DEATH OF E. KRUGER

Passes Away at Schleswig on Saturday.

THE COUNTY IS IN MOURNING.

Special Train Carries Remains to Vail Where Interment was made

One of the saddest events which the Review has been called upon to chronicle, is the death of Eimi Kruger, of Schleswig, which occurred on Saturday night of last week, after being confined to his bed for two or three weeks. Mr. Kruger was a man of delicate physical organization, and had been complaining more or less, for two or three years. It was not until about two or three weeks ago that the doctors became convinced that his trouble which was of a catarrhal nature, required prompt surgical operation to bring relief. He went to Sioux City and had a specialist perform the operation, which at the time, was said to be a successful one, and promised to bring about a cure of his ailment. It seems, however, that his constitution was not strong enough to stand the reaction, and blood poisoning set in, and caused his death.

Mr. Kruger had been a resident of this county for about twenty-five years, and made for himself an inevitable reputation. He was born in Germany, where he was educated, and came to this country when about seventeen years of age, imbued with the idea that here honest effort could secure success. He sought and found employment, first upon a farm, and afterwards as a clerk in a store in Vail, where he spent several years of his life. His energy, ability and uprightness won for him a host of friends.

He filled the office of Recorder of Vail, and afterwards that of mayor, with such ability that his friends decided to urge him as a candidate for Clerk of the Courts, to which office he was elected by a large majority. He discharged the duties of this office in so satisfactory a manner, that he was re-elected a second time, and could have continued in the office had he been so inclined. He decided, however, to give it up, and to accept a position with the German Bank of Schleswig some five years ago, and since then has been the cashier and active manager of the bank. Under his management, it has become one of the strong financial institutions of the County.

The people of Schleswig, one and all, recognize that in the death of Mr. Kruger, the community has lost one of its best and most influential citizens. The deceased became a member of the Catholic Church when he was nineteen years of age, and has been a devoted member of that church since that time.

Mr. Kruger was first married in 1885 to Miss Hannah Saggau. After the death of his first wife, he married Miss Jennie Mitchell of Vail, who survives him. He was the father of eight children; four by his first marriage, three of whom are now living; and four by his second marriage, three of whom are now living. The six surviving children are all at home.

Few men have made of their opportunities more than Mr. Kruger. While his energy and determination to win had much to do with his success a greater factor can probably be found in the fact that he was thoroughly honest and trust worthy. No person who ever had dealings of any kind with him distrusted or was suspicious of him.

The death of Mr. Kruger throws upon Mrs. Kruger the responsibility of keeping the family together, but as she is a woman of superior endowment, she will be able to manage for the best interests of all. The funeral was held at Vail, on Tuesday of this week from St. Ann's Catholic church, Father Farrelly, of Denison, and Father Murphy of Vail, conducting the services, after which the body was laid to rest in the Vail Catholic cemetery. A special train was run from Schleswig to Vail and return, and two hundred and thirty-five of the neighbors and friends of the deceased accompanied the remains to its burial. In addition, a large number of people from Denison attended the funeral services.

"A Millionaire Tramp" was at the Auditorium in Des Moines for three nights this past week and the Register and Leader speaks very highly of the play and the acting so if you want to see a right good comedy drama take in the play at the Opera House Friday night of this week.

HERMAN HARTWIG'S DEATH.

On Saturday night occurred the death of Herman Hartwig, oldest son of Mr. and Mrs. Charles Hartwig, of Denison. The deceased was born on the 15th day of December, 1875, and if he had lived until the 15th of next December, would have been thirty-one years of age.

The principal part of the life of this young man was spent in Crawford County, where he was raised upon a farm. He was ambitious, however, to engage in business, and qualified himself for a business career. He had been engaged in the banking business at Lytton, Iowa as cashier of his father-in-law's bank at that place, which position he filled until about three months ago, when, on account of failing health, he resigned, and upon the advice of his physician, went to Hot Springs, S. D. The climate there, however, did not agree with him, and he found himself failing so rapidly, that he decided to return to his father's home, where he arrived last Thursday, only a few hours before his death.

Mr. Hartwig was married to Miss Martha Shug on October 13, 1901, and left surviving him his young wife and one child. He had a large circle of relatives and friends, who deeply mourn his loss. The funeral services were held at the German Lutheran Church of this City on Tuesday at 12:50 P. M. after which the body was interred on the family lot in the Lutheran cemetery, Rev. Wm. Frese officiating.

Mr. Hartwig was a young man of good address, and sufficient mental ability to have won for himself a reputation as a business man, but naturally of delicate physical organization, he became the victim of disease that fastened itself upon him and carried him to an early grave. He was a dutiful son, a devoted husband and a loving father. The Review extends its sympathy to the bereaved family.

The funeral services were attended by people from various parts of the county and the church was not large enough to contain but a portion of them. The sermon of the pastor was exceedingly appropriate, made a deep impression on all who were able to hear it. The Review extends its sympathy to the wife and parents and all friends of the deceased.

Robt. Childress and wife of Deloit were Denison shoppers on Saturday.

THEY JOIN NEW ASSOCIATION

Denison Fire Department Joins The Inter-State Association.

The Denison Consolidated Fire Department, at a special meeting held last Thursday evening decided to join the Inter-State Firemen's Association. Quite a large membership was in attendance at the meeting and the vote to join the association was almost unanimous.

Mr. Wederholt, chief of the Carroll Fire Department was present at the meeting and gave a short address, in which he solicited Denison to become a member of the association.

The new association is composed of such towns as Carroll, Glidden, Jefferson, Manning, Harlan, Scranton and several others and the association promises to become a strong one. All these towns are actively engaged in preparing their teams for the tournament which is to be held at Carroll August 21, 22nd, and which promises to be largely attended.

The Denison running team is now getting in shape for the event, but as the time is so short it is not expected that they will be in as good trim as they would have been had they had longer time to practice. As all the teams to engage in the races are to be amateur ones, however, Denison stands just as good a show of landing some of the prizes as any in the association. It is expected also that the drill team will attend.

A large delegation of Denison rooters will no doubt accompany the running team to the tournament, and enjoy at least one day at the meeting. The railroad facilities for coming and going are the very best and the trip can be made without inconvenience and delay.

HOLY TRINITY CHURCH.

Sunday next is the 10th Sunday after Trinity. Holy Communion 8. a. m. Sunday School 9:30 a. m. Holy Eucharist, choral and sermon 10:30 a. m. All church members should be present. The public have a glad invitation. Friday 24th of August is the Feast of St. Bartholomew, Apostle. Devine Service 9. a. m. Evensong and choir practice 7:30 p. m. Arthur Pratt, Rector.

The Club dance given by the young people at the opera house last Friday night was well attended and a royal good time was had by all present.

NEW HOTEL UNDER WAY.

The new hotel has passed beyond the stage of speculation. It is not only going to be built, but it is now under construction. A large number of men are at work, clearing the ground for the foundation.

The building will be constructed of Omaha Hydraulic Brick, of practically the same style and color of those used in the Balle-Brodersen Department Store. The building when completed will be 107 feet in length a little over 71 feet in width, and will be 35 feet in height above the office floor. The street in front of the hotel will be raised two feet above where it is now.

The contract requires the building to be fully completed before the first of July next. It is the purpose of Mr. Christensen, who has the contract for the building, to have it enclosed and plastered before winter sets in.

The hotel when completed will be a dandy, and just such a hotel as Denison needs. We have no doubt but its new management will be such as to insure a large patronage.

IT PAYS TO ADVERTISE.

That it pays to advertise was thoroughly demonstrated last Saturday morning at the sale of granite ware at the Allard novelty store. Mr. Allard announced in the papers that he would place on sale on that day a lot of granite ware consisting of dish pans, wash pans, etc., at the low price of 10 cents each.

Long before the hour of opening the sale had arrived, the store was filled to overflowing, and by the time the hour arrived the crowd extended out in the street and when the alarm sounded the rush was something furious. Men, women and children pushed and crowded in their attempt to get the bargains, and it looked for a while as though there was going to be trouble, but everything went off smoothly. Several ladies in the crowd were almost overcome by excitement and fear and were forced to leave the building before they could be waited on.

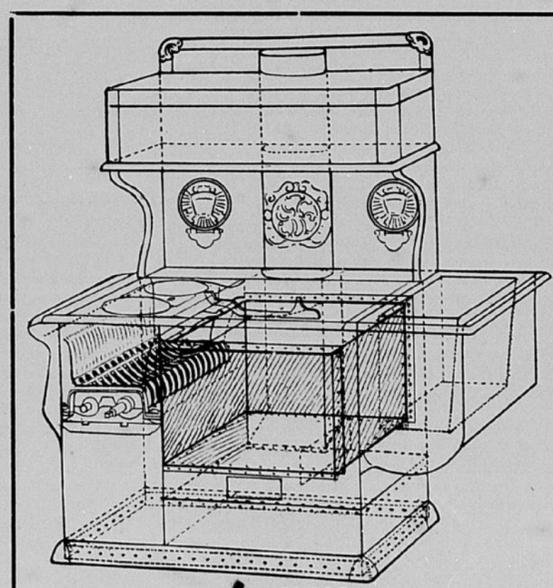

The sale was a grand success and Mr. Allard has thoroughly demonstrated the fact that it pays to advertise.
