This is the big real estate day of all the year. It has come to be a much more important day in Iowa than January first, except for the swearing off feature.

It has been suggested that the republicans of Denison try a primary on their own hook for the selection of City candidates. The Review would be willing to try any plan that would arouse interest in city affairs.

The primary law was defeated in the State Senate on Tuesday. Perhaps it is as well, since the factional spirit had run so high, that the measure was defeated at this time. The Review predicts, however, that the next general assembly will enact a law, which while not going to the full extent of the Crossly bill will give much wider opportunity for the people to express their direct wishes in party nominations.

The Ridgeway concert pleased every one. Miss Ridgeway, herself is so charming, so full of spirit and "go" that she would please a much more critical audience than the one who greeted her Friday night in fine humor. Her selections are new and she gives them as though it was all a great joke and not a bit hard work. If our people could have had their way we believe they would have had an all night performance. Miss Ridgeway's support did not equal her by any means but was very good "filling." The pianist was very fine and his playing was much enjoyed.

"The lecture course is a success." It will soon be as a success as Dr. Greene's lecture closes the program.

Mr. and Mrs. Herbert Allard arrived in Denison this week and expect to get busy at once getting things ready for the opening of their big novelty store, March 17th. It ought to be a good omen to start business on St. Patrick's day. Mr. Allard appears to be a wide-awake energetic young business man, he has a brand new stock of goods and with his fine location should do well. Mr. and Mrs. Allard will occupy the residence recently vacated by Dr. E. Kemp.

Geo. Spottswood was a business caller in Denison on Tuesday. Mr. Spottswood is the assignee for Suhr & Co. He tells us that the assets of the firm are about \$35,000.00 and the liabilities about \$28,000.00 and that he believes if matters are not forced all claims can be paid dollar for dollar. He is now trying to form a stock company to purchase the business and continue it. He deprecates the movement on the part of some of the creditors to throw the concern into the bankruptcy as being unnecessarily expensive and he hopes to convince Judge McPherson to that effect when the matter is called for hearing in Council Bluffs, March 9th. Mr. Spottswood says the firm's troubles are due to mismanagement in undertaking more than their capital warranted.

All the youngsters in town are selling tickets to the school entertainment to be given Saturday night. There is great rivalry among the different rooms to see which shall sell the most tickets and it is a hard hearted man who can refuse to buy.

The Trinity Guild gave a delightful party last Thursday at the home of Mrs. E. F. Tucker. Delicious refreshments were served and jolly games were played in which Mrs. W. W. Ferguson won the first prize and Mrs. V. Hedman the consolation prize.

Next week's great attraction at the opera house will be "A Woman's Sacrifice," Friday evening, March 9th. Special scenery, 15 acting people and seven big vaudeville numbers. This play is put on by the renowned Shaw Gallagher Amusement Co. of New York City. This is an attraction worth seeing.

Always on hand a fresh supply of Blacklegoids at Schlumberger's Pharmacy.

Mrs. E. A. Stone of Tama, is the guest of her many Denison friends this week.

No old stock, no old patterns, everything new and up-to-date in wall paper at W. E. Koeneman, the Broadway Druggist.

The Review is in receipt of accounts of the Iowa picnic in Pasadena, which unfortunately came so late that they must be held over until next week.

After this week the Review's business office will be moved up stairs and our friends can come in the front way. This will be a great improvement over the back alley route we have been obliged to use this winter.

The room that sells the largest number of tickets for the entertainment Saturday night gets an additional picture. If you are tempted to be out of patience because so many call on you, remember the cause and smile on their efforts. They will not annoy you in this way again this year.

It is rather tuff that just as the spelling contests are all the rage a number of leading educators should decide on spelling reform. We have had enuf reform and had hoped we were thru with it. When we red about it we thought it would be a pleasure to give tung to our displeasure but we are too yung to tackle the Savants. Ruff isn't it?

ALWAYS KEEP CHAMBERLAIN'S COUGH REMEDY IN THE HOUSE.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by Ph. A. SCHLUMBERGER.
