COMMENCEMENT EXERCISES.
An Excellent Program Being Prepared
by the Class of '04.

Members of the high school gradu-
ating class are making great prepara-
tions for the commencement exercises
which are to be held at the opera house
Friday evening, May 27. The old cus-
tom of delivering orations will be var-
ied somewhat this year and the pro-
gram will be of a very novel na-
ture. The plans for the event are not yet
fully developed, and Mr. Savage does
not wish the public to know what they
are just at present. We wish to assure
the public, however, that the program
will be one of the best ever given in
connection with commencement exer-
cises in Denison. The school board
has decided to charge an admission fee
of ten cents to those who wish to at-
tend. This will be no burden upon
those who are really interested and
will serve as a check upon the tenden-
cy to jam the house, as has always
been the case heretofore. This is a
good plan and the money received in
this manner is to be put to a commensu-
rable use, that of strengthening the or-
ganization of the alumni association.

The outgoing class is a big one fully
up to the standard of its predecessors
both in quantity and quality or from
any other standpoint from which you
wish to consider them. One lament-
able circumstance, however, is the fact
that out of the class of fifteen only two
of them are boys. We make especial
mention of them and name them first
for fear they may be forgotten. Fol-
lowing are the names of those who will
finish their course in a few days and
upon whom the board of education will
see fit to bestow diplomas:
Temple Kirkup, Lenzen Moeller,
Maude Bell, Myrtle McAhren, Marion
Scriven, Myrtle Ingraham, Florence
Hutchinson, Valeria Matthews, Mabel
Smith, Dollie Paul, Hilda Broderesen,
Mary Shaw Van, Aubra Walker, Jenna
Strahn and Rose Clark.

Died.

On Wednesday May 11 at 7 a. m.
occurred the death of Mrs. J. Carroll at
her home in Pocahontas, Idaho.
Mrs. Carroll was formerly Nellie
Cavanaugh and a daughter of Mrs.
Jane Cavanaugh of this city.
She was taken ill on the Saturday
previous with pleurisy, her illness
lasting but a few days, but even in
such a short time one home is bereft of
a kind loving wife and mother. Her
husband and five year old daughter,
a sister and two brothers were with
her in her last hours. Besides these
she leaves a mother, brother and two
sisters of this place to mourn her loss.
Mrs. Carroll was well known in this
community and the sad news of her
sudden death was a shock to her family
and many friends here.
The funeral services were held at
the Catholic church in that city on
Friday morning. After the ceremony
a long procession followed to the
cemetery where the remains were laid
to rest.

EARL SHAW'S BRAVE DEED.

Distinguished Himself By Saving a
Woman From Drowning.

Earl Shaw, son of the secretary of
the treasury, has recently distinguish-
ed himself by an act of bravery in sav-
ing a woman from drowning at Hono-
lulu. We clip the following dispatch
in regard to it from the Register and
Leader.
SAN FRANCISCO, Cal., May 13—
(Special.—)Passengers of the steamer
Doric, which arrived this morning, tell
of the heroism of Earl B. Shaw, son of
the secretary of the treasury, who at
the risk of his life, rescued the wife of
a wealthy Shanghai merchant from
drowning at Honolulu. She had been
thrown from a canoe and Shaw swam
out and saved her, just as she was per-
ishing. Several daring spirits on
board the Doric thought it rare sport to
attempt to ride the surf in a canoe,
but their frail craft was immediately
upset. All the men managed to grasp
the outrigger, while Shaw saved the
woman.

COLLEGE NOTES.

Mr. Johnnie Erickson, of Kiron, re-
turned last week to finish his work and
graduate in the commercial depart-
ment.

Mr. Piper spent Sunday at home re-
turning Monday forenoon. He has
made arrangements to stay to the close
of the term.

On Sunday Mr. Ralph Hannah was
called to his home north of Vail on ac-
count of the death of a young man who
was a neighbor and intimate friend.

The boys improved the looks of the
building by taking down the storm
doors and windows.

Miss Hall's parents drove up from
Buck Grove Sunday, and made her a
short call.

Death of Mrs. Peter O'Meara.

Mrs. Peter O'Meara, who lived at
Rodney, Iowa, died Sunday at Buck
Grove, of rheumatism of the brain.
Her death occurred at the home of her
father and mother, Mr. and Mrs. Thos.
White. Besides these she leaves her
husband, two children, a sister, Mrs.
Jack Walsh, and two brothers, Tom
and Will, to mourn her loss.
The funeral services were held at
the Catholic church in Buck Grove on
Tuesday forenoon, and the body interred
in the cemetery at Denison. De-
ceased was well known in this county,
and had a host of friends who join in
expressing to the bereaved relatives
their heartfelt sympathy in this their
hour of sorrow.

Miss Emma Raibe returned Sunday
from Ogden, Utah, where she has been
making an extended visit.

The delegates to the Grand Chapter
Convention of the P. E. O.'s at Atlantic
report a profitable time and return high
compliments to the business men and
citizens for the beautiful decorations
for the event.

May 25th, a week from to-day has
been set as the date for the appearance
of the catboat "Ruth", being prepared
by the high school. No canvas of the
town will be made but tickets may be
secured at John on's look store after
next Saturday.

Marriage Licenses

The marriage market is rather slow
this month. Clerk Paul has only five
to report thus far, as follows:
May 3. Roy Ivery, Manilla
(Daisy Price Manilla
John Stammer, Iowa twp.
Anna C. Heckson, Iowa
May 5. Fred Prosemer, Freeport Ill
Clara A. Johnson, Kiron
May 10. Joseph Bauman, Denison
Nellie Hassett, Denison
May 11. George Gardner, Monona Co
Minnie Burch, Monona Co

EARL SHAW'S TRIP TO ORIENT.

Visits Honolulu, Tokio, Yokohama
Shanghai, Manila and Other Points.

Landed in San Francisco on the
"Doric" May the 12th after a pleasant
voyage. Got on the Doric on heron-
ward trip and stayed on her till she
got to Frisco, went on her to Kobe
Japan also Nagasaki and from there to
Manilla and to Hong Kong. We
stayed there ten days and then went to
Shanghai. From there we returned to
Nagasaki and Kobe and Yokohama
and then to Honolulu and from there
to San Francisco. The trip to the
Orient was very enjoyable and the sea
was very smooth both ways. While in
Japan I saw Tokio, Kioto Osaka and
all the principal cities. Japan is a far
more interesting place than China
although a person going to the Orient
would have to see China if it is not
pleasant. Manilla is a city that has
about five or six thousand Americans
in it and a very enjoyable city if it
was not so warm there.

F. J. REINKER, Atty. for Administratrix.

ANTISPOONING SOCIETY.

Classes Rated at \$2 Each at Cornell
University.
An "antispooning society" is the lat-
est creation of the women of Cornell
university at Ithaca, says the New
York World. The new co-ed organiza-
tion aims to discipline the Cornell men
and to teach them the rights of a co-
ed. The provisions of the bylaws
provide for a system of fines for viola-
tions of the principles of the society.
If a Cornell man calls at Sage col-
lege—the dormitory where the co-eds
live—the girl whom he asks for is fined
25 cents. If she permits him to see
her the punishment is increased to 50
cents. The next step is that from
which the society derives its name,
for if she is caught "spooning" with
her caller the fine is doubled and
amounts to \$1. If she should be so
indiscreet as to allow him to kiss her
and so unskillful as to not conceal
that happening an underlined bylaw
provides for a fine of \$2.
There are many quiet forest walks
about the Cornell campus, and for en-
joying one of these with a Cornell
man the unhappy member of the anti-
spooning society is fined \$1. For a
country drive the same punishment is
meted out.

Playing Bridge by Mail.

An innovation in the game of bridge
is to play it by mail. Partners in dif-
ferent cities having been arranged, the
four select an umpire, who deals four
hands and mails one to each. The
game then proceeds in the usual way,
each player communicating his play to
the others through the umpire. It is
not necessary that the players should
be aware of each other's identity until
the contest has been ended.

Woman and Marriage.

A woman may think her husband a
failure, but marriage, never!

Red Snow.

Red snow is frequently observed in
the polar regions and has occasionally
been met with in the Alps and in Scot-
land.

Mexican Merchants.

One of the great advantages in sell-
ing goods in Mexico is that failures are
almost unknown, as the merchants of
Mexico are very conservative and ex-
tend their business only as far as their
capital will permit.

CRAWFORD COUNTY STATISTICS.

Showing the Number of Deaths, Births
and Marriages During Year 1903

The annual report of the number of
deaths, births and marriages in Craw-
ford county, which is being compiled
by the county clerk, reveals a number
of interesting statistics. During the
year 1903, there was 435 births, 114
deaths, and 181 marriages. Of the new-
comers, 219 were boys and 216 were of
the gentler sex. There were 5 pairs
of twins born as follows: to John
Brandt, 2 girls; to Thos. Hayes, of
Nishnabotny township, 2 girls; to Chas.
H. Seiford, of Charter Oak township,
2 girls; to Cary Saxton, of Paradise
township, 2 boys; and to Matt Wolfe, of
Denison township, a boy and a girl.

The average age of those who died in
the county during the year 1903 is
40 years. This is a high average com-
pared to that of the whole country, ow-
ing no doubt to the fact that there are
no overcrowded cities in the county.
Twenty-two of those who died were be-
tween the ages of 70 and 80 and 5 had
exceeded four score years. Of those
who lived out their three score years
and ten, 14 were farmers and 8 were fe-
males. Out of the total number who
died, 13 died of lung fever, 8 of heart
trouble, 3 of consumption, 3 of appen-
dicitis, and 2 by suicide.

"PINAFORE" AT SCHLESWIG

How The Denison Home Talent Pro-
duction Was Received.

(From the Leader.)
The opera, "Pinafore", presented at
the opera house Saturday night by
Denison home talent drew out a very
good crowd considering the dark and
rainy weather. The crowd present
consisted mostly of town people, and
the entertainment gave the best of
satisfaction to all. Miss Sewell as
Josephine, won the deserved applause
of all in her many difficult solo parts.
She is not only a good singer but is a
good actress as well. E. C. Chamberlin
as Ralph Rackstraw, also sang many
difficult tenor parts. The rest of the
leading roles were well executed by
the different members of the com-
pany. Prof. Van Ness of the Denison
normal entertained the audience be-
tween parts one and two with some fine
stereopticon views. The orchestra
music was fine and the several differ-
ent selections rendered before the play
were heartily enjoyed. Taken all in
all this is the best attraction that ever
visited our town and it may be many
years before as good a one will visit
this place again. Had the weather
been good the hall would have been
crowded to the utmost. However the
management is well pleased with the
result.

TEACHERS ENTERTAIN SENIORS.

The Seniors Enjoy a Pleasant Evening
At the Home of Mrs. Crippen.

The teachers of the high school en-
tertained the Senior class at the home
of Mrs. E. L. Crippen last Friday night.
On account of illness, Mr. Savage was
confined to his home and was unable
to attend, otherwise, the party was a
most enjoyable affair. A number of
interesting games were enjoyed, one of
which was the reading of rebuses, the
answer to each one being the name of
a member of the class. Another inter-
esting game was a field contest for
which elegant score cards were issued.
The class has adopted an unique pin
this year showing two owls roosting in
the sway of the new moon and making
200 goo eyes at each other, and this
coat of arms was artistically executed
upon the front page of the score card.
The contest was made up of a number
of exciting events, and each member
of the class was entered for one or
more event. Here are some of them:
low bow, vocal vault, straight-away
sneeze, high and low hurdles, stand-
ing broad griu. Music was also one of
the features of the program and the
time for leaving came all too soon for
the company of jolly class mates and
their esteemed teachers.

EMANUEL STRAESLIN INSANE.

Was Brought Before Insane Commission
Saturday Night. Become Violent.

Mr. Emanuel Straeslin, of East Boyer
township, was brought into Denison
Saturday and taken before the Insane
Commission and after a thorough ex-
amination was declared to be insane.
Sheriff Meehan took him to Clarinda
on Sunday morning. At intervals cov-
ering the past year or so Mr. Straeslin
has acted queer, but was never consid-
ered enough to be brought before the
commission, and up until Saturday, he
was all right. Saturday evening Dr.
Boyle was called out to the Straeslin
home and after some talk and examina-
tion, was compelled to phone for the
sheriff. It was necessary to bind the
patient when bringing him to town.
Mr. Straeslin was a successful farm-
er, and had acquired a fine farm in
East Boyer township, and it is to be
hoped that with proper treatment at
the hospital, he will soon be able to
come home. The farm will be taken
care of by his wife and two boys who
are able to do the work necessary to
get in all the crops.
