Mr. Weberg believes in raising only thoroughbred animals, as he tells us that by so doing he always finds a ready market at the very highest prices. He is fast forging to the front as one of the most successful stock raisers of the county and he intends to continue in the business. Despite the fact that he has disposed of a large number of his animals, he still has a large number on hand which it would do well for farmers and stockraisers to see before making purchases.

We wish to thank the many kind friends and neighbors who so generously assisted us during the illness and death of our beloved son.
