The Kiron Chronicle

A J Bond of Deni on spent a portion of Tuesday and Wednesday on business in our town.

The familiar and genial face of Surveyor or Uncle Morris McHenry could be seen on our streets Tuesday.

John Orgren returned last week from Chicago where he went with a load of cattle he had fed. Although he received a fair price considering the shape of the market, it is poor encouragement to continue feeding.

Miss Lizzie Palma left on Tuesday last for Chicago to remain during the summer months.

During the past two weeks only one freight day has been run over the Chicago and North Western R. R. line here. It goes east one day and comes back the next.

This change is most detrimental to the business along the line both in receiving and shipping freight. We suppose it is done for the sake of cutting down expenses and to enable the "High Muck a Mucks" of the road to have more frequent elaborate blow outs.

Mrs. Ellen Peterson of Boulder Colorado was called to Kiron last week on the sad mission to attend the funeral of her father Peter Walderman.

John James of Denison had business in Kiron on Wednesday.

Attorney P. W. Harding of Denison had business that called him to Kiron on Wednesday.

Rev N. Wicksell was agreeably surprised on Tuesday evening by the members of his Bible class and a number of others who dropped in unexpectedly to spend the evening with him. Before taking their departure they presented him with a nice clock and a sum of money.

Grocery peddlers, tree, insurance, lightening rods and stock food agents and many other vendors are at present going throughout the country trying to rope in the farmers. We would advise all to steer clear of them and order them off the place as experience has shown that that is the safest.

The quarantine was raised from the home of Aug. Linman on Tuesday last.

We understand that Sirahn Bros. have purchased their new stock of hardware and are expecting it this week and will have a model hardware store in the new painted building of Hanso & Co. Here's success to the venture and if honesty and determination counts the boys will make it win.

Miss Elven Bjorklund from Odebo's is visiting the C. J. Carlson and Mrs. John Johnson families this week.

The sale at the Mission church on Friday evening was attended by a fair number considering the busy time.

Claus Gottburg, Schleswig furniture man visited our booming town on Friday last.

For the sixth time within the past two months death has visited our midst. The last visit brought to a close the earthly pilgrimage of an honored pioneer who has grown gray in our midst. Mr. Peter Walderman peacefully and calmly passed into the great beyond on Monday afternoon May 2nd after an illness of but two

days, at the ripe old age of 82 years, 1 mo. and 21 days. He was born in Christianstad Skade Sweden March 11, 1822 where he resided until the year 1865 when he immigrated to this county in company with Peter and Chas. Starr, A Erickson and a few others. They were the first white settlers who came to this settlement. He was the last one of that party to go. He helped to make the then wilderness into the prosperous section it is now. When he first came here there was not a house between Deloit and Ida Grove. His wife had him farewell a few years ago and passed on to the realm beyond, and since then he has been making his home at the old homestead with his son August Walderman. Four children survive him. Chas. who resides in Ida County and August, Mrs. Ellen Peterson who resides in Boulder, Col. and Mrs. Fred Anderson who resides in Finland Europe. Funeral services were held at the old home on Wednesday afternoon, attended by a number of neighbors and friends. Rev. N. Wicksell conducted the services after which his remains were followed to the Kiron cemetery where they were laid to rest. His years were long and many that he had labored. He was weary. He had earned his rest.

Friday afternoon all that was mortal of Emily Swanson was laid to rest in the Kiron cemetery. The services were held in the Baptist church and were conducted by Rev. Gustaf Nyquist. The church was full of attenders, who came to pay their last tribute to this worthy lady. A large number of Sunday school children attended the funeral including the members of her Sunday School class. Miss Swanson was born in Skone Sweden Feb 18, 1866 and in the same year with her parents immigrated to America and located at Stratford Iowa. In 1880 they moved to Kiron. Shortly after their arrival in Kiron their father passed on to the land beyond. She has resided most of her life in Kiron and through her quiet unassuming life and work she has left a vacant place both in the community and the church. She has been most active and devoted member of the Baptist church in Kiron since the year 1891. In the year 1902 she entered the training school in Chicago to prepare herself for missionary work but at the time contracted a severe cold and a siege of la grippe which compelled her to return home, and in a short time consumption set in. In 1903 she went out west in quest of health which was never fully restored. During the last weeks of her life her sufferings were most intense which she bore patiently. She realized that her last moments were fast approaching and said that she was ready if it was the Lord's will. The final moment came Tuesday May 3 when her spirit left the bod. for its heavenly home. Her age was 38 years 2 months and 13 days. She leaves an aged mother, whom she most tenderly loved and cared for, on sister the wife of our townsman J. A. Lawrence, one brother, Adolph, located at Houston Texas and several other relatives and a host of friends who now miss and mourn her departure. She was always ready to lend a helping hand to all.
