## A MUCH BELATED PORTRAIT.

Excellent Likeness of Prof. Earnest W. Fellows, Recently Elected Superintendent of Denison Schools.

As stated last week an excellent portrait of Prof. E. W. Fellows, our newly elected superintendent, came just too late for publication. We publish it herewith, as we know all our people will be glad to thus become somewhat acquainted in advance of the school year. We welcome Prof. Fellows to a place in our community.

### RANDALL'S PRIZE OFFER.

Your attention is called to the prize offers made by A. D. Randall of the Broadway Meat Market. A legitimate opportunity is offered the bright pupils of the Denison High school to earn some spending money, and the teachers are to receive a substantial prize. Mr. Randall has other prize offers in contemplation. So watch the announcements and the prize ads and be ready when your turn comes. THE REVIEW is much pleased to see the business men taking such an active interest in the advertising department of their business and we believe it bespeaks an increasing trade for Denison.

### THE BOYS AT WORK.

The newest business firm in Denison is that of Tamm, Sewell & Gulick. Mrs. Tamm, who is one of the best women in Denison, has rented four acres of ground and Louie Sewell and Leslie Gulick will work it this summer. They will raise poultry and garden sass and the boys expect to live on their miniature farm during the summer months.

We wish the new firm the greatest possible success.

Stewart Scriver, who is another ambitious boy, will work on a farm during the summer months, while Raymond Conner will work in THE REVIEW office. We are glad to see the boys taking hold of work in earnest and it is easy to see that such lads will make a success of life.

### A BANK CONSOLIDATION.

We have heretofore had occasion to speak of the strength of the Farmers Bank of Charter Oak, Iowa, and the large number of influential men in control of it. As an additional evidence of its prosperity, we mention the fact that but recently it purchased and has taken over the Farmers Bank at Ricketts, and has moved the same to Charter Oak where it is now merged with the former at that place.

The depositors in the Bank of Ricketts will be paid by the Farmers State Bank at Charter Oak, if they so desire, but it is anticipated that most of them will be pleased to leave their money on deposit with the latter bank. As was predicted, this institution is proving itself a credit to Charter Oak and community, and we have no doubt but what it will soon be recognized as one of the strongest institutions in this part of Iowa.

### MORE TEAMS MOVE IN CHICAGO.

Employers Teaming Company Succesfully Sends Out Wagons.

Chicago, May 10.—The large department stores and the express companies have resumed business on almost a normal basis. They sent their wagons into the extreme parts of the city, in some instances without police protection, and transacted their business without interruption or trouble of a serious character. Sixteen hundred teams are at work and the number will be increased. Notwithstanding this apparent gain, however, there are strong indications that the strike will spread within the next few days, not only among the teamsters, but will involve other unions as well. The drivers of the Wenig Teaming company, a large concern chiefly engaged in delivering flour, went out when one of their number was discharged for refusing to deliver flour to a boycotted house.

In some quarters it was feared that the strike of the Wenig company drivers would produce a shortage in the supply of flour, but the officers of the company say that they have a supply sufficient to last the city for a week and that at the expiration of that time they will be able to make deliveries as before.

There were numerous clashes in the streets between nonunion men and the police and union teamsters, who attempted to block the passage of the wagons of the Employers' Teaming company. There were also a number of attacks made on nonunion men by workmen in buildings, who pelted them with all sorts of missiles from a safe distance. These fights were all in the character of rear guard attacks and bore no resemblance to the open violence committed during last week.

The taking of evidence relative to the granting of the injunctions issued temporarily by the United States circuit court in favor of the employers and the seven express companies commenced before Master-in-Chancery Sherman.

### THE ART EXHIBIT.

The Art exhibit proved to be a great success, the attendance and sales surpassed the expectation of the federation. The display of water colors, carbon photographs, etchings, prints, etc., was very creditable. The exhibit was in charge of Mr. Smith, who proved to be very gentlemanly and obliging.

Good music given by the Misses Lally, Romans, Laub, Caswell, Stocking, Kuehnle, Kirkup, Nash and Raine, enlivened the hour, and the singing by Mrs. Lou Martin and Miss Garnet Romans was another great feature much enjoyed.

The purchase committee had a difficult task in selecting the pictures for the club room. Mrs. R. A. Romans was chairman and the other members were Mesdames Johnson, Young and Laub and Miss Meyers. The first choice was an easy one, "A Reading From Homer," a copy of Alma Tadema's famous painting seems to have everything in its favor for a club room. The second was not so easy, but the ladies decided upon an original water color called "The Storm." The federation felt that one good picture was better than more reproductions or cheap pictures, and as "The Storm" is by a rising artist, the ladies felt it was money well invested. In buying good pictures, the ladies, we are sure, made no mistake. To Mrs. Voss, Mrs. J. B. Romans and Mrs. R. A. Romans, the federation is much indebted for the interest and successful way in which the exhibit was carried on. We hope that each year one or more of these exhibits can be held.

### NEW POSTMASTER AT WEST SIDE.

Mr. S. C. Blackman who has for many years been the efficient postmaster of West Side has resigned his position and expects to remove from that city. His successor Mr. William L. Spotswood, one of the old time residents of West Side, has already been appointed. The appointment was made without opposition and it appeared to be the unanimous wish of the community that Mr. Spotswood should be thus honored.

We regret to lose so good a man as Mr. Blackman from our country and wish him the utmost prosperity wherever he may make his home. We would also congratulate Mr. Spotswood upon his appointment and upon the splendid endorsement he received from his old friends and neighbors.
