A serious misstatement occurred in our last week's issue owing to a mistake on the part of the compositors. The account of the Easter services at the Methodist church contained the statement that \$15 was raised for missions. The error was due to the omission of a cipher. The regular apportionment is \$450, and over \$500 was raised in a very short time, the first subscription being greatly in excess of the amount named last week.

**JOE EPPERSON GOES WRONG.**

Carroll Boy Well Known in Denison, Disappears Very Suddenly.

Many Denison people will no doubt be surprised to learn that Mr. Joe Epperson, of Carroll, has disappeared, leaving his accounts with the Iowa Telephone Co. in very bad shape. There are other people in Denison who are not at all surprised, and who would have been glad at any time to have met the gentleman. From the Carroll Herald we clip the following:

The affairs of the Iowa Telephone company at this place are undergoing an investigation this week. It seems that J. E. Epperson who has been manager for the last six years, or so, disappeared Saturday very suddenly. His departure caused alarm in certain quarters and Tuesday morning head officers of the company, from Davenport, were on hand and proceeded to check up his accounts. Gen. Supt. McFarland, Gen. Auditor Palm, of Davenport, and Mr. Ramsey, of Des Moines are still busy looking into the affairs of the late manager, but are not prepared to give out any statement. There is little doubt that there are grounds for grave rumors that have been started concerning the findings they have already made. This paper does not deem it wise to go into particulars, as a full statement will be ready for next week's issue.

There are a number of people in Carroll who have reason to be concerned in the whereabouts of J. E. Epperson, and the Herald is warranted in saying that the company's affairs here have not been left in the best condition. A competent and reliable man will soon be installed as his successor.
