CHILD BURNS TO DEATH.

Terrible Catastrophe Takes Place Five Miles North of Kiron on Last Wednesday Morning.

News of a terrible accident took place near Kiron last Wednesday morning in which the 6-year old daughter of a farmer was burned to death as the result of playing with matches. We gather the facts from the following clipping from the Marshalltown paper.

(Special to The Times Republican) Kiron Nov. 4.—The 6-year-old daughter of Mr. and Mrs. Hans Bonnicksen, who reside five miles north of town, was so severely burned Wednesday morning that she died within two hours from the injuries.

The men and one daughter were out in the field picking corn and Mrs. Bonnicksen was out in the barn yard, three of the children having been left in the house by themselves. In some way they got hold of some matches and in playing with them the clothing of the eldest of the girls caught fire, and before help could arrive she was almost burned to a crisp. Her body was black and charred all over. Medical aid was summoned as soon as possible, but nothing could be done for the sufferer.

This happened about 7 o'clock in the morning and two hours later the child expired. The flesh of the little one cracked open and the sight was a terrible one.

The bereaved mother is almost crazed by the terrible catastrophe.

On Saturday last Dr. C. W. Carr had a slight attack of prostration, caused from overwork. The doctor had been very busy night and day for almost a week and was simply exhausted. He is now feeling better and with quiet and a good rest of a few days he will be able to be about again.

Miller of Chicago and one by Mrs. Pennington, of Sterling.
