

LOCAL BRIEFS.

—Try a Flor-de-Sheakberg.
E. C. Petersen transacted business in Carroll last Wednesday.

Mr. C. Sprecher enjoyed a visit from a brother from Illinois last week.

The Military Brotherhood is planning a dance to be held in their hall on the 23rd of May.

Mrs. Geo. Cronk, of Omaha, has been visiting with her mother, Mrs. Geo. W. Heston, the past week.

Carl Jungerman was in Arion and Dunlap last Wednesday looking after the interests of his bakery trade.

Mrs. C. W. Carr and son Vernon visited friends and relatives in Dow City last Wednesday and Thursday.

Mr. W. H. Marshall came up from Omaha last week and is making a visit of several days with his sons William and Fred.

Mr. John Hoffman, of Carroll, was shaking hands with his old time Denison friends on Thursday last. He is just "as tall as ever."

Mr. and Mrs. Frank Clough arrived in Denison from Oklahoma last week, and are visiting at the home of Mr. and Mrs. Chas. Kemming. This is Frank's first visit to Denison in nine years.

Eugene Wiggins of Dow City, who has been taking a commercial course at Simpson college, accepted a position with the First National Bank of Denison and commenced work last Wednesday.

Mr. Martin Neal, of Charter Oak, was in Denison on Friday last, and favored this office with a call. He brought over a fine driving horse which he sold to Mr. George Naeve. The animal is a beautiful chestnut, stylish, and a good actor, and Mr. Naeve is well pleased with his bargain.

The people of Schaeffer are making big preparations for a firemen's tournament to be there on June 15. It is anticipated that the tournament will be one of the largest held in the state in a number of years. The REVIEW furnished the large full sheet two-color posters for the fire boys.

Work was commenced last week on the grading of Main street from Chestnut street to the Northwestern depot. Considerable filling has been done and the steeper parts of the street are being cut down to a more gradual slope. After the grading has been completed the street should be gravelled from Broadway to the depot.

Mr. and Mrs. G. L. Caswell left Saturday for the St. Louis exposition, where they will remain for two weeks. Mr. Caswell goes as a delegate from the North-Western Iowa Editorial Association, and also as treasurer of the South-Western Iowa Editorial Association. A meeting of the National Editorial Association will be held at St. Louis during the next two weeks.

Frank Lally was in town last Thursday for a short visit at home. He is working at present with an engineering gang on the big Illinois Central bridge at Omaha. His work takes him all along the route of the Central from Council Bluffs and Sioux City as far east as Waterloo and he says he enjoys it very much. Frank is only one of a host of Denison boys who have gone out into the world and are making a success of it.

A few slight changes have been made in the time table of the Northwestern road. No. 25, which formerly stopped here at 5:12 a. m., will hereafter arrive at 5:33, nearly a half hour later. No. 13, an east bound train, which has not been scheduled to stop at this station heretofore, will hereafter stop at 5:40. Both changes are very convenient to Denison people as they will not have to get up so early to go west and will also have an early train east.

If you are contemplating getting prices on a large bill of groceries, don't neglect to let the Denison merchant figure on the bill, he will save you money and freight charges over the "catalogue" house. Don't ask him for a quarter's worth of prunes, and then go home and consult your catalogue and find that by buying 25 or 50 pounds you can get them cheaper in Chicago. If you are going to buy 25 or 50 pounds, tell the home merchant so, and he will make a price to you that the mail order houses dare not touch.

In looking over the Carroll papers we notice they are running an advertisement for the retail dealers' association of Ft. Dodge, in which the association agrees to give a free railroad ticket from Carroll to Ft. Dodge and return, to all who purchase over ten dollars worth of goods at Ft. Dodge. The merchants at Ft. Dodge are alive and up-to-date, they see the necessity of reaching out for business. But if the merchants of Carroll were alive they would see to it that their home papers were well filled with home ads and would not have to accept this foreign advertising in order to fill up their home advertising columns. Do you ever hear of the Denison papers urging people to go to some other town to make their purchases? No, the home merchant patronizes his home paper, and is benefitted thereby.

RESPECTED AT HOME HOME MISSIONARY.

The Stock Food Men, Welch's Live at Payton, in Greene County.

JEFFERSON BEE TELLS OF THEM.

Says They Are Respected Citizens and are Conducting an Honorable Business at Payton.

The Jefferson Bee in speaking of Messrs. Welch, the gentlemen who sold stock food in the vicinity of Schleswig, has the following to say:

"The Bee man has not been able to get into direct communication with Messrs. Welch, but from Paton citizens who knew them well and have heard their version of the story, we learn they claim as follows:

That Thomas Welch did recently, as stated in Review article, make a very successful trip to Crawford county selling within a few days \$700 or \$800 worth of Eureka Stock Food. That some time later John Welch went over to deliver the food and make some collections. The Welchethink that in the meantime a story about some stock food swindlers had become circulated in the Crawford neighborhood, and the farmers in talking the matter over concluded the Welchethere were the swindlers and that they (the farmers) were the victims. Mr. John Welch had made some settlements, and was in a livery barn at Schleswig when five farmers came in and knocked him down, blacked both his eyes, cut his head, searched his pockets and taking therefrom \$700 or \$800 worth of notes, tore them up; they took some money besides. Then they told Welch they would give him five minutes to get out of town; he had trouble getting any liveryman to let him have a team, but finally succeeded and drove to Denison. He called on the County Attorney to begin prosecution, but the County Attorney declined to interfere. The Welchethat they stoutly deny that any misrepresentations were made; they say that each purchaser signed an order blank and a note, and that they all understood what they were doing. They will make an effort to secure the prosecution and conviction of the persons implicated in the unpleasantness at Schleswig.

Meantime their friends are sympathizing with them over their loss and their ill treatment."

IN UNCLE SAM'S EMPLOY.

Harry Luney Now Stationed at Montrose, Colo. in a Land Office.

Many Denison friends of Mr. Harry Luney will be pleased to learn that at a recent civil service examination he was one of seven out of 270 applicants that successfully passed the examination, and he is now stationed at Montrose, Colorado, in the land office at that place. His markings were all very high with the exception of letter writing, and he only missed in this because of not paying strict attention to the form of letter. His salary now is seventy-five dollars per month, and by perfecting himself a little his salary will be raised four hundred dollars the first year. His health is very good, and the Colorado climate is said to be in his favor. We congratulate Harry, and trust that his present position may be a stepping stone to something even better.

J. H. Holmes to the Front.

We are in receipt of the proceedings of the Republican county convention of Douglas county, S. D., held at Mitchell, that state, on April 16. In reading over the resolutions adopted by that convention the following paragraph comes to our notice:

"We recognize in our former townsman, J. H. Holmes, of Aberdeen, South Dakota, a gentleman of sterling worth and character, a man capable of holding any office within the gift of the Republican party of South Dakota, with credit to himself and party and recommend him to the State Convention as a proper man for Candidate for Governor of South Dakota.

We also notice that a Denison boy, Mr. Robert D. Walker, son of Mrs. Vic Hedman, was secretary of the convention. Mr. Walker is a practicing attorney at Mitchell and is doing well. We expect to hear from him later in the political field.

Mr. J. H. Holmes will be remembered as being at one time at the head of the Denison Normal College, removing to South Dakota some time ago. The republicans of that state could make no mistake in selecting him as their standard bearer, and we will not be surprised to hear of his being governor of that state in the near future.

Ladies and Children

who cannot stand the shocking strain of laxative syrups and cathartic pills are especially fond of Little Early Risers. All persons who find it necessary to take a liver medicine should try these easy pills, and compare the agreeably pleasant and strengthening effect with the nauseating and weakening conditions following the use of other remedies. Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by

RUDOLPH KNAUL & CO.

Society Met at M. E. Church in Denison Last Week.

DISTRICT OFFICERS PRESENT.

Many Interesting Papers Were Read, Vocal Solos Rendered, and an Election of Officers Held.

The annual convention of the Council Bluffs District Woman's Home Missionary society met at the first M. E. Church in this city last week, the sessions beginning Tuesday afternoon and continuing Tuesday evening and Wednesday forenoon. The convention was a most interesting one and well attended by ladies prominent in missionary work throughout the district.

The morning session was opened by devotional services led by Mrs. O. M. Criswell, president of the district organization. After the preliminary committees were appointed and the reports of the district officers were heard immediately following which were addresses by two Council Bluffs ladies. One was by Mrs. Stratton on "District Work, Its Opportunities," and the other was by Mrs. Logee on "Methods of Work."

The evening meeting was made a most interesting one by a special program. Junia Romans sang a solo, Genevieve Lally and Rose Clarke played a violin duet, and Hilda Broderick read in her usual pleasing manner a selection describing the appearance of the angels to the shepherds on the night of the birth of Christ. The address of the evening was delivered by Mrs. Clark of Boston, Mass., national worker and organizer of the society. In a very entertaining way she told of the work of the society at the immigrant stations and in the slums of the large cities. These are only two out of twenty-two bureaus of work which the society has in charge.

At the Wednesday morning session the election of officers was held resulting as follows:

Dist. President—Mrs. O. M. Criswell, Denison.

Rev. Sec'y—Mrs. W. H. Davis, Dunlap.

Cor. Sec'y—J. L. Williams, Missouri Valley.

Dist. Organizer—Mrs. J. B. Romans, Denison.

Sec'y Young Peoples Dept.—Mrs. C. L. Voss, Denison.

Papers were read and discussed in an interesting manner. Mrs. Griffith, wife of the presiding elder conducted a question box. An interesting paper on "The Mite Box" which had been prepared by Mrs. Bowen was read by Mrs. J. B. Romans. After the adjournment and before the ladies went to the train the ladies of Denison served a nice luncheon in the Epworth League room.

The Republican State Convention.

To-day at Des Moines will be held the Iowa State Republican convention to select delegates at large to attend the National Republican convention to be held in Chicago on June 21. The convention at Des Moines will be of a very harmonious nature, and the delegates to the Chicago convention will be Senators Allison, Dolliver, Governor Cummins and J. W. Blythe. That these gentlemen will represent the party as well as it has ever been at such gatherings is an assured fact. There will be no dividing lines on the question of President Roosevelt's re-nomination. Every delegate will join the great Roosevelt throng at Chicago, and he will be renominated by acclamation. The platform will declare the old republican faith in the cardinal doctrine of protection. The Iowa convention will either adopt some moderate stand along the tariff question, or leave it to be dealt with by the national convention. The convention at Des Moines will be one of the largest ever held in Iowa to select delegates at large.

Feed Pratts Poultry Food

to half your chickens and turkeys. Feed the rest in the usual way. It will only take half the ordinary time to fatten them and will cost much less to do it. Pratts Poultry Food as an egg-producer, disease-eradicator and fatterer is the greatest of all scientific discoveries.

Your dealer sells it and gives you our free 5-page Handbook on Poultry, Hogs and Cattle and how to care for them.

M. M. BRADBURY, Prop.

MRS. EVA GIRARD,
BREEDER OF BARRED PLYMOUTH ROCK CHICKENS.

PEN NO. 1—COCKEREL MATING—This pen consists of 12 large dark 2-year old hens. I have mated to them a cockerel scoring 92 points. He is large boned, well marked, and a shade lighter color than the hens—all evenly barred. Eggs from this mating will produce some fine winners.

PEN NO. 2—COCKEREL MATING—Consists of 10 large hens, all of good shape and color; weight 7 to 8 pounds each; splendid combs, beaks, eyes and legs. They are 2 years old and mated to a cock bird scoring 92 points; he weighed 10 pounds and is as fine a bird in every respect as I ever owned. Eggs from this mating will produce some fine birds.

PEN NO. 3—COCKEREL MATING—Two large, narrow barred cockerels, splendid shape, strong in under barring and color of wings and tail. To them I have mated 20 pullets, all as near the same shade as I can get. All large, evenly barred birds in this pen, and will produce some fine exhibition birds.

PEN NO. 4—PULLET MATING—This pen is made up of ten pullets and hens, all of exhibition color. Mated to them a cockerel of good shape, splendid comb, perfect in beak, eyes and leg, rather light in color of plumage with narrow barring and will produce fine pullets.

Eggs from all of my pens \$2.00 per fifteen.

The following is a list of my matings for 1904.

MRS. EVA GIRARD, SCHLESWIG, IOWA

CHARTER A SPECIAL CAR

Ida Grove People to See St. Louis Fair in Proper Style.

A party of Ida Grove people has hit upon a plan of attending the World's Fair at St. Louis which the people of our town would do well to consider. They are planning to secure the use of a private touring car which will accommodate about twenty-five persons and in this go to St. Louis where the car will be side tracked near the exposition grounds and in which the party will sleep and take their meals, and will thus be independent of exorbitant hotel keepers. The car will be provided with electric fans and every other modern convenience and will make comfortable headquarters for the visiting party. The car will also be provided with its own cook, waiter and porter. We understand that the cost of the trip to Ida Grove people will be \$13 for a lower berth and \$40 dollars for an upper berth, this to include railroad fare, meals and entrance tickets for six days to the exposition grounds. The car which will be used was built especially for private touring parties and we understand that there are but two of them in the state. If Denison people wish to take advantage of this excellent method of attending the World's Fair they should make arrangements to do so at once as this way of traveling to St. Louis is likely to become popular, in which case touring cars will be hard to secure.

For Sale. A good residence property, 2 story house, 10 rooms, all in good repair (new). Terms, easy. Inquire of J. M. POTTER.

Rudolph Knaul and Cassidy & Co. do not hesitate to recommend Kodol Dyspepsia Cure to their friends and customers. Indigestion causes more ill health than anything else. It deranges the stomach, and brings on all manner of disease. Kodol Dyspepsia Cure digests what you eat, cures indigestion, dyspepsia and all stomach disorders. Kodol is not only a perfect digestant but a tissue building tonic as well. Renewed health, perfect strength and increased vitality follows its use.

WHEELER SCREENS ON YOUR OWN HOUSE

Ten-Day Free Trial

By Actual Trial Learn What a Screen Must Do to Satisfy Year After Year.

Before you do anything about Screens we invite and urge you to put the Wheeler on any or every window you wish screened and use them ten days to learn all that a screen can be made to do for comfort and convenience. No matter what you thought to buy or what you thought to pay, first use the Wheeler ten days free and learn all what a screen must do to satisfy year after year.

Begin the Free Trial To-Day.

Any woman fits the Wheeler to crooked or straight windows, upstairs or down, from the inside; no ladder, no hammer, no man twice a year; no waiting, but put in the first day needed, that is before flies come—to keep them out, not after, as usual, to cage them in. Any woman can take the Wheeler off in ten seconds to wash windows, mosquitos, needful in fly time; the Wheeler never binds but always slides freely, the Wheeler cannot loosen in drought and fall; the Wheeler locks to hold baby in and porch climbers out.

Off They Come After the Trial if They Fail.
