## DEATH OF MRS. GARDNER.

The death of Mrs. S. P. Gardner, which occurred on Wednesday, Oct. 26th, at the home of her daughter, Mrs. W. J. McAhren, took from Denison one of its most lovable and best loved characters. A woman who had been identified with the history of Denison since 1860, one of those whose coming meant so much for the refinement of the little pioneer village that nestled among the untraveled hills before even the railroad came on its long journey across the continent.

Mrs. Gardner was born in the state of New York in 1831. Her girlhood days were spent in the empire state and it was there that she was married to Mr. Harriman. The young couple came to the west residing a short time in Illinois and then pushed on for the great journey across the plains. With covered wagon, the Pullman of the early sixties, they journeyed as far as Council Bluffs, where it was decided that the mother and the four little girls should return to Denison with a brother of Mr. Harriman, who was one of Denison's first teachers, while Mr. Harriman should push on to gain a foothold in the Eldorado of the far west. This plan was carried out, but Mr. Harriman was stricken with mountain fever, and after a most painful journey returned to Denison to die but three days after he had returned to his loved ones. Mrs. Harriman was later married to S. P. Gardner, the result of their union being two sons, Waldo, who died in youth, and Henry who survives his mother.

The whole story of Mrs. Gardner's life is that of a self-sacrificing struggle to maintain her little family, to give them what advantages she could and to make of them self-respecting, God-fearing men and women.

Sustained at all times by her own Christian spirit, by patience and industry, she found her reward on earth in the love of her children, and in the consciousness of duty well performed.

Not all heroism is blazoned forth by fame; the greatest acts of heroism are not told upon the bouquets. They are performed in the quiet of the home, in the every day events of the work-a-day world and only the Recording angel takes note and gives the credit.

For a number of years Mrs. Gardner has lived with one or another of her children and has always been to them a helpful, loving, guiding spirit in the home. It was only this summer that Mrs. Gardner had the great pleasure of having all her daughters with her in glad reunion. During the course of their visit together it was often remarked with what motherly love and pride her eyes rested upon her daughters, and it must be a great source of comfort to them to know that these last months were perhaps the happiest of her life. Mrs. Gardner's illness was of brief duration and she suffered but little pain, one stroke of paralysis following another until the end came.

The funeral services were held at the Methodist Episcopal church, Rev. Dr. Emory Miller officiating, his brief sermon dwelling most lovingly on the words "I overcome." Many of the older residents and the many friends of the family were present to pay a last tribute of respect to one who deserved the love and esteem of all.

Mrs. Gardner leaves five children, Mrs. Dora Van Stenburgh of Marysville, Mo., Mrs. Ida Armstrong of Eldora, Iowa, Mrs. L. T. Carr of Oakland, Calif., Mrs. W. J. McAhren of Denison and Mr. Henry G. Gardner of Libertyville, Ill. For them we would express our deepest sympathy for we know that no son or daughter ever outgrew the need of a mother's love and care and tenderness and that it is the greatest grief on earth when the hand of death takes from the home circle

the one who above all others is the center of the family.

Mrs. Gardner was not only a type of the highest womanhood and motherhood but she was a Christian with whom the spirit of the Master dwelt and whose every act was guided by His teachings. The great affection in which she was held by those who knew her best in her church and Christian life is well illustrated by the following resolutions passed by the Bible class of which she was a member:

**Resolutions.**  
The Bible Class of the First M. E. Church of Denison, Iowa, on Oct. 30, 1904, unanimously adopted the following preamble and resolutions:

WHEREAS, the intimate relations we have held with our deceased sister, Mrs. Gardner, render it proper that we should express our appreciation of her lovely Christian character, therefore be it

RESOLVED That while we bow in submission to the will of our Heavenly Father we do not the less mourn for our sister, who has been called from her labor to her reward.

RESOLVED That in the death of sister Gardner this class loses a member who by her grand Christian character and her deep spirituality has been an inspiration to us and endeared her to every member of the class.

RESOLVED That this class tender its heartfelt sympathy to the family of our deceased sister in this their sad affliction.

RESOLVED That a copy of these resolutions be sent to her children here and a copy sent to each of the absent ones.

The theme of Mr. Bryce's sermon at the Presbyterian church next Sunday night will be "The duties and Beauties of Old Age." A fine congregation was present last Sunday night to hear his sermon on "The Men and Victories of Middle Age."

Mr. T. J. Garrison has been exhibiting a number of apples raised by his son Ray D. Garrison, in his orchard at Grand Junction, Colo. The varieties consisting of Wine Sap, Gano, Ben Davis and Colorado Favorite. The orchard consists of twenty acres, and this is the second year that it has borne in quantities to speak of, and this year Ray will have over 3000 bushels of apples of the different varieties. In addition to this he had 250 boxes of pears, about 150 boxes of peaches, besides blue plums, cherries, and the smaller fruits. He has been engaged, with all the helpers he could get, for four weeks in picking, assorting, boxing and delivering his apples, and the bulk of his crop is now put upon the market.

Henry Cummins, deputy sheriff at Arion, was a Denison visitor on Tuesday.

Albert Riepen left last week for Kansas City where he has a good position in a business house.

The many friends of Mr. Chas Powis will regret to learn of his death, which occurred recently in California, where he and his estimable wife had gone to reside. For many years Mr. Powis was a resident of Crawford county. About three years ago he decided to quit farming and together with his wife took a sea voyage to England. After returning to America Mr. Powis decided to locate in California where he purchased a small farm.

Mr. V. S. DeLay, of Odebolt, has accepted a position as pharmacist with the Denison Drug Co. and has entered upon his duties. Mr. DeLay is a gentleman very highly recommended, having been in the drug business for a number of years. He is a prominent Knight of Pythias, now holding the office of Outer Guard in the Grand Lodge of Iowa. His family expect to arrive in Denison soon and make this their permanent home.

An enjoyable reception was given by Mrs. O. A. Patterson last Friday afternoon, the two periods being from three to five and from five to seven. The number of guests present at the different hours was 100. They were admitted into the splendidly equipped parlors by Miss Clara Scriver. Mrs. Patterson had carried out a beautiful color scheme in her house decorations, the colors being red and yellow—red candles illuminating the tables, yellow chrysanthemum decorations and favors of red Jacque roses. The hostess was assisted by Mrs. W. J. Scriver and Mrs. D. W. McAhren. The out of town guests were Mrs. L. M. Shaw and Mrs. Hargens. Mrs. Patterson has a reputation in society as being an ideal hostess and the reception of Friday was in keeping with past events.

Two weeks ago last Saturday the Dow City high school girls played basket ball at Woodbine, the score being a tie of 5 and 5. The Dow City Enterprise says: "The game can well be called Dow City's for the game was not played on their own ground." All right, then. We claim Saturday's football game on the same ground.

Mr. J. F. Glenn, the very efficient and accommodating manager of the Crawford county telephone, has made exclusive preparations for receiving election news on the night of election. He has so systematized matters that in order to get the best of service all one has to do is call Phone No. 1 and the call will immediately be answered and any information at the disposal of the operator will be given.

We are in receipt of an interesting letter from I. O. Orem of Oregon, formerly of Denison, which we regret we are unable to publish on account of lack of space. In the letter he describes in an interesting manner a recent overland trip which he and his family took to the Pacific coast. He likes the country out there and is prospering. He also speaks of having come across Jerry Lane, whom many Denison people will remember, as he was janitor of the old Baptist church for six years. He has moved from Liberal to Mulino and writes to have his REVIEW changed to that address.
