On Saturday morning at 8:30 o'clock
the fire bell rang and fire was re-
ported to have broken out in the Dr.
Fuester residence. The firemen were
at once at work. They had the hose
carts out in no time and had the hose
attached to the hydrant and were all
ready for work when it was discovered
there was no fire at all more than
in the stoves. It was certainly quite
a joke on the firemen but still caused
considerable fast work. They say they
do not care for any more of these
kind of jokes. It gave the boys a
little practice and they showed the
people how lively they can work when
they have to.

Miss Margaret White came up from
Vail Saturday morning and will teach
the spring term of school near Schles-
wig.

When Schleswig gets all the new
buildings that are to be built this
coming summer, it is hoped there
will be some buildings for rent, but
most of the new buildings if not all
are engaged now. At present there
are no empty buildings in the town.
If any one wants to start any business
here at present there would be no
building he could rent. There are
several lines of business not represent-
ed here at all at present. Among the
ones most needed are a jeweler, mil-
liner, photographer, dentist and some-
day there will be a lawyer wanting to
locate here. This would undoubtedly
be a splendid location for any of the
above named and there are none of
those represented here at all. There
are parties here who have inquiries
from certain ones about different busi-
ness lines. Among those are a mil-
liner whom we think would locate
here, but where is a building she
could rent that would be at all suitable
for this business. Schleswig surely
could support any of these. Let there
be more buildings go up this coming
summer. We think there will be
renters for them all, and none will

need to stand idle very long.

On Monday April 9th occurred the
death of Mr. Adolph Rickert at his
home north of town. He had been
ailing for some time. This with his
76 years of life was the cause of his
death. The deceased was one of the
old settlers in this part of the county.
He was a prosperous farmer and
was highly respected by all. The
funeral was held from the house at
one o'clock Thursday. A loving wife,
two sons, Henry of Canada and Geo.
who lived on the farm just joining
his father's and one daughter Miss
Emma and many relatives are left to
mourn the death of a husband and
father. Our sympathy goes out to the
bereaved ones.

Grip Quickly Knocked Out.

"Some weeks ago during the se-
vere winter weather both my wife
and myself contracted severe colds which
speedily developed into the worst kind
of the grippe with all its miserable
symptoms," says Mr. J. S. Egleston
of Maple Landing, Iowa. "Knees and
joints aching, muscles sore, head
stopped up, eyes and nose running,
with alternate spells of chills and
fever. We began using Chamberlain's
Cough Remedy, aiding the same with
a double dose of Chamberlain's
Stomach and Liver Tablets, and by
its liberal use soon completely knock-
ed out the grip." Sold by PH. A.
SCHLUMBERGER.

are getting brighter each day.

Several of the old band men got
together last Friday evening and en-
joyed a practice. With the assist-
ance of several from Arion a good
band of about 14 pieces could be main-
tained here without much effort. Tal-

and all that is lacking is a little push
and encouragement.

The Easter services at the various
churches were well attended and pro-
grams of interest were listened to by

The telephone agitation seems to
be of more local interest than the
Perkins-Cummins fight. This proposi-
tion of telephones after many years
of fighting has been settled in Eastern
and Central Iowa in the most satis-
factory manner by the farmers own-
ing and operating their own systems.
However the only thing to remem-
ber is to keep from entangling con-
tracts until concerted action is decid-
ed upon.

The republican caucus is called for
next Friday evening.
