Mr. and Mrs. E. E. Clausen visited Schleswig on Thursday afternoon where E. E. transacted business.

Mrs. C. T. Voge of Wall Lake Iowa and Miss Laura Voge from West Side Iowa arrived the first of the week to visit at the home of Fred Shurkly.

Gust Johnson arrived on Wednesday last from Woodbury Co. in response to a telegram stating that his mother Mrs. J. P. Anderson was very ill.

Death, the cold and unwelcome visitor left three homes in our midst to mourn the departure of some loved member. A devoted husband and dear father, a faithful wife and tender mother, and an aged mother have been summoned to the lands beyond.

At the school meeting on Monday last a proposition was voted on for a special tax of 1500 dollars for the erection of a new school house in District No. 1 resulting in 23 for and against. A new proposition was launched for a tax, special tax of \$1000 which carried.

Gust Schlotfeldt came down town Monday morning unaided and unguided and grave fears were entertained by his friends until they found out he had rallied considerable. He was all smiles and why should he not be as the boy that arrived on Sunday weighed nine pounds. Here is our best congratulations to papa and mamma Schlotfeldt.

Mrs. John P. Anderson peacefully passed away on Thursday morning to the home beyond which she long has been longing to see. She was born in Sweden May 17, 1818 settling in this community in the year 1869 where she has resided ever since. She leaves an aged husband to whom she was united in marriage 64 years ago. She leaves two sons C. J. in Kiron and Gust Johnson of Woodbury to mourn her departure. The funeral was held on Saturday afternoon.

On Thursday morning at 8 o'clock Mrs. Otto E. Clauson passed away after a few days illness. On Wednesday previous she gave birth to a daughter and was doing well until Sunday when she commenced to feel ill, and blood poison set and she kept gradually growing weaker in spite of all medical aid. This untimely death cast a gloom and sadness over another home and the community. She was the daughter of Mr. and Mrs. John Lundberg and was born the 23 of November 1872 and died at the age of 31 years four months and five days. She was married to Otto Clauson on the 16th of Jan. 1891. She leaves two small children to miss and mourn her absence and her love and watch care and her place in the home is a vacancy that can never be filled. She was a quiet and affable woman and carried the respect and esteem of all who knew her. Her untimely death was a sad blow to her husband and it will be the beginning of a new life to him, to now be severed from the woman of his choice and who has been his help and love during the few years of their union. It goes without saying that the dear departed one will be sorely missed. The funeral was held at the home on Sunday afternoon and was attended by a large number. The services were conducted by Rev. N. Wicksell and A. Berglund. Her remains were followed by a large procession to the Kiron Cemetery where they were laid to rest. The entire sympathy goes out to the bereaved ones.

A. P. Lindblad whose death we referred to in our last letter was born in Malback Nonkoping Smaland Sweden May 3 1840. He was a member of a family of six sisters and three brothers of whom all are dead. He immigrated to America in the year of 1870 and was married to his wife who survives him in the year 1872 at Burlington Iowa. From Burlington Iowa he removed to Kiron in the year 1874. In 1880 he removed to Kansas where he remained one year and then moved back to Kiron where he has since made his home. He leaves a devoted wife, two sons and nine daughters and a host of friends to mourn his death. He was a man among men, a neighbor among neighbors and a true and upright citizen and his departure will be keenly felt by the entire community. His neighbors and those who had dealings with him found him always honest in business, fair in his dealings social in his relations, and benevolent in his disposition and ever held an open hand to all needed charity. These traits of character together with his true christian life had drawn around him though not realized or intended by himself a host of personal admirers. He was a member of the Lutheran church from its organization in the year 1875. He has been the Sunday School Superintendent and deacon of the church since its organization with the exception of one year. He has been a most zealous and devout worker in the church and in his death it loses one of its main members and supporters. The funeral was held at the church Tuesday afternoon and a large concourse of friends had gathered to pay their last tribute to this worthy man. Rev. J. A. Bender preached the funeral sermon, which was worthy of being heard by all listening to it. The flower tribute was large. The Sunday School tribute was an elegant wreath of roses, from the Young People's society an anchor and a cross from the Ladies Aid Society. A large wheel made up of roses and leaves containing thirteen spokes representing the number of members in the family the thirteenth spoke being broken. Thus another good man has run his course and left deeds and influences of his life that long will live.

This is a very sad death; a young woman in the prime of life; called to leave husband and children. Mr. and Mrs. Clauson had just got their little home erected, and were comfortably situated. But alas, how soon the fond hopes of life may vanish. Mrs. Clauson carried the mail from Johnsonville to Deloit several weeks, and the writer and family were quite well acquainted with deceased. Our heartfelt sympathy goes out to the grief-stricken husband, the motherless children, and mourning relatives.

A couple of runaways occurred in town last Friday afternoon. As Mr. Waldemar was coming into town with a team the straps on the neck yoke broke, letting the tongue down coming down the hill toward the post office which caused his team to run away, throwing him out and getting loose. They ran through town then turned, and as they crossed the walk going to the depot they got loose from the buggy taking a circle round the blacksmith shop, and came around by the hardware store where Carl Winan's team was tied. They had been hitched to the running gears of the wagon. They ran in behind the horses in the front part of the wagon and made the other horses break loose and all four horses running with the running gears of the wagon went down the street wildly. Finally the first runaway team got separated from the others and were caught, and Mr. Winey's team struck out towards home, but got into the barbed wire fence near the Clarence Cose home and stopped. Not much damage was done this team. The other team was scratched up some, the buggy demoralized, and Mr. Waldemar's back quite badly hurt in the fall. Luckily it was no worse as they just avoided running into quite a long string of teams.
