

# \$115.00 WORTH OF PREMIUMS GIVEN AWAY AT CHAMBERLIN'S JEWELRY STORE. COME IN AND SEE ABOUT IT. FINE THING

Remember that this counts when you pay up your old account also. I need the money and this is a good chance for you TO BE GOOD AND PAY UP. And then, too, one look at our stock and you will know where to buy your Christmas goods. And ANOTHER THING I wish to impress upon you is the fact that there is no place on earth where you can have your watch fixed in better condition THAN AT OUR STORE. It costs money to keep a REAL watchmaker, but that is the only kind that will do us. We also have a house for sale in north Denison.
