

TWO WEDDINGS AT VAIL.

Prominent Young People Assume Marriage Vows at Vail.

Married Wednesday, the 10th inst at St. John's church Vail by Rev. Arthur Pratt, Mr. Edward Abbott and Miss Sadie Bartlett. Mr. Abbott is the eldest son of Mr. and Mrs. Wm. Abbott, and Miss Bartlett is the daughter of Thos. Bartlett. Both have spent most of their lives in the vicinity of Vail and are well and favorably known by a large circle of friends.

Rev. Mr. Pratt was at his best and made the beautiful church service a most impressive one, wearing a rich white cope used only for special functions. The church was tastefully decorated with flowers. The bridal gown was pure white and every detail showed excellent taste. Miss Katherine Schramm acted as bridesmaid and Mr. Geo. Bartlett as best man. A wedding dinner was served at the home of the bride's brother, Mr. Seymour Bartlett, north of town.

The marriage of Miss Alice Miley and Mr. August H. Abts was solemnized at St. Ann's church Tuesday Oct. 9, 1906 at 8 o'clock a. m., Rev. James Murphy officiating. Miss Grace Dieter acted in the capacity of bridesmaid and Larry Kelley as groomsmen. A large number of friends were present at the church and also were profuse in their congratulations. A reception was given at the home of the bride's sister Mrs. T. J. Kenney at one o'clock and only the immediate relatives were present.

The bride is well known to our readers and her friends comprise a large circle. For several years she was the efficient intermediate teacher in the Vail public schools and later followed the same occupation in Nebraska. For the past two years she has been clerking for the firm of Ryan & Ratchford, all positions being filled with evident satisfaction to everyone. Pleasant, light hearted and womanly she has won herself into the lives of many, and is well fitted to occupy the new home.

Mr. Abts comes highly spoken of as a first class business man and a gentleman of steady industrious habits. They expect to be at home in Morrill, Neb., after the 15th and go today to visit at Madison and Albion, Neb., with friends.—Vail Observer.

These figures show at a glance the importance of higher education."

The reception given last Wednesday in the parlor of the Congregational church was one of the most pleasant evenings enjoyed by the church for some time. The attendance was smaller than it would have been for there were several counter attractions, but some seventy-five people gathered and enjoyed an evening of renewals of friendships. Speeches were given by N. F. Stilson for the Sunday School, by M. B. Nelson for the Official Board and the pastor spoke of the plans for the future. Everyone seemed to do justice to the crisp doughnuts and coffee. The evening was enjoyed by everyone and all went home pledging to take hold of the work and succeed.

The earth from the north of the church is being removed and plans are being laid for a new parsonage to be built sometime in the near future.

A TRAVELING PAIN.

There is no disease quite so peculiar as rheumatism. The pain which is in the little finger today may be in one of the toes tomorrow. And so it travels all over the system, seeking an outlet, and finding none it settles permanently in one place, and from its home other pains start out, and settle down and multiply. Dr. Drummond's Lightning Remedies for rheumatism attack the disease from all points at once, and their work is always successful. If your druggist has not got these remedies, write to the Drummond Medicine Co., New York, and describe your case. Agents wanted.
