KNIGHT'S TREE A SUCCESS.

Many Knights and Their Ladies Have Good Time at the Christmas Tree at Castle Hall Monday Evening.

The Knights of Pythias Christmas Tree held at Castle hall on Monday evening was a great success despite the severe weather. There were some thirty-five knights and their ladies present, and all had the best kind of a time. Santa Claus had the crowd figured up about right and each one present was remembered with a present of some kind, the presents consisting of everything imaginable from a bar of limberger cheese to tobacco. There were toy dolls, samples of perfume, smoking tobacco, cob pipes, nursing bottles, nerve tonic, "early risers," "pure maple syrup," jack-in-the-box, and a hundred and one other similar presents. A. D. Wilson acted as Santa Claus, and was attired in a long flowing robe, sleigh bells, and heavy cream whiskers and his distribution of the presents was comical and created much merriment.

The opening exercises of the evening commenced with some reports, a song by the audience, and then Mrs. J. B. Romans gave a reading. This she did in her usual pleasing manner to the delight of all present, after which Prof. Van Ness threw a number of classical and comic stereopticon views upon the curtain, interspersed with short descriptions and songs. The committee on refreshments had prepared nice popcorn, apples and trapps, and two young ladies assisted by some of the Knights waited upon the guests at intervals and all seemed to relish the repast.

After the program had been carried out the tree was relieved of its heavy burden of presents, and the merriment was kept up until eleven o'clock, when all dispersed, voting a splendid time, and expressing a desire for more social gatherings of the Knights.

Mrs. Ferrill and children, of Boone are visiting Mrs. Ferrill's sister Mrs. Bamford this week.

THE BALLE-BRODERSEN CO.

Department Store, Denison, Iowa

THE TIME is now at hand when an effort must be made to dispose of the fall and winter stock before inventory, and in our particular case, the disposal of the heavy stocks is especially desired before we move into our new building. In order to promptly reduce our stocks in every department, greatly reduced prices will prevail. Though our Cloak and Suit sales have been vastly greater than before, still we have a number of garments on hand, which we have greatly reduced in price. Each and every garment must be sold before the season's end. No garments will be moved to the new store. We would advise those contemplating a cloak purchase to come early as the remaining stocks will be reduced very fast at the present prices.

On Monday, January 2nd, Store will be Closed at Noon.
