Supervisors Vote to Disapprove of Cousin Jack.

THE VOTE WAS UNANIMOUS.

Review's Course Vindicated By Action of the Board. Deputyship Now Vacant as Cramer Has Gone.

On Thursday the Board of Supervisors put the seal of their disapproval on the appointment of Cousin Jack for Deputy Sheriff. The action was speedily taken and without much comment. Moreover the action was unanimous, the four democrats and the one republican voting together. It is said that this is the first instance where such an appointment has been rejected by the supervisors of this county, and it speaks well for the board that it did what it considered its duty without regard for politics.

As soon as the appointment became known there was great disapproval expressed on all sides. There is nothing to be gained by going into particulars, but there was a general expression, from leading democrats as well as republicans, that the appointment was unwise and should not be approved by the board. The Review knew the facts and had the courage to publicly voice the sentiment of the people, drawing upon it the ire of the sheriff. The Bulletin knew the facts but partisanship or cowardice bade it keep silent. The board of supervisors, four democrats and one republican, had the nerve to do their duty, even if the democratic organ did not.

Personally we have nothing against either Cousin Jack or Sheriff Meehan, we would not put a straw in the young man's way to prevent him from earning an honest living in any private way, but we did think his appointment as deputy unwise, and, without malice, but with an eye to the public good, we said so. It now appears that the board took the same view of the case. The Review cheerfully accords the board all the credit for their action, it does not claim that it "did it with its little hatchet," but it does claim that it had the courage of its convictions where the Bulletin did not. We claim that it is the duty of the public press to be fearless in such matters and that the Review fulfilled this duty while the Bulletin did not.

The rejection of this appointment by the board leaves the office of deputy vacant as Mr. Cramer has gone to Nebraska. It is now up to Mr. Meehan to make another appointment, and if he selects a suitable man, we promise that the Review will have no criticism to offer.

EXPOSITION POSTPONED.

International Live Stock Exposition at Chicago Postponed to Dec. 16th.

The International Live Stock Exposition is postponed until the week of Dec. 16 to 23 through the inability of the builders of the new amphitheatre to secure the structural steel on time.

All events pertaining to the exposition will be held on days of week corresponding to those arranged the previously advertised week. This change in date will no doubt make the attendance a great deal easier to a number of people who could not leave home for the earlier date. So let every one know about it and all pull together to make the event one long to be remembered. No better beginning to the holiday season could be made than spending this week at the exposition. The magnitude of the building will impress you so that you will easily realize how it is possible for a delay to occur such as we have been forced to admit.

Baking powders made from alum, phosphates and other harsh, caustic acids are lower in price, but they are injurious to the stomach.

"The injurious effect of alum on the mucous coat of the stomach is positive and beyond dispute; it is both an irritant and an astringent. The use of alum in any article of food or article used in the preparation of food should be prohibited."

KRUGER COMMITTED SUICIDE

Mr. Albert Kruger Shoots Himself at Omaha While Temporarily De-ranged.

We learn that Mr. Albert Kruger, a well known and highly respected citizen of this county for many years, committed suicide last Friday at Omaha. The Review has learned but few details of the sad affair, but we are told that he had brooded for some time over the fact that monies which he had expected from Germany did not arrive. In his pocket was found a letter from his brother, Mr. Emil Kruger, of Schleswig, telling him to have patience and the money would come in good time. However, the matter worried him greatly, and on Friday night he went back to the Millard hotel in Omaha and there shot himself, death quickly ensuing.

The act can only be accounted for by his despondency which resulted in temporary aberration.

Mr. Kruger comes of one of the best families in the county, he worked for several years for Ryan & Ratchford at Vail. He was about twenty-five years of age. We sincerely sympathize with his family in their great grief over his tragic death.

WENT INSANE ON TRAIN.

Kiron Girl Suddenly Afflicted While on Journey to Western Coast. Brought Back from Cheyenne.

Esther Lindblad, who lives with her mother near Kiron, was taken violently insane last week while journeying to Tacoma, Washington, to visit her sister. She became ill on the train when nearing Cheyenne, and soon became so violent that she was taken from the train and placed in a Cheyenne hospital. Her mother at Kiron was notified by telegraph and friends were sent after her who brought her back on Saturday. Miss Lindblad is a bright looking young girl and it is hoped by all that her derangement will prove but temporary. The high altitude and the excitement of the journey are given as the probable causes of the sad misfortune.

BLUSTER AND BULLYING.

The Bulletin of last week accuses the editor of the Review of lying, lying, concerning it in its issue of October 25th.

The Review of that week contained but two references to the Bulletin. One in connection with the court house matter; the Review said: "The Bulletin of last week tried to lay the blame for this (delay) on the architect. If the Bulletin wishes to go into the (court house) matter, let it place the blame where it belongs."

The lengthy reply which Mr. Berlinghof made to the Bulletin's article, which that paper published, is sufficient to prove that there was no lying or no lying in this.

The second reference to the Bulletin was in reference to "Punishing Klinker," in which it was charged that the Bulletin's attacks upon Mr. Klinker were inspired by newspaper jealousy, and that the editor of the Bulletin had warned Mr. Klinker that he would "get even" with him for not giving Green's letter to that paper. We have Mr. Klinker's word for the above statement, and we believe Mr. Klinker told the truth.

It is easy to talk of lying and lying, but it is not nice and it proves nothing. The Review has told no lies about the Bulletin or its editor, and bluster and bullying will not serve to prove that it has.

SCORE WAS CLOSE

Logan Defeats Denison By One Touch-down

HOME BOYS PLAY WELL.

Their First Game Proves That Denison Has the Material for a Splendid Team.

Denison football team met the Logan football team on the college grounds last Friday, Nov. 3rd, and was defeated by a score of 5 to 0. The day was a good football day and the grounds in fine shape.

The game was called at 8:30. Denison won the toss and chose the north goal and Logan kicked to them. Jack Maloney fumbled the ball and in trying to recover it collided with a Logan player and had his shoulder injured so that he had to leave the field. Will Laub was shifted to fullback and Theobald took his place at tackle. This gave Logan the ball on Denison's ten yard line. Logan started in with a rush and advanced the ball to Denison's one-half yard line when Denison held and Logan also fumbled and Walker fell on the ball. Denison then started a series of line plunges by Laub at full back until the goal was out of danger, when they sent Rob Romans around right end for forty yards. Logan held and Denison attempted to punt and failed and Logan got the ball and failed to gain and it went to Denison on downs. Denison, after a few short gains again punted and Logan was held on her own twenty yard line, and the half ended with he ball near Logan's goal, neither side able to gain.

In the second half Denison kicked to Logan and they carried the ball nearly to the center of the field on the kickoff and by steady plunges carried the ball into Denison's territory, where Denison took the ball on downs and failing to gain again made an attempt to punt which failed and Logan got the ball on Denison's twenty yard line and carried it over for a touch down from which they failed to kick goal. This was the only score of the game.

Logan kicked to Denison on the north field and Nelson carried the ball back for twenty yards. Denison then started with the ball for Logan's goal and fumbled and the ball went to Logan. They seemed to brace up and took the ball to Denison's five yard line and Denison held and took the ball steadily down the field when time was called with the ball on Denison's forty-five yard line.

Both teams were strong, but Logan showed the best training as they had had five games this year and this was Denison's first.

FIRST LECTURE COURSE NUMBER

One of the best concerts that it has ever been Riverside's good fortune to have was when the Manning Glee Club opened the Lecture Association's course with a packed house. To sum it up in a few words it was fine from beginning to end. The men composing the club were equally clever as genuine fun makers as they were at rendering high class vocal compositions. Compared, the three parts of the program were "good, better, best,"—good in solo, concert and glee work, and the hit of the evening came when they put on female attire and gave a burlesque milkmaid scene.—Riverside (N. Y.) News. You cannot afford to miss it. Thursday, Nov. 16th. Seats on sale and tickets reserved at Johnson book store Nov. 13th.

Rummage Sale—Great Bargains.

The City Federation of Clubs will hold a grand rummage sale, beginning Thursday, the 16th, and lasting three days, in the Bullock building. This is the third annual sale held by the clubs and judging from the success of the two held, they fill a long felt want.

The rummage sale is a clearing house for housekeepers—a place where you can exchange something you don't want for something you do need.

Clothing, for men and women, boys and girls, shoes, dishes, chairs, stoves, book, hats and caps, everything needed to outfit you for sale at low prices.

Anyone having garments or anything to donate to the sale please phone Mrs. J. B. Romans or Mrs. W. H. Laub and the gifts will be called for. The sale will be conducted by the Friday club on Thursday, the Womens club on Friday, and on Saturday by the S. S. C. and the P. E. O. clubs.

A market day will be held and all of the best cooks will send in choicest cakes, pies and doughnuts, etc. Don't forget the rummage sale, the 16th, 17th and 18th of November, at the Bullock building.

or stylish than the single or double-breasted belt our tourist coat. In a way, it is a sort of winter negligee coat, especially suitable for traveling, winter sports, etc. Its length and ample fullness make it an especially swagger garment for young men.

The peerless K. N. & F. workmanship brings out the splendid shoulders, collar and general "hang" of the coat to perfection. It may be worn with or without belt, as desired. We consider it one of the handsomest styles of the season.
