Messrs. Dr. Gibson, Roy Gibson, Fred Soehl and Albert Riepen furnished some excellent music, after which Mr. Carl F. Kuehnle spoke for a short time on Pythianism. His talk was brilliant, and interesting.

Miss Brodersen greatly pleased the audience with a select reading, on the bashfulness of a school boy, and was roundly applauded.

The lap supper consisted of sandwiches, two kinds of cake, doughnuts, coffee and olives, and was pronounced delicious.

After the supper was over dancing was announced, and most of the guests remained and enjoyed a couple of hours either in watching the dancers or participating in the dance themselves.

The success of the celebration was mostly due to the efforts of Knight Gibson who had the undertaking in charge, and who worked hard for its success.

**A Delightful Afternoon**

Monday afternoon the Ladies of Trinity Guild held a Valentine Social afternoon with Mrs. O. A. Patterson, to which there was a good attendance. One of the features of the afternoon was that each guest was requested to draw a valentine. The drawing was the cause of much merriment, some of the most ridiculous of comic valentines being drawn. Refreshments of a substantial nature were served, and in the evening a number of gentlemen were invited by telephone to partake of refreshments.

Some tea-dollars was added to the treasury. Mrs. Patterson's home had been tastefully decorated for the occasion, and looked very inviting.
