DEATH OF A PIONEER.

Long and Useful Life Comes to Its Close.

E. H. WOOD PASSES AWAY.

Funeral Services at Denison on Sunday. Interment at Old Home at DeWitt, Ia.

In the death of Mr. E. H. Wood, Denison is called upon to mourn another of its pioneers. A man whose integrity was unquestioned, and whose whole life was one of sincerity, uprightness, earnestness, thoughtfulness and morality.

Coming to Denison a quarter of a century ago, he was one of those who lived to enjoy peacefully and quietly the fruits of years of toil. His figure was a familiar one on our streets and many will miss his quaint philosophy, his staunch support of what he deemed to be right, and his hearty approval of what he deemed best for the country and for the community.

He was as loyal a friend as any man ever had, not demonstrative in his friendship, but one of those upon whose friendship you could depend in season and out of season. Mr. Wood was a republican. Politics may be considered out of place at such a time, but we do not think that Mr. Wood would have wished that part of his life omitted. For it was a part of his life. He was a republican of the old Abe Lincoln type; a republican who felt that his duty began at the caucus and did not end till all the votes were counted; a republican who knew why he belonged to that party and who gloried in its history. He was a man of wide information; well read; a thinker; a man who could always give a reason for the faith that was in him.

Enoch Harvey Wood was born in Fayette county, Pennsylvania, June 28, 1827. He was married to Miss Dorcas L. Bell of Jefferson, Green county, Pennsylvania, on Nov. 4th, 1852, it being less than three years since the faithful couple celebrated their fiftieth anniversary of happy wedded life.

In 1857 Mr. Wood came first to Iowa, living near DeWitt, in Clinton county. For some years he lived on a farm and then moved to the city of DeWitt and engaged in the stock and grain business.

It was in 1880 that he came to Denison and settled on a farm eight miles northwest of this city, for thirteen years he lived on this farm and then moved to Denison, engaging in business to a sufficient extent to keep mind and brain active, preferring as he did to "wear out" rather than to "rust out."

For some years he has been a victim of rheumatism and he has known much suffering. His last illness was long and painful and it was with relief that he laid his burden down.

Besides his faithful and affectionate wife, Mr. Wood leaves four children, Mrs. J. G. Pearse of DeWitt, Iowa, Mrs. W. T. Cressler of Cincinnati, Ohio, Mrs. J. F. Woodruff and Mr. A. B. Wood, both of this city. They have our entire sympathy in their time of mourning, for they have lost a kindly father, just as the community has lost an earnest, sincere and upright citizen. Personally, we shall miss him, miss his friendship, miss his kindly counsel, miss his stalwart support for all that was good and helpful for his Nation and for his home.

Brief funeral services were held at the home on Sunday morning, Rev. G. E. Morphy of the First Baptist church officiating. The remains were then taken to the old home at DeWitt, where interment was made on Tuesday afternoon.

We are pleased to be able to give to our readers an excellent likeness of this good citizen and faithful friend and we know that it will bring kind and tender recollections to the hearts of all.

KING DRAG A SUCCESS.

Clare Tribune: Seeing is believing and anyone with eyes can see the work which was done by those two drags which were started here last Tuesday.

E. J. Hood started with one at nine o'clock in the morning and by twelve he had the half mile of roads west of town in good condition. He did more actual work in those three hours with a two dollar drag and one team than five men with a hundred dollar grader and four teams could do in a day when the roads are hard, dry and lumpy. Dr Baldwin also started one the same day and before night it had smoothed off the road a mile south and a mile east of town. We will not try to convince anyone by talk. All you need do, no matter how skeptical you are about the matter, is to go and see the work those drags do and you will be convinced of their practical value.

MAINS IS THE WINNER.

Judge Conner Decided the Charter Oak Postoffice Contest Today by Recommending I. A. Mains.

Believing that nothing was to be gained by a prolonged controversy, Hon. J. P. Conner, after giving all parties a full hearing, has decided to recommend Mr. I. A. Mains to be postmaster at Charter Oak to succeed Mr. P. D. McMahon, whose resignation will take effect this fall. The decision was rendered difficult by the high standing of all the candidates and the zeal of the friends of each. Mr. Mains is one of the oldest citizens of Charter Oak, he has been a consistent working republican through all these years and it seems to be the opinion of the majority of Charter Oak people that he has fairly won the honor of the appointment. The other candidates were younger men, men who will doubtless receive due recognition from their party at another time. We congratulate Mr. Mains upon his selection and particularly do we congratulate the republicans of Charter Oak upon the fact that while the friends were earnest and sincere in the support of the different candidates, there has been nothing approaching bitterness and there appears to be no reason why the republicans of that city cannot work together with that harmony which has won them so many splendid victories in the past.

PLANS FOR THE FOURTH.

The various committees of the Commercial club are getting to work on the Fourth of July celebration. So far we are unable to give a detailed program, but enough has been done to guarantee a splendid time for all. As previously announced, Hon. T. D. Healy of Fort Dodge, will be the orator of the day. The parades committee has determined to make this one of the great features of the day and the merchants are entering into the matter with such spirit that there can be no doubt but that the parade will eclipse the very excellent one given last year. One hundred fifty dollars has been voted for prizes for the sports of the afternoon. This is a goodly sum and should secure good races. The firemen have agreed to give an exhibition run. As they were in training for the Wall Lake tournament, they are in good condition to give the people an exciting and realistic exhibit of fire fighting.

A base ball game is being arranged. The famous Carroll band has been engaged. There will be music and dancing and plenty of fun for young and old. Better make your plans to come to Denison and have a day of solid fun and jollity and patriotism.

BIG REAL ESTATE DEAL.

Mr. E. Riepen Sells All of His Denison Holdings to Mr. Carl Gronau, of This City.

A big deal in real estate was consummated this week when Mr. Ernst Riepen sold all of his Denison property to Mr. Carl Gronau. The consideration was in the neighborhood of \$18,000.00, Mr. Riepen receiving an entire section of Kansas land and Mr. Gronau securing title to the elegant Riepen home in west Denison, three acres of ground inside the corporation and the corner of Court Avenue now occupied by the McKane billiard hall. Mr. Riepen gives possession on July 1st, moving to Kansas City, where he believes he can best carry on the large wholesale liquor business which he is building up.

Mr. Gronau and Mr. B. J. Sibbert will occupy the Riepen residence and the handsome Gronau residence on Main street will be rented. Mr. Gronau informs us that he will build this fall on his newly acquired corner, erecting a building similar to the Knaul drug store. It is reported that Mr. Keopke will also build on the corner now occupied by Mr. J. G. Wygant and the block will then be composed of modern brick buildings.

Mr. Riepen and family have made many friends in Denison during their years of residence who will deeply regret their decision to leave our city and who will wish them the utmost success in their new home. Mr. Riepen is a good business man, straightforward in all his dealings, and he should make a success of whatever he undertakes. His family are prime favorites with the young people of Denison and they will be greatly missed by all.

It was currently reported that Mr. Gronau had sold his Main Street residence, but we are authoritatively informed this morning that this is not true and that the residence is not for sale.

ARE MARRIED TODAY.

Dillon-Gable Wedding Takes Place This Afternoon.

UNOSTENTATIQU WEDDING.

Unites One of Denison's Most Lovable Daughters to a Promising Young Pennsylvanian.

This afternoon the ceremony was performed which united John William Dillon and Miss Blanche Gable in the bonds of holy wedlock.

Owing to our hour of publication the REVIEW is unable to give the particulars of the quiet, nappy home wedding which united these happy young people. Only relatives and most intimate friends of the bride and groom were present and the ceremony was performed by Rev. Dr. E. Miller of the First Methodist church. After the ceremony a wedding dinner is to be served and Mr. and Mrs. Dillon will take the evening train on the Northwestern for their future home.

The bride is one of Denison's most attractive and lovable daughters, the daughter of Mr. and Mrs. J. H. Gable, she was born in Denison and has here grown to lovely womanhood. She is of happy disposition, sensible, practical, wholesome and good hearted. She possesses in a high degree those qualities which make for a happy healthy broad-minded American home. Our kindest wishes go with Blanche to her new home and we unreservedly congratulate the groom upon the prize he has won.

Mr. Dillon is known here through frequent visits. He appears to be a young man of high character and impulses and the position he holds in the Government service is a guarantee of his ability. He is in the United States Railway mail service, a position requiring the most active intellect and the best intelligence. His headquarters are at Pittsburg and it is there at No. 4 Morrow street that the young people will be at home after July 1.

It is with pleasure that we present to our readers a portrait of the fair bride of today, and extend our most sincere good wishes for a long, happy and prosperous life.

MARRIED.

At the home of the bride's mother Mrs. Thomas McCollough at 11 a. m. Wednesday June 14 by the Rev. G. E. Morphy pastor of the Baptist church, Mr. F. M. Essex and Miss Edith McCollough were united in marriage.

Mr. Essex a graduate of the Denison Normal college is a successful school teacher. Miss McCollough is a fine young lady who has grown up in Denison and is very popular with her friends and companions.

They will make their home in Superior Iowa after the vacation where Mr. Essex begins his work as teacher. Their many friends join in wishing this couple prosperity and happiness.

OBITUARY

Mr. David Fitzpatrick died at the home of Mr. J. W. Bauman on the morning of Sunday June 11th. He was a bright young man of but 23 years of age and had come to this county for the benefit of his health but a few weeks ago. He was born in Knock Brack, county Kerry, Ireland and came to this country but a year ago. He worked in New York City where he contracted pneumonia. Going to work before he had fully recovered he suffered a relapse and came to Iowa hoping to regain his health. Unfortunately the journey was unavailing and the dread pneumonia claimed him for a victim. He leaves two brothers and two sisters, John, Maurice, Lizzie and Nora all living in this vicinity and an aged mother in Ireland. There is something sadly pathetic in the death of this young man who came to America to seek his fortune only to find sickness and death and we extend our sincere sympathy to the loved ones he has left to mourn. The funeral service was held on Monday morning at St. Rose of Lima church, Rev. Father M. J. Farrelly officiating and the remains were laid to rest in the Catholic cemetery.

DIED OF HEART FAILURE.

The sad news of the sudden death from heart failure of John the son of Mr. and Mrs. J. W. Buffington will sadden the hearts of many friends. Death occurred Tuesday at midnight. The deceased was a fine young man, he had just reached his majority and gave every promise of a long and useful life. The sorrowing loved ones have our sincere sympathy in their great bereavement. The funeral services will take place at the home on Friday afternoon at one o'clock.
